## DAY 1

### Arrive in Lagos, explore the historic centre and soak up the atmosphere of the harbour.

Arrive in Lagos, a town with so much to offer we recommend adding additional nights before your hiking begins. A strategic port during Portugal's extraordinary Age of Discovery this old town is steeped in history. Take time to discover the spectacular Igreja de Santo Antonio Church boasting one of the most stunning Baroque interiors in Portugal, draped in artistically carved and gold-plated woodwork and oil paintings honouring the life of St Anthony from whom the church is named.

Alternatively, take a stroll along the strong defensive walls that have protected the town since the 16th century and pay visit to the Governors Castle which stands proudly by the harbour. In the evening, you will be spoilt for choice for places to dine, but with such close proximity to the coast, fish is sure to be featured on every menu!

## DAY 2

### Discover Sagres and hike along peaceful coastal trails to Figueira.

Your first walk of the week begins from laid back Sagres, a popular town amongst surfers seeking the thrill of the Atlantic waves. After breakfast, a short transfer will take you to the start of your walk where you can witness these thrill seekers in action before you set off on your way. The peaceful trails along this stretch of coast are a world away from the bustling tourist resorts. Black, red and yellow rock formations, sparse plateaus, long drawn-out sandy beaches and breath-taking headlands offer the perfect backdrop for today's hike to the small village of Figueira. Here you can enjoy well earned refreshments.

During the spring the cliffs come alive with the brightly coloured shrubs and the sea birds flock to the rocky ledges, certainly a hike to carry your binoculars.

**DAY 3****Walk along the Great Coastal Path to Ponta da Piedade.**

Your day begins with a short transfer to the small, but perfectly formed, coastal village of Burgau. A traditional village with fishing at its heart; you may even spot the fishing boats setting sail for the days catch. You will have time for a morning coffee in one of the cafes on the square before setting off on your hike.

Leaving Burgau behind you will soon be accompanied by the sound of the waves crashing below the cliffs as you meander along the clifftops to the popular resort of Praia da Luz. Here you can enjoy a welcomed refreshment and perhaps a bite to eat in one of the beachfront cafes, or take a dip in the inviting waters before continuing your journey along this magnificent coast. Feeling refreshed your route continues along the Great Coastal Trail to Ponta da Piedade where you will be greeted by the impressive golden arches and great rock formations emerging proudly from the ocean. Beneath these impressive formations, you will hear the gurgling of the water in the grottos and caves, testament to the power of the deep blue waters that formed this natural artwork.

**DAY 4****Discover pretty Ferragudo and all its charm and walk through the Seven Hanging Valleys.**

Your route today will take you from possibly the prettiest village on the Algarve, Ferragudo. Sitting at the mouth of the Arade River this traditional fishing village homes all the qualities you would hope; whitewashed houses, colourful fishing boats and fragrant flowers. You will have time to explore the cobbled streets before setting off along the coast to your next goal, Carvoeiro, from where you join the stunning Seven Hanging Valleys trail. This magnificent trail gains its name from the seven secluded bays it encompasses as you make your way along through the fragrant juniper and shrubbery that bursts into colour in the spring.

In the evening enjoy dinner in one of Albufiera's many restaurants and enjoy a spot of people watching in what is a bustling resort.

## DAY 5

### Explore the Ria Formosa and enjoy watching the wildlife it homes as you make your way to Faro.

Today's walk will introduce you to the wonder of the Parque Natural da Ria Formosa and all its spectacular wildlife. A short transfer will take you to the start of your walk from where you will be passing through sand dunes and lagoons on winding paths and wooden walk ways, and it won't take long before you have your first encounter with the wildlife. Today is a day for nature lovers and we recommend taking time to marvel at the numerous species of birds that call this nature reserve home; Greater Flamingos, Spoonbills, and black-winged Stilts to name a few. If you're lucky you may even spot a Bee-eater too.

In the evening, take a stroll through Faro's picturesque cidade velha (old town) protected by its mighty medieval walls, or to the marina and enjoy a glass of wine as the sun sets. As you meander through the town you will note the patchwork of architectural style, reflective of the town's history.

## DAY 6

### Witness the fisherman at work in Fuzeta, visit the fascinating Anchor Graveyard and end your day with a boat ride to historic Tavira.

Your morning begins with a scenic train journey to the traditional town of Fuzeta. A town with an authentic Algarve feel, where you won't be stretched to see the local fisherman mending their crab baskets and the colourful boats chugging in and out of the quay fetching fresh hauls to the nearby market. Take time to enjoy a coffee and soak up the charming atmosphere before setting off on your way.

When you're ready your route will take you past glistening salt basins, colourful houses and fruitful orchards as you make your way to the slow flowing river of Ria Formosa. From here you skirt the edge of the lagoon to Ilha de Tavira to discover the fascinating Cemiterio das Ancoras (Anchor Graveyard), a memorial to the lost tuna fishing industry which once thrived in the area. The anchors were originally used to fix the nets in place rather than mooring the boats. Continuing along the fine sandy beach, you will soon arrive at the north of the island from where you take a ferry into the historic town of Tavira, your home for the evening.

Feeling refreshed, today's walk will take you on an idyllic route along the Eastern Algarve coast all the way to the Spanish border. Hiking over gentle dunes, through fragrant pine forests and along deserted beaches, today is a walk for taking off your walking boots and dipping your toes in the ocean. You will soon reach the Rio Guadiana estuary that marks the border between Portugal and neighbouring Spain and your final destination, Vila Real de Santo Antonio. This strategic town was built from scratch following the infamous earthquake of 1755 and was built under royal decree with protection in mind. Take time to explore the Praca Marques de Pombal (central square), where the only church in the town, Igreja Matriz, stands centre stage, before taking the train back to Tavira. Spend your final evening on the Algarve soaking up the towns enchanting architecture and raise a toast to a great week.

## Food & Water

The Portuguese are passionate about food. It is a reason for celebration, time with family and socialising with friends, and as is typical on the Med, evening meals are enjoyed late into the evenings with a glass of wine. Portugal's national obsession is Bacalhau, a dried salted cod which will feature heavily on menus alongside other delicious seafood. After all Portugal has almost 1800km of coastline. But it is not all just seafood as Portuguese cuisine is all about simple, fresh cooking with many meaty stews such as Cozido a Portuguesa which includes beef, pork and chicken served with fresh vegetables and usually accompanied by one of the countries fantastic wines.

And it's not just savoury dishes and wine the Portuguese are passionate about. The pastel da nata is not just a dessert but a constitution, served in almost every café. This delicious custard filled pastry topped with cinnamon is flaky, creamy and utterly delicious. Originally known as a Pasteis de Belem this delicious pastry is the creation of the Masteiro des Jernimos monks in Lisbon where they have been sold since 1837.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your diet with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

We have hand selected a great selection of 4\* hotels for you on this trip, all selected for their great locations and hospitality. All of the hotels offer comfortable bedrooms, and great communal areas including a restaurant and bar area. The hotels all offer a great buffet breakfast to fuel you on your hikes and some also have a pool area for you to cool off after a day on the trails.

It is possible to arrange additional nights accommodation in Lagos before your trip and Tavira at the end of your trip if you wish to extend your stay and enjoy the beaches this region is so popular for. Please refer to the dates and prices tab for further details or speak to one of our sales team.

## Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your hike. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection each morning. You will also need a daypack to carry your daily essentials with you.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

### Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

### Currency

The currency for part or all of this holiday is the Euro.

### Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 5 to 6 hours for consecutive days on sandy or rugged paths. The routes are along the coast, so a head for heights is recommended.

## Climate

The Algarve enjoys a sunny microclimate with over 300 days of sunshine a year. Summers are dry and hot, but the south-western tip of the continent enjoys a mild climate all year round thanks to the influence of the ocean.

Spring (April to June) and Autumn (September and early October) are delightful, but a little rain is possible with day time temperatures between 16-22 degree Celsius, with matching sea temperatures. Temperatures tend to be a little warmer in the Autumn than in the Spring though spring is an excellent time of year to enjoy spring flowers.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's 'Travel Aware' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](https://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](https://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
