### Is this holiday for you?

This holiday is suitable for those with little or no previous sea kayaking experience. There is an emphasis on instruction and developing your skills while enjoying the surroundings of some superb locations. You will be able to progress your skills and experience throughout the trip. You should have a reasonable level of fitness and you can expect up to 6 hours of sea kayaking each day, with breaks onshore to stretch your legs. You will also be asked to assist with carrying the boats to and from the water, working as a team. In the event of bad weather preventing us from kayaking your guide will offer an alternative activity such as an easy hike.

The weather in Scotland can be unpredictable and at times can make activities more challenging. Please do bear this in mind when thinking about what trip to join. If our guides feel that you are not able to complete an activity like a scheduled paddle or hike they may ask you not to join in that day.

For evening meals not included, we can dine at the Inns or visit other local restaurants, which offer good food at reasonable prices. The final dinner of the trip will be taken in the excellent restaurant of the Torridon Hotel.

On this trip we generally eat dinner as a group however if you would like to make alternative arrangements you are free to do so. Your guide will have an evening off during this trip where they do not eat with the group. They will recommend options for dinner that evening and will help you make any necessary reservations.

## **Special Diets**

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## **Group Leader & Support Staff**

The group will be led by an experienced and qualified leader.

## **Baggage Allowance**

There is no weight limit for your luggage on this holiday, however you will need to be able to lift and move your own luggage easily. There is also limited room in the transfer vehicles, and so one bag to be transferred and one day pack per person is ideal.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.
