## Introduction

Explore the landscape that has inspired many myths and legends on this one-week self-guided cycling holiday in the Sognefjord, Norway. Begin your trip in Bergen, known as the Gateway to the Fjords, bursting with character from the medieval timber buildings of Bryggen to its lively fish market. On your bike, you can experience even more as you pedal around Bergen's historic neighbourhoods.

Yet soon, sailing up the coast and into the Sognefjord, you will feel a world away from the bustling city. Now it is time to immerse yourself in a different side of the Norwegian way of life, as you pedal through the breathtaking panoramas of the fjords. Experience a landscape full of contrasts in Norway's oldest fruit-growing region, passing quaint orchards and stunning waterfalls with the majestic backdrop of steep-sided peaks that plunge into the dramatic, shifting colours of the fjords.

Riding around 40km each day - with one longer day of around 60km - on predominantly flat, quiet roads and cycle paths, you have plenty of time to pause whenever and wherever you like. Perhaps you will linger at the fascinating medieval stave churches at Vik and Urnes, stop off to sample the delicious local fayre, gaze in awe at waterfalls, and pause for dips in the fjord - remember to bring your swimming costume!

Staying in a lovely selection of typically Norwegian 3-star and 4-star hotels, you can look forward to a warm welcome at the end of each day, and staying in some locations for two nights allows you to relax and really absorb the spirit of the villages, as well as make good use of your hotel's facilities.

### **Is this holiday for you?**

If you are seeking tranquillity, warm hospitality, and breathtaking scenery, you will find it all on this self-guided walking holiday in Norway. Discover the characterful city of Bergen, with its excellent connections from UK airports, before experiencing the magnificent Norwegian fjords. Cycling an average of around 40km a day (with one longer day of around 60km) on mostly flat, quiet cycle paths and roads, you will be rewarded with stunning panoramic views over the dramatic Sognefjord whilst being surrounded by orchard-lined shores, picture-perfect villages, and dramatic soaring snow-capped peaks. You will have plenty of time to enjoy dips in the fjord and dining on the wonderful local produce including fish, venison, fruit, cheese, juices, cider and fruit wines, as well as visit one of the last remaining stave churches in the world, at Urnes. Staying in a selection of 3-star and 4-star hotels, you will be greeted by a warm Norwegian welcome at the end of each of your days out exploring on two wheels.

## Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

This trip starts at your hotel in Bergen. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Bergen Flesland Airport, with many departures from UK regional airports. If you are flying to Bergen Flesland Airport, you can reach Bergen city centre by bus, tram, or taxi.

The airport bus ('Flybussen') takes approximately 20-30 minutes with departures every 10 minutes at busy times, otherwise every 20 minutes. You can find the bus just outside the Arrivals hall.

The City Light Rail service takes approximately 45 minutes, and is the cheapest option.

Several taxi companies also operate from Bergen Flesland Airport, with fares for travel to the city centre around NOK 500-600.

Please see this link for the latest information about the airport bus, City Light Rail, and taxis from Bergen Flesland Airport into Bergen: <https://en.visitbergen.com/visitor-information/travel-information/getting-here/to-bergen-by-plane/bergen-airport-flesland-to-bergen-city-center>.

An alternative arrival option is to fly to Oslo Airport, from where you can travel by train to Bergen on what is possibly one of the greatest railway journeys in the world. First, take the train from Oslo Airport to Oslo Central Station, then another train from there to Bergen Central Station. First, from Oslo Airport, take either the Flytoget Airport Express train (takes around 20 minutes with departures every 10 minutes) or the cheaper VY train (takes around 25 minutes, with around 3 departures per hour). Please see the information at this link for the latest information about Oslo Airport trains: <https://avinor.no/en/airport/oslo-airport/to-and-from-the-airport/train-buss-and-taxi/trains>. After this, the main train journey takes approximately 6.5 hours and allows you to see much more of Norway's magnificent landscape, tiny villages, and crystal-clear lakes - provided you travel in daylight hours of course. Please see this link for the latest VY train timetables <https://www.vy.no/en>.

The trip ends in Sogndal from where it is possible to take public transport back to Bergen Airport. Take the train from Sogndal Skysstasjon to Voss Stasjon, and then a bus to Bergen Busstasjon. From there take the metro to the airport. The whole journey takes around 4-5 hours. Alternatively, you could take the ferry from Sogndal to Bergen, giving you the opportunity to enjoy the fjord from a different perspective. For more details about all of the above, please visit [www.rome2rio.com](http://www.rome2rio.com).

We can also arrange additional nights' accommodation in Bergen before or after your self-guided trip, or you may even wish to make this trip part of a bigger trip of your own, or pair it with one of our other holidays - just ask our Sales Team for details.

## Meal Plan

This trip is on a bed and breakfast basis and we have included the evening meal on five days (days 2, 3, 4, 5 and 6) where there are fewer options for dining out locally.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your diet with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

If you were to sum up Norwegian cuisine in a few words, it would be wholesome, local, seasonal, traditional, and sometimes a little unusual. Few places in the world can offer meat and fish with such freshness, and whilst the nation may have been built on its dried fish export (Torrifisk), there is much more to its cuisine. Countrywide you can look forward to excellent game, with moose, reindeer reared by the indigenous Sami people, deer and grouse all featuring on menus, accompanied by seasonal vegetables and Raspeball (potato dumplings). Fish, of course, remains a staple thanks to fishing in the region's deep seas and dramatic rivers and lakes, with fresh king crab, Arctic cod, and cured salmon in abundance - and all perfect with fresh Grovbrod (a hearty whole grain bread) or with griddlecake and pickled vegetables.

Here in the Sognefjord, you'll find plenty of excellent fish - including some of Norway's best salmon, fished locally in the Aroy River near Barsnesfjord - and locally sourced venison. Fans of cheese, and perhaps those with a more adventurous palate, will delight in the famous brown 'Gamalost' cheese produced in Vik.

Norway also has plenty of sweet treats, such as delicious warm waffles served with fresh berries and jams - and in Sogn, Norway's oldest fruit-growing area, these often come from the fruits slowly ripened in the local area. Perhaps you'll enjoy a tasty Trollkrem dessert (lingonberry cream) - named after the Norwegian Trolls - washed down with a locally produced cider. Tasty!

## Accommodation

For this trip, we have chosen a lovely selection of traditional Norwegian 3-star and 4-star hotels, including the renowned Kviknes Hotel in Balestrand and the Walaker Hotel in Solvorn.

Each accommodation throughout the trip offers a fantastic breakfast to fuel your rides, a warm welcome, and plenty of charming features including communal areas where you can relax after a busy day exploring. Staying in some locations for two nights at a time means that you can really relax and enjoy the tranquillity of the fjords and make the most of your accommodation's facilities.

It is possible to arrange additional nights' accommodation in Bergen before or after your trip if you would like to explore this fabulous city a little more, or in Sogndal at the end of your trip - please ask our Sales Team for more information.

Please note that hotels are subject to availability and an alternative of a similar standard may be offered.

## Bike Hire

Bike hire is included in the cost of this holiday.

Bikes on this trip are 24-speed Scott hybrid bikes with 29" wheels, front suspension and hydraulic disc brakes. Bikes come in two different frame types - unisex bike frame or male bike frame. Bikes with unisex step-through frames are suitable for riders who are between approximately 150cm and 185cm tall; bikes with male bike frames with a crossbar are suitable for riders who are between approximately 160 and 205cm tall. If you are of a height that would allow you to use either bike frame and would prefer a specific bike frame, e.g. a male bike frame, please request this when making your reservation with our Sales Team.

All bikes come equipped with Ortlieb waterproof rear panniers for your daily essentials, plus bike lock, light, bottle holder, pump, repair kit, inner tube, tyre levers, and first aid kit. We include a helmet with your bike on this trip but we strongly recommend you bring your own helmet for the best comfort.

We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts as whilst the cycling is leisurely and there are plenty of opportunities to stop and explore, it is always nice to have some padding for a more comfortable ride.

## Upgrade to an E-bike

If you are looking for an extra boost whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills and travel further with less effort and more comfort.

E-bikes are suitable for rider heights between approximately 150cm and 205cm and are available with a step-through frame (rider heights approx. 150-185cm) or with a crossbar (rider heights approx. 160-205cm).

E-bikes are available on this holiday at an additional supplement of £260. Please request this upgrade option from our Sales Team at the time of booking.

## **Baggage Allowance**

Your main luggage will be transferred between each of your hotels while you are out on your ride. We ask that you please ensure that each piece of your luggage is under 20KG and that your luggage is ready for collection in the morning on the day of each hotel change. You will also need a daypack to carry your daily essentials with you whilst you are cycling.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see *Health & Vaccinations* below), and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

On holidays to more remote areas you should also have a dental check-up.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates.**

**Please check the [FCDO](#) and [Travel Health Pro](#). For all of your intended destinations for up-to-date advice.**

### Severe Allergies:

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips.

## Currency

The unit of currency in Norway is the Norwegian Krone.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. You should be comfortable with cycling an average of around 40 km a day, with one longer day of around 60km, on good cycle paths or roads. We advise you to dust off your bike and head out on a few rides before your holiday.

## Climate

Temperatures around the Sognefjord are dictated by the ever-changing landscape. You'll find wetter weather at the mouth of the fjord, milder climates along the shores (perfect for the many orchards that support the production of delicious jams and ciders), and cooler, breezier conditions just above the fjord. Be sure to pack a range of warm layers and waterproofs to cover all eventualities! Temperatures average between 8-15 degrees centigrade in May, and the summer months are warmer with August temperatures averaging between 13-19 degrees centigrade.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Books

Lonely Planet Norway

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
