# Introduction

South African wine lands are world famous, and rightly so. The wine is outstanding, the sun shines and the landscape is beautiful. This marvellous holiday combines several wine and brandy tasting sessions with short walks through vineyards, hill tops with panoramic views and stunning coastal paths. We stay in comfortable small guesthouses and hotels chosen for their historical character and locations. We start our trip in the heart of the winelands, Stellenbosch. The pretty, crisp white, gabled Dutch architecture dotted in the lush vineyards is beautiful. We will explore the photogenic town, sample the local wines and enjoy walks through vineyards before carrying on to Montagu over the Franschoek Pass to walk in the Mont Rochellen Nature Reserve.

In Barrydale we can taste the famous brandy, of the same name, before making our way to the coast to see if we can spot (seasonal) the Southern Right Whale from our base in Hermanus. The 'Garden Route' from here back to Cape Town is full of cliffs, beaches, walks, good coffee and excellent wines! The Cape peninsula brings us wildlife in the form of African Penguins and possible Cape Zebra, as we wind our way on foot to Cape Point and the Cape of Good Hope. Bathed in sunshine the panoramic views of the ocean and the coastal mountains are awesome. Our holiday finale is the walk up Table Mountain, followed by some time in Cape Town to appreciate the culture, food and wine of this cosmopolitan city. If you are looking for a charming walking holiday in the sunshine, enjoying some wine and food then this is the perfect choice.

## Is this holiday for you?

The essence of the holiday is to enjoy the walks and the wine, as well as the culture and food of South Africa. The trails that we follow are undulating or reasonably flat - except of course Table Mountain. They are well-marked and sometimes stony. Our accommodation has been handpicked to ensure comfort in small, well-appointed hotels and guesthouses. We have included 3 wine tasting sessions and 1 brandy tasting with associated visits to the cellars and vineyards. South Africa has a lovely Mediterranean climate and because of the time zone jet lag is not usually a problem flying from the UK.

## DAY 1

### Arrive Cape Town. Drive to Stellenbosch in the heart of the Winelands, short afternoon walk.

Your holiday starts at Cape Town Airport. Here you will be met by your guide and transferred to Stellenbosch. Landing into Cape Town in the morning can be beautiful if you have clear skies and give you a great impression of this town surrounded by beaches and mountains. Our transfer to Stellenbosch is less than an hour and we check into our accommodation. After some lunch and a shower we set off on an introductory walk around the town and surrounds which are dominated by Cape Wineland vineyards. The wide, oak-lined streets are a pretty setting for cafes, little boutiques and art galleries. White gabled Dutch colonial architecture amidst the rolling verdant vineyards, add to the quaint feeling of the place. We enjoy some good food and wine, and settle into our accommodation for the next two nights.

## DAY 2

### Stellenbosch - Wineland walks and wine tasting.

A short 15min transfer this morning takes us to the Jonkershoek Nature Reserve. This rugged area is rich in animal and birdlife and forms part of the Boland Mountains. It is home to the leopard, honey badger and baboon, and although we are unlikely to see these species there are numerous colourful birds that we will see. It is a valuable conservation area, especially for the mountain fynbos. We take one of the many walking trails and head up to a beautiful waterfall. Swimming is possible in the pools. Returning back to the vehicle we drive to a vineyard estate, probably the Lanzerac Wine Estate, where we have a tasting. They have an excellent variety of wine here. We can have some lunch here before heading back to Stellenbosch. We stop at Guardian Peak Wine Estate for our second tasting of the day. Again the farm is located in peaceful surroundings.

After our walk and fresh air we travel to the Leipzig Winery for a platter style lunch, wine tasting and a cellar tour. Later in the afternoon we transfer the rest of the way to Montagu and check into our central located comfortable hotel. We have an early start this morning, as we walk through Montagu to the start the Cogmanskloof Hiking Trail. It begins with a steep section before becoming easier and reaching the Cogman's summit (690m). Along the route there are beautiful views of Montagu and the surrounding ravines and mountains. The rock formations are stunning and depending on the time of year our path will be lined with pretty wild flowers such as aloes, sewejaartjies and ericas. It's a perfect morning walk. We are back in Montagu for lunch. We then continue our journey with a drive along Route 62, through further vineyards to Barrydale. Here we visit the famous Barrydale cellars and participate in some Brandy tasting, which is arguably the best brandy in the world. We overnight here in Barrydale, a small rural village.

We stop at the town of Swellendam and we have a walking tour through this lovely town full of colonial Dutch architecture. We visit the Drostdy Museum which shows

how the first colonial settlers lived, in a beautiful preserved house, full of artefacts. After maybe a coffee and cake in town we head off to the coast and the famous town of Hermanus. There is a large choice of eatery's in Hermanus, and we choose a suitable one for our lunch before we head off for our coastal cliff walk. It is stunning here, the ocean is immense and the waves crash dramatically on the cliffs. In good weather our short walk is unbeatable. We arrive at the glorious white sandy Grotto Beach, and have an opportunity for a swim if conditions allow. We return the same route, and in the season (Jul-Nov) there is a high probability of seeing whales out to sea. Our hotel is well located for whale watching and town. Drive time 3hrs

At Cape Point we walk to the lighthouse, originally built in 1859 to help sailors navigate the treacherous waters. It's a special place and on a clear day the views are magnificent. The trail that we follow is the first section of the Hoerrikwaggo Trail. We walk along the board walk to Cape of Good Hope where we meet our vehicle and return to Cape Town.

## Accommodation

On our 2 nights in Stellenbosch we stay at a well presented guesthouse with light airy rooms, gardens, swimming pool and with sweeping views over the surrounding landscape. This manor house dates back to 1756 and is beautifully converted into this country-style guesthouse. It is nestled in the heart of the winelands.

The one night that we have in Montague we stay in an art deco country hotel. It is a very comfortable small hotel with a lovely garden and a swimming pool. Many of the rooms have views over the Montagu winelands.

In Barrydale our guesthouse is one of the oldest historical buildings dating from 1800 when it was a local general traders store. It has comfortable rooms, and quirky living spaces and outdoor areas for a coffee under the vines and rambling roses.

In Hermanus our hotel for 2 nights is on the sea cliffs, and if we are lucky we might even be able to spot whales right from the hotel!

Simonstown, next to the penguins at boulders beach gives us the opportunity to spend 1 night at the quay, seeing the little yachts coming and going in False Bay. The views are great. The hotel has an appropriate nautical theme, and is located on the waters edge. The rooms are furnished in a modern fashion.

Our hotel in Cape Town for 3 nights has an excellent local begin situated in Victoria & Alfred Waterfront area. It is well appointed and has a small dip pool and outdoor seating along the canal.

Please note this is an example of the hotels used on this trip and they may change according to availability. All accommodation is en-suite. If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We recommend that you decide levels of tipping and give any tips as a group rather than from individual group members.

## Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status and so you are free to proceed with your international flight booking and other travel arrangements.

This applies if the child is travelling with both parents, one parent or an adult who is not a biological parent, and school groups. There are some different requirements for unaccompanied children, and children who do not have UK passports or visa exempt passports. For full details please see the FCDO website.

## Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. ## VACCINATIONS

You should contact your doctor or travel clinic to check whether you specific require any vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella), along with hepatitis A and typhoid. A certificate of yellow fever vaccination is required if travelling from countries with risk of yellow fever transmission and for travellers having transitted for more than 12 hrs through an airport of a country with risk of yellow fever transmission. On holidays to more remote areas you should also have a dentist check up. A good online resource is [Travel Health Pro](#).

## Currency

The unit of currency in South Africa is the South African Rand.

## Climate

Cape Town has a Mediterranean-style climate with lovely warm and dry summers from November - February and cool winters from May-August. The average temperature in Cape Town is a delightful 17 degrees Celsius. In summer we have cloudless skies and 13-14 hours of sunshine per day. Autumn and spring are cooler with a slightly higher chance of being overcast or even the odd rainy day. However even in winter there are many sunny days which feel like a European Spring day. Altogether it is a very pleasant climate.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
