## Introduction

A land of jaw dropping scenery, wonderful hospitality and fascinating culture, Albania is a Balkan gem and perfect for a unique walking holiday. Known as the land of smiles, Albanians are proud of their strong traditions and stunning scenery including the magnificent Accursed Mountains. This European wilderness is home to spectacular alpine landscapes and superb wildlife including lynx, chamois, wolf, deer, golden eagles, buzzards, owls and falcons. Our journey begins in Shkodra, the cultural gateway to the Albanian Alps, before venturing into the dramatic landscapes of Grebaje Valley and the remote beauty of Ropojana Valley. From there, hike to the stunning village of Theth via the scenic Peja Pass, a route offering panoramic views of the surrounding peaks. Spend a day hiking to the refreshing Blue Eye from Nderlytaj, a natural spring of extraordinary colour and clarity. Continue your alpine adventure by trekking across the iconic Valbona Pass, followed by a challenging but rewarding hike over the Rosi Mountain Pass. Cruise across the breath-taking Lake Koman, often called the “Norwegian fjords of the Balkans,” before wrapping up your adventure with a final night in the charming historical town of Kruja.

### Is this holiday for you?

The spectacular Accursed Mountains (Albanian Alps) offers low-level (max 2000m) but challenging and remote walking alongside traditional homestays. During this holiday we follow well-established footpaths and mule tracks between valleys and villages that are rocky but non-technical. A couple of days involve out and back walks up to truly dramatic locations, which are holiday highlights. Whilst based in Thethi and Valbona you are free to opt in or out of the daily walk if you prefer to enjoy the surroundings of the homestay. A holiday highlight is the challenging Valbona Pass which takes you into the next valley and unfortunately cannot be avoided apart from a long road journey. Before this holiday it's good to prepare yourself for walking between 6 and 7 hours each day and be comfortable with steep ascents and descents. Albania is an amazing country and perfect for walkers who are looking for challenging hiking and longer days in amazing mountain scenery.

## DAY 1

### Meet at Tirana Airport and transfer to the historical gem of Shkodra.

Meet at Tirana Airport for the group transfer to the vibrant town of Shkodra. The journey north to the oldest city in northern Albania is 110km and takes about two hours. ## DAY 2

### Transfer to Lepushe and hike to Grebaje Valley in Montenegro. Max altitude: 2060m. Overnight in Vusanje.

After breakfast in Tirana, we set off on a scenic two-hour drive northward, passing through Albania's dramatic Cursed Mountains (Prokletije), so named for their rugged, untamed beauty and steep, jagged peaks that have long inspired legends and awe. Our route winds through high mountain passes, traditional villages, and lush alpine valleys as we ascend toward the remote mountain village of Lepushe, nestled near the Albanian-Montenegrin border.

From here, we begin our cross-border hike into Montenegro, traversing some of the most spectacular alpine terrain in the Western Balkans. The trail leads into the heart of Grebaje Valley, a pristine glacial valley flanked by sheer limestone cliffs and needle-like peaks; a hidden gem known for its biodiversity, dramatic geology, and minimal tourist footprint.

In the afternoon, the route descends toward the quiet village of Vusanje, located just across the border in Montenegro. A short vehicle transfer takes us to our guesthouse, where you can unwind and enjoy warm hospitality, local cuisine, and breathtaking views of the surrounding mountains.

Our day begins with a short drive from Vusanje to the Ropojana Valley - a glacially carved corridor and the starting point of today's hike. Located in the heart of the Accursed Mountains, this dramatic valley is steeped in legend and local folklore, once believed to be home to mythical creatures and hidden kingdoms. The trail gradually ascends through forests and open meadows towards the Peja Pass (1,700 m), offering breath-taking views of the surrounding peaks. At the pass, we cross from Montenegro into Albania, and begin the scenic descent into the remote Theth Valley. The trail winds through dramatic landscapes before revealing the traditional stone houses and lush setting of Theth, one of Albania's most picturesque and isolated mountain villages. Along the way, we stop off at Grunas Waterfall, a beautiful 30-meter cascade surrounded by rugged cliffs. Continuing on, we reach the small village of Nderlysaj, known for its natural rock pools. For those wanting to extend the adventure, a short but steeper hike leads to the Blue Eye, a mesmerizing natural spring with crystal-clear turquoise water bubbling up from deep underground. Surrounded by moss-covered rocks and forest, it's an almost surreal place - perfect for a quiet moment or a chilly swim for the brave. #### A challenging but spectacular day of walking as we cross the Valbona Pass (1800m).

Today is a real highlight as we embark on one of the most iconic and rewarding hikes in the Balkans - the crossing of Valbona Pass, a dramatic mountain saddle that links the remote alpine villages of Theth and Valbona. The trail begins gently, winding through lush pine forests and quaint mountain meadows, passing traditional shepherd huts and small streams. As you ascend, the scenery opens up to reveal

brehtaking views of wildflower-filled alpine pastures and towering peaks. The final stretch to the summit of Valbona Pass at 1800 meters is steep but rewarding. From the top, take in panoramic vistas of the Accursed Mountains, with rugged limestone cliffs and deep valleys stretching as far as the eye can see. The descent into Valbona Valley offers more stunning scenery, passing glacial landscapes and pastoral farms, where you might spot mountain goats or soaring eagles. ## DAY 6

### Day hike over the Rosi Mountain Pass (1680m). Overnight Valbona

Our trail today leads us through another hidden gem of the Albanian Alps: the Rosi Mountain Pass. This full-day loop hike ventures deep into a less-travelled and pristine corner of the region, offering a true sense of remote wilderness. The route begins in the tranquil Valbona Valley before ascending through dense pine forests and wildflower-strewn meadows to reach the high alpine plateaus. As you climb, the views expand dramatically, revealing jagged limestone peaks, sweeping ridgelines, and the vast, untouched expanse of the surrounding national park.

At the summit of the Rosi Pass (1680m), you'll be rewarded with panoramic views of both the Valbona and Gashi river valleys—perfect for a scenic break or picnic lunch. Keep an eye out for golden eagles overhead and the occasional wild goat navigating the cliffs. The descent follows a different route, winding down through rugged terrain and past seasonal shepherd huts, offering a glimpse into the traditional highland lifestyle.

## DAY 7

## Lake Koman Boat Ride & Transfer to Kruja. Overnight hotel.

The day begins with an early morning transfer to Fierza Dock, where you'll board a ferry for a scenic cruise across the spectacular Lake Koman. Often likened to the majestic fjords of Norway, this narrow lake winds through steep, forested mountains and dramatic cliffs, offering one of Albania's most unforgettable natural landscapes. Make sure you keep your camera ready for reflections on emerald waters, cascading waterfalls, and isolated hillside villages only accessible by boat.

Following the cruise we continue our journey by road, heading south through the heart of Albania's rugged countryside. We pass through charming rural towns and ever-changing scenery as we make our way to Kruja, a historic hilltop town with deep national significance. Home to medieval castles, cobbled bazaars and panoramic views of the surrounding valleys and the Adriatic Sea in the distance. We spend our final evening enjoying the charm of this storied town - whether dining at a local restaurant serving traditional Albanian fare or taking a peaceful stroll through its cobbled lanes, it's the perfect setting to reflect on your journey.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

All meals, from dinner on day 1 to breakfast on day 8, are included.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

With a mix of Balkan, Turkish and European influences, Albania offers a rich variety of dishes. In hotels breakfast are continental style, with cereals, bread and jam, tea, coffee and sometimes eggs. You may also have the chance to try a more traditional Albanian breakfast of flavoured rice. At the guesthouses, breakfasts are simple but filling. Picnic lunches are provided (bread, meat, cheese, tomatoes, cucumber etc. There will also be fruit and a snack/muesli bar etc. Evening meals include traditional soups, locally-grown vegetables, local dairy and meat dishes. The village accommodation is based deep in the heart of the Albanian mountains and the lifestyle here is very simple therefore "packed lunches" or sandwiches will not be the same as you are used to at home. However what is prepared is all freshly cooked and evening meals are based on what the local family would have themselves. If you are someone who enjoys chocolate/sweets/nuts on the trail then please feel free to bring extra snacks from home. Water is provided, but very often this is from local wells or mountain streams and is not chlorinated. If you are concerned about drinking untreated water, we suggest you bring a supply of water treatment tablets.

## Accommodation

During this holiday, the group will spend 1 night at a comfortable hotel in Shkodra and 1 night at a similar establishment in Kruja. These hotels provide twin-sharing accommodation.

There will also be 5 nights in simple village guesthouse /homestays in Vusanje, Thethi and the Valbona Valley. Whilst we do our best to accommodate rooming preferences, in some locations, dormitory-style accommodation is the only option. However, we always ensure that male and female participants are separated. The village guesthouses, whilst charming and friendly have basic facilities but the warm welcome more than makes up for the lack of hotel facilities! Staying with local families is all part of the overall Albanian trekking experience and allows us to experience a genuine side to the Albanian Alps.

If you are travelling by yourself, you will be paired up with another single client of the same sex for the 2 hotel nights. Single rooms are available for a supplementary cost for these 2 nights. If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader, one or more support vehicle drivers (on Days 1, 2, 7 and 8), and a team of pack-animals and their handlers during some of the trekking days.

## Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

## Spending Money

Approximately £150 should be allowed for miscellaneous expenses including your bar bills and reasonable tips to the support crew. If you intend to buy expensive souvenirs, you should budget accordingly. Albania's unit of currency is the Lek. ATM machines are available at Tirana Airport, in Shkodra and in Kruja. Credit cards can be used to purchase goods and services in some shops, hotels and restaurants in Albania.

## Guidance on Tipping

Tips do not form part of the wages of local staff but they are very much appreciated. It is important to remember that tipping is voluntary and should be dependent on good service. It is best if the tip is given at the end of the trip by the group as a whole. We recommend that each group member contributes around £25 and that tips are then distributed between the guide and support staff as the group feels is appropriate.

## **Baggage Allowance**

Baggage will be transported between overnight stops by vehicle, other than on day 5 when it will be transported by mules. There is no weight restriction other than that imposed by your international carrier but we do ask you to limit your luggage to one piece which weighs no more than 15kgs plus your day pack. For this holiday we recommend a soft holdall or rucksack (not a suitcase) which is easier to secure and more comfortable for the mules.

## **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

## **Flight payment**

The LAND ONLY dates and prices are for the itinerary joining in Tirana. For clients making their own flight arrangements, Tirana Airport is the most convenient for transfers to the group hotel. Please refer to 'Joining Arrangements and Transfers' in the trip dossier for further details.

Flights SHOULD NOT be booked until you have received your booking confirmation and the trip is showing 'Guaranteed to Run' or 'Limited'.
