We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Meal Plan

This trip is on a bed and breakfast basis to allow you to enjoy dining at whichever local restaurants appeal most to you.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Piedmont is one of Italy's great food regions, celebrated for its simple, seasonal cooking and exceptional ingredients. Expect handmade pasta, rich risottos and slow-cooked meats, all elevated by world-class produce. Signature dishes include tajarin, delicate egg pasta often served with butter and shaved white truffle, and agnolotti del plin, small hand-pinched pasta filled with meat or vegetables.

Meat dishes such as brasato al Barolo, a beef slowly braised in the region's most famous wine, reflect Piedmont's slow-food heritage, while sheep's and cow's milk cheeses like toma and robiola showcase the area's pastoral roots.

For those with a sweet tooth you can look forward to the tastes of the prized Tonda Gentile hazelnuts, found in cakes, pastries and rich chocolate, a nod to the region's long chocolate-making tradition.

All of this is perfectly paired with Piedmont's outstanding wines, from elegant Barolo and Barbaresco to delicate and simple local white wines, making every meal an essential part of the journey.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 - 6 hours for consecutive days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip and it's always a good idea to spend some time walking in the footwear you are going to use on this holiday.

Climate

Piedmont, or more specifically the region around Alba has a moderately continental climate with cold damp winters and hot humid summers, often with snowfall through the winter months. This changeable climate makes for a colourful spring season with comfortable walking temperatures of 15-20 degrees whilst the summer is perfect for those who prefer it a little warmer with average temperatures of 23-26 degrees. Autumn brings the truffle season and temperatures returning to a comfortable 15-20 degrees.
