## Introduction

Our route takes us along the Causeway Coastal Route and the Giant's Causeway, collectively rated the world's best region to visit in 2018 by Lonely Planet, along the northern edge of Ireland to the dramatic mountains and glens of the Donegal, finishing at Slieve League, some of the highest sea cliffs in Europe.

### Is this holiday for you?

This holiday is suitable for leisurely walkers able to cover around six miles of smooth but often unpaved terrain. This trip includes regular five and six mile walks in usually undulating but never severe coastal areas over generally good terrain. Walks will last around 2-4 hours at a leisurely pace and include cultural stops along the way. You'll return each day from your walks to a comfortable and pleasant guest house or hotel.

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

This trip features accommodations chosen for their excellent location, service and comfort. All accommodations provide breakfast. Whether you're looking for the liveliness of a traditional Irish music session or the sound of the crashing waves, all the accommodations we use on the Causeway Coastal Route & Donegal Hiking Trip play an exciting part in your journey through the northern part of the Emerald Isle! We do not charge single person supplements to people booking on their own. However, you will be expected to share a room with another person of the same sex. If you specifically require a single room you will have to pay the single supplement charge of €300 but this is subject to availability.

## Group Leader & Support Staff

The group will be led by an experienced and qualified leader.

## **Baggage Allowance**

There is no weight limit for your luggage on this holiday, however you will need to be able to lift and move your own luggage easily. There is also limited room in the transfer vehicles, and so one bag to be transferred and one day pack per person is ideal.

## **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice for each country visited before travel.

## Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

## Currency

In Northern Ireland, days one and two, pound sterling (GBP) is used. From day three onwards, use the Euro in Ireland. Make sure to carry both currencies with you for this trip.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](https://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](https://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
