# Introduction

---

Straddling the districts of Garhwal and Kumaon, close to the Nepalese border, Nanda Devi (7817m) is the geographical and spiritual high point of India. After sightseeing in Delhi, our trekking holiday in the area of this sacred mountain begins on the train to Kathgodam and continues by road to the village of Supi. Trekking from the valley of the Ram Ganga to finally reach the Gauri Ganga in the east, our route is rich in interest, passing through a delightfully scenic and unspoiled corner of the Indian Himalaya. Traversing alpine meadows and crossing high passes, we have panoramic views of the clustered peaks of the Nanda Devi Sanctuary and of the adjacent Panch Chuli group. This is a delightful trek through a beautiful and unspoilt corner of the Indian Himalaya with excellent green campsites. Visits to several villages and shepherds' camps provide a wealth of cultural interest and help to make this a wholly memorable trekking holiday in an area visited by few adventure travellers.

## Is this holiday for you?

This is a very beautiful 9-day trek, in an area seldom visited by other trekkers. The average day's walk will be between 5 and 7 hours - although during the day's trek along the Sudam Khal Ridge we could be walking for 8 or 9 hours. Generally the route follows ancient trade routes and village connections that offer very good walking conditions, but there are some sections of looser ground. There are several passes to cross during the trek which does make the trip quite challenging within its grade. Overall this is an excellent walking holiday, both for experienced trekkers who want to travel in a little-visited region and also for well-prepared novices looking for a short, but reasonably demanding trek.

Traveling from Delhi on the express train and returning by private vehicle, our one-day extension to Agra is perfect for those with limited time who wish to complete their India experience with exploring one of the most admired and loved buildings on the planet.

## Meal Plan

All meals are included in the holiday price from lunch on Day 1 to breakfast on Day 14 of the Land Only itinerary.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

### Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

The food served during the trek is a mixture of local and Western, mostly purchased locally and cooked for us by highly trained trek cooks. The emphasis is on providing a high-carbohydrate and largely vegetarian diet, which we have found to be easily digestible at high altitude. In Delhi, we take our meals in the group hotel or in nearby restaurants. All meals while on trek and while staying in hotels are included in the trip price.

## Accommodation

There are 2 nights in Delhi hotels - the first night at a central hotel and the last night at a hotel near the airport. We will also have one night at a simple hotel in Kausani and one night in a guesthouse near Almora on the return drive to Kathgodam. On trek, there will be a total of 9 nights camping. All accommodation is allocated on a twin-sharing basis. If you are travelling by yourself, you will be paired up with another single client of the same sex. It is possible to hire a single tent while on trek. Depending upon availability it may be possible to arrange single rooms in hotels. For additional hotel prices and single supplement costs please refer to the dates and prices page of the trip on our website.

## Group Leader & Support Staff

The holiday will be led by an experienced English-speaking trek leader, assisted on trek by a team of local guides and camp staff plus baggage animals and their handlers.

## Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

## Spending Money

Approximately £200 (or equivalent in euros, US dollars etc.) changed into local currency, should be allowed for miscellaneous expenses, including trek crew tips, soft drinks, etc. It is not necessary to purchase local currency (Indian Rupees) before you travel. We recommend taking your personal spending money in cash since you will be changing the majority of this into local currency on the day of arrival. Sterling, US dollars and euros are readily exchanged in Delhi. Credit cards can be used to purchase many goods in Delhi and are particularly useful for more expensive souvenirs. It is also possible to withdraw cash (rupees only) from cash machines in certain banks in Delhi using credit and debit cards.

## Guidance on Tipping

Tipping is the accepted way of saying thank you for good service. Normally the trek staff are given their tips at the end of the trek and this is best done as a group and with a simple ceremony. Your tour leader will advise the group on an appropriate level of tipping. As a guide, we recommend that each group member contributes around £80 (in rupees) to these tips - although the amount you give is entirely up to you. At the end of their trek many people also like to donate various items of equipment to the trek staff who work so hard to make the trip a success. Boots, gloves, hats, scarves and even socks are always warmly received. Please note that you will have the opportunity to tip your tour leader separately (and additionally) during dinner on the final evening of the holiday.

## **Baggage Allowance**

For this holiday you should take one piece of luggage, which should be a soft and sturdy duffel bag, and one day pack. Your baggage on trek will be carried by pack animals. The packed weight of your bag whilst trekking should be no more than 15 kgs. It is possible to leave clothes or other items not required on trek with our team in Delhi, who will ensure your luggage is waiting for you at the final hotel.

## **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see *Health & Vaccinations* below), and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

### Visa India

Most nationalities, including travellers from the UK, the USA and many European countries can apply for their Indian Visa online through the **E-Visa Application** process. You must make your application at least four days prior to departure. Please download the detailed information document for details of how to apply for your visa: [Visa India PDF](#)

NB. The application process can be temperamental and we suggest you try a different browser (Firefox is known to work) if your application does not at first go through.

### e-Arrival Card - Important

Separately and additionally, foreign nationals must now complete an e-arrival card to present at immigration on arrival in India along with their e-Visa. This digital form replaces the paper disembarkation card (which will continue to be available on your flight or on arrival until March 2026). The digital e-Arrival form is found here <https://indianvisaonline.gov.in/earrival/> It should be completed **within the 3 days prior to your arrival in India.**

### Sikkim

If you are joining one of our Sikkim Beneath Kangchenjunga (SIK) groups, we will ask you to complete a Sikkim Permit form approximately 20 days before you travel. You will need your Indian Visa details for this form. A 30-day E-Tourist Visa can be applied for within 30 days of travel and will usually be processed within a couple of days. As an alternative you can apply for a 1-Year E-Tourist Visa within 180 days of travel. DO NOT MENTION SIKKIM in 'Places to be visited' when you make your application.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. On holidays to more remote areas you should also have a dentist check up. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. In addition you should check whether any specific vaccinations are needed to the regions that you are travelling to. A good online resource is [Travel Health Pro](https://travelhealthpro.org.uk).

### Malaria

Malarial prophylaxis is not usually required for trips in the mountains, however if you are visiting rural and remote low lying areas then they might be necessary.

### Dengue Fever

Dengue fever is a known risk in places visited. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you [take precautions to avoid mosquito bites](#).

### Zika Virus

Zika virus has been confirmed as active in this country. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you take the usual precautions to avoid mosquito bites. The mosquitoes that transmit ZIKV are unlikely to be found above 2,000m altitude. For more information, visit the website of the National Travel Network and Centre (NaTHNaC) at <https://travelhealthpro.org.uk>.

### Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

### Currency

The currency of India is the Indian Rupee.

## Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a trekking holiday, getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. For this trip you need to be aerobically fit and also comfortable with walking up to 7 hours each day. We would suggest that you adopt a weekly exercise regime leading up to your trip. Regular hiking in hill country is the best training but jogging, squash and swimming are also good for developing cardio vascular fitness and stamina. Before departure, we suggest that you try to fit in a number of long walks in hilly country.

## Climate

The best time to trek in the Indian Himalaya is either before or after the monsoon which lasts from June to September. The weather conditions should be broadly similar in the pre and post monsoon seasons, with daytime maximum temperatures around 25°C - 30°C at the start of the trek, becoming progressively cooler as we gain height. Night-time temperatures will generally be above freezing throughout the trip except for the high camp on the ridge where night time temperatures may be as low as minus 5°C. During the Spring trip in particular, there is the possibility of encountering winter snow high on the ridge. In this part of the world, most of the rainfall occurs during the monsoon but this is a mountainous area and short-lived storms bringing rain or snow cannot be ruled out at any time of the year.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
