Introduction

Spend a week in two of Northern England's most picturesque counties. This walking holiday is all about hiking through the absolute highlights of Northumberland and the English Lake District. You'll visit a roman hillfort built into the line of Hadrian's Wall, and discover the sacked 8th century priory on Lindisfarne. You'll take in sweeping coastal views, and climb the rolling hills of the interior of the county and wander through the gardens of Alnwick Castle before making your way over to the west coast. Once arriving in the Lake District you'll head into the dramatic mountain bowl of the Buttermere Valley; climb to the summit of Cat Bells above the shores of Derwent Water, and discover one of the Lake District's most stunning waterfall, Aira Force.

Is this holiday for you?

This holiday is suitable for fit weekend walkers. We hike at a good pace and you can expect to be out for 6-8 hours a day. You will mostly be on a path but the terrain underfoot may sometimes be rough and boggy, including boulder fields and mountain tops. Some of the daily hikes will involve a mountain ascent of over 500m high. Daily distances will be typically up to 13km but may be longer occasionally. Daily hike details are available in the itinerary. The weather in Northern England can be unpredictable and at times can make activities more challenging.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

On this trip, we generally eat dinner as a group however if you would like to make alternative arrangements you are free to do so. Your guide will have an evening off during this trip where they do not eat with the group. They will recommend options for dinner that evening and will help you make any necessary reservations.

Accommodation

This trip features welcoming and quality accommodations including a traditional guest house hotel and an elegant Victorian hotel. Accommodation is a choice of double or twin rooms with ensuite facilities.

Group Leader & Support Staff

A professional and appropriately qualified guide.

Baggage Allowance

There is no weight limit for your luggage on this holiday, however you will need to be able to lift and move your own luggage easily.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Climate

The UK has a temperate climate. The weather in the Lake District and Northumberland can be unpredictable and it is not uncommon to experience four seasons in one day at any time of year. March to October is great for walking. Late spring/early summer tends to offer the driest weather, with July and August being the warmest months.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.
