# Introduction

Explore Kazakhstan's remote Central Tien Shan "Celestial Mountains" on this nine-day trekking expedition, which crosses six high passes (between 3150–3780m), follows ancient caravan routes, and camps beside crystal clear alpine lakes. Supported by pack-horses and crew, you'll walk with just a light daypack, surrounded by some of the world's most striking mountain scenery.

Starting from Almaty, we follow shepherds' trails along streams and lakes into a largely untouched part of the range, where you may be lucky enough to spot the elusive snow leopard in some of the more remote valleys. Highlights include meadows bursting with wildflowers, breathtaking views of Khan Tengri (7,010m) and other snow-capped peaks and nights. We'll experience the wild beauty of the Central Tien Shan, making this an unforgettable adventure in the heart of Central Asia.

## Is this holiday for you?

A unique trekking expedition through a remote part of Central Tien Shan Mountain Range. This area is rarely visited with some places remaining completely untouched by humans. This is a fully-supported camping trek with an experienced leader, full support crew and horse caravan. You will need to be fit and used to walking consecutive days up to 7 or 8 hours. Large sections of the route are on faint trails and pathless terrain, which will lead us over six high passes all above 3,000 metres including some steep ascents and descents and several river crossings.

Kazakhstan has vast, sweeping, expanses of wild countryside to explore, making it the perfect adventure travel destination. Tourism is very much still in its infancy here, making this a perfect time to visit, but this does mean that the tourist infrastructure is still limited. Unexpected changes are possible and it is important that you bring along your spirit of adventure.

At the end of the trip there will be a single group transfer to Almaty Airport timed to meet the check in for the preferred group flight. Clients not arriving at the same time as the preferred group flights should make arrangements to meet the group at the hotel in Almaty at breakfast time on Day 1. Independent transfers to the group hotel can be arranged in advance at extra cost, through the KE Office. Clients booking a Land Only Package MUST provide the KE office with full details of their flights.

Hotel contact details and an emergency number will be provided with your final confirmation letter.

## Meal Plan

All meals included.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

### Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

If you are looking to sample local cuisine during your holiday you can expect to eat a lot of meat (mutton and horse are the most common) and dairy products. Beshbarmak, a dish consisting of boiled horse meat or mutton, is perhaps the most popular Kazakh dish. The meat is boiled and served in a bowl with pasta and a meat broth. Soured milk is a common ingredient and 'Kumis' (fermented mare's milk), also known as 'milk champagne', is a popular beverage amongst the nomads. Do not worry if this is not for you, international drinks and dishes will also be available in local cafes and restaurants where we will dine.

The food served during the camping section will be a mixture of local and international dishes, with ingredients purchased locally and cooked for us by well-trained camp cooks. Please note that vegetarianism is not a concept widely understood in Central Asia and choices for vegetarians will be much more limited. If you are vegetarian please remember to inform us of your dietary requirements before you travel. You may also wish to bring along some snacks from home to use during the course of your walking days.

### Accommodation

We will spend 2 nights at a comfortable, centrally located hotel in Almaty. All rooms are en suite. All accommodation is allocated on a twin-sharing basis. If you are travelling by yourself you will be paired up with another single client of the same sex.

The second night of the trip is spent at Karkara Basecamp, a fixed tented camp with a dining hall, bar and shower facilities. Once on trek we spend a total of 7 nights camping in roomy 2-person tents. There is also a dining tent and toilet tent. The support team will prepare hot water for washing at each camp but there will also be a hot shower available on Day 7.

Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning to extend your holiday additional nights are available on request.

### Group Leader & Support Staff

The group will be accompanied by a KE leader, together with an experienced English-speaking local guide. During the trek, there will be a local trek crew including a team of porters and horses for support.

## Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

## Spending Money

Approximately \$150 should be allowed for miscellaneous expenses and you should take this money in the form of US dollars. Credit cards will not be accepted outside of Almaty. You should allow \$80 for trek staff tips. Outside of Almaty, there is little opportunity to spend anything and all meals are included. If you are intending to buy expensive souvenirs, you should budget accordingly.

## Guidance on Tipping

Tipping is expected in Kazakhstan, although you should only tip for services which are well done. The total amount that you can expect to pay in tips for your local guide, trek crew and drivers is approximately \$80 (in local currency). Your KE leader will help to coordinate these payments and decide on an appropriate level of tipping for each crew member.

## Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft bag such as waterproof duffel bag, and a day pack. The weight of your duffel bag whilst on trek should be no more than 12kg. Any items not required on trek (travel clothes etc. ) can be left at the hotel in Almaty. For international flights please check your baggage allowance with your airline.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (see *Health & Vaccinations below*), **and visas for your holiday**. Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

UK, USA and EU countries do not require a visa to visit Kazakhstan as a tourist for a period of up to 30 days. Other nationalities should check the requirements directly with their own government travel advice, or with the Kazakhstan embassy in their own country.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

### Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

## Currency

The unit of currency in Kazakhstan is the Kazakhstani Tenge.

## Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience. You should be aerobically fit and comfortable with walking 4 to 6 hours for consecutive days, with the occasional longer day. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

## Climate

Daytime maximum temperatures will generally be between 20°C and 25°C, falling to between 5°C and 15°C at night (0°C at the higher camps). In the mountains we can expect to encounter cool and windy conditions and some additional clothing layers are needed. During the time we have chosen to travel you can expect warm days with clear skies and little rain or snow. However, weather in mountainous areas is notoriously difficult to predict and short-lived storms can occur at any time of the year. In short, you need to be prepared for everything!

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](https://www.gov.uk/travelaware)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](https://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](https://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
