Introduction

In the heart of France lies a quintessentially French region of the Loire Valley, famous for its picturesque villages, wineries and captivating chateaux. The countryside is awash with fruit orchards, fields of artichokes and asparagus, and the all-important vineyards which line the banks of the river; all of which make for a beautiful backdrop for the historic towns and magnificent chateaux that are waiting to be explored. We have specially designed this relaxed self-guided e-biking holiday to showcase this spectacular region, allowing you the chance to pedal with ease through its fertile landscape and discover its rich heritage.

Each day you will ride around 40-50km on easy cycle paths giving you plenty of time to enjoy the area both on and off your e-bike. With our special chateaux pass included in the cost of your trip, you can enjoy the sweet smelling gardens of Villandry, marvel at the magnificent riverine estate of Chaumont-sur-Loire, uncover the love triangle which influenced the design of Chenonceau (probably the most photographed chateau of Loire), and sample the region's liquid gold with a wine tasting in Chinon. At the end of each day's explorations on your e-bike, you will stay in a fantastic selection of charming hotels, chosen for their character and warm hospitality. Staying on a B&B basis you will have plenty of opportunity to sample the many inviting restaurants that line the streets of the historic towns of Blois, Amboise, Tours, Chinon and Saumur.

Is this holiday for you?

This leisurely self-guided cycling holiday is perfect for anyone that enjoys exploring on two wheels. With the additional boost provided by your e-bikes, you can enjoy a delightful cycling holiday with reduced effort. E-bikes are a great leveller for those with a mix of cycling fitness and speeds. The route is mostly on designated cycle paths and is almost all flat terrain, with the extra pedal offered by your e-bikes making every ride a breeze. You will cycle on average around 50km per day with plenty of opportunity to stop and explore the many chateaux along your route, delve into the heritage of this historic region and relax in the pristine gardens.

The minimum age for e-bikes is 12 years, and a minimum height of 150cm is recommended for the smallest e-bike frame available.

GPS Travel App

This holiday is led by a self-guided travel app, which contains the personalised details of your complete holiday itinerary. This includes the GPS-led routes for you to follow on your self-guided cycling and walking tours, as well as attractions, coffee stops and points of interest in the towns and cities along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your phone before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

You can expect to receive your Self-Guided Pack containing your relevant holiday documents no later than 3 weeks before your holiday start date. We will send your documents using signed for courier so that you can track your package and know that they are safely on their way to you. Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start date, please do inform our sales team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

French cuisine is ingrained in French culture and is one of the country's greatest contributions to the world. It is filled with passion; a celebration of the rich natural flavours of basic ingredients, to be enjoyed with one of the countries fine wines. Meal times are leisurely, a time to be enjoyed with good company and are an experience to be savoured.

Known as the 'garden of France' thanks to the regions rich soils and mild climate you can expect to find a plethora of fresh, tasty produce as you cycle through the Loire Valley. Agriculture thrives here with asparagus featuring in souffles and omelettes but the real stars of the farmlands are the apples and pears with the region supplying 20% of Frances apples. We recommend you try the famous tarte tatin which originated in nearby Solgne back in the 1880's.

Given the number of rivers that run through the area it is no surprise that fish features heavily on menus with popular dishes including stuffed bream, matelote - a stew of locally caught eels softened in red wine or fish such as sander served with a traditional beurre blanc- a butter sauce flavoured with shallots and vinegar. Meat dishes tend to be filled with rich flavours from locally sourced game such as venison, guinea fowl or pheasant.

You will find many appealing cafes along your route for lunch or you may be swayed by the delicious scents of the local boulangerie to enjoy a picnic of fresh bread and delicious local goat's cheeses- they are superb in this part of France. Needless to say cycling in the Loire is not just a journey but a treat for your taste buds!

Accommodation

This trip has been designed with tradition in mind. You will stay in a carefully chosen selection of 3-star hotels, each hand-picked for their warm hospitality, fantastic locations and clever mix of modern amenities and French style, enhancing the features of the traditional buildings. All of the hotels offer something different such as lovely garden terraces or cosy communal areas, and some also have pools, ideal for relaxing after a day on your bike.

All of the hotels offer a typically French continental breakfast of delicious fresh breads and pastries served with your morning coffee. Some hotels also offer additional hot items.

It is possible to arrange additional nights accommodation if you would like to extend your time in Blois or Saumur. Please speak to one of our sales team for further information.

Bike Hire

E-bike hire is included in the cost of this holiday. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

Bikes come equipped with a pannier and a handlebar bag for your daily essentials plus lights, a bike lock, pump and repair kit. A phone holder is provided but you may wish to bring your own holder which is compatible with your smartphone.

The minimum age for riding e-bikes in France is 12 years. A minimum height of 150cm is recommended for e-bikes. We will reserve the appropriate size of bike for you based on your height.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We can also arrange children's follow-me tandems, trailers and child seats if you wish to travel with a younger family. Please note that cycling helmets are mandatory for children under 12 years old.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is restricted to one piece under 20kg per person, and that your luggage is ready for collection each morning.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 30-50 km a day on easy cycle paths or quiet roads and we advise you to dust off your bike and head out on a few rides before your holiday.

Climate

The climate in the Loire Valley is favourable most of the year round with the rivers helping to keep the summers cool and the winters mild, ideal for cycling.

Summer temperatures reach highs of around 23 degrees with July being the hottest month. Summers can be hot although winds coming over from the Atlantic Ocean help keep hot temperatures tempered by moderate, cool breezes. This temperate summer climate provides a fantastic week of cycling in the sun.

Spring and autumn offer cooler temperatures of 10-19 degrees with some rainfall. Spring is the perfect time to visit if you are a keen gardener as the chateaux gardens are in full bloom and autumn sees the festivities of the grape harvest and hunting season in the region.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
