Introduction

With its breath-taking mountain ranges, rich alpine meadows, mountain flowers, charming villages, medieval towns, vineyards and olive groves, the wild and dramatic Garfagnana is one of Italy's best-kept secrets and the perfect region for an Italian walking holiday. Fondly known as Wild Tuscany, this jaw-dropping landscape is home to the striking peaks of the Alpi Apuane and Apennine mountain ranges. This stunning area is also known for its mouth-watering food, which we'll enjoy alongside picnic lunches bursting with fresh and colourful local produce. Our home for the week is a renovated organic farm, complete with a swimming pool and acres of colourful meadows, vineyards, a vegetable garden, and woodland to explore. Each day we will follow ancient trading routes through dense chestnut and beech forests before emerging onto the high alpine pasture to scale some iconic craggy peaks overlooking the sea. During the week, there'll be time to visit the exquisite walled gem of Lucca with towering walls, elegant piazzas and a magnificent cathedral. This excellent walking holiday combines fantastic food, wonderful accommodation and excellent walking to show you the very best of Italy's Wild Tuscany.

The wild tuscany FARM and Villa experience

A holiday highlight is our traditional accommodation nestled in the heart of the Tuscan hills. This organic farm is a little piece of Italian heaven with over 100 olive trees plus colourful orchards of apple, apricot, pear and quince. Lying abandoned for over 30 years, the farm has been lovingly restored by your hosts and is now brimming with colour. The surrounding meadows and gardens are home to ducks, hens, goats, sheep and cats, plus fireflies, squirrels, deer and badgers. Hidden in the garden is a refreshing pool cleaned with a unique salt water system. Each relaxing bedroom room is decorated in calming Tuscan colours whilst living rooms have chestnut beams, terracotta tiles, board games, books and an honesty bar for a drink in the evening. Each delicious dinner includes fresh ingredients from the farm gardens and is very much a social affair. Picnic lunches are taken along the trail and are made up of tasty treats.

Is this holiday for you?

This lovely holiday is centre-based making it ideal for anyone who likes a walking holiday with the option to opt in and out of the walks. The Garfagnana is a wild alpine region and provides the perfect opportunity to enjoy a more dramatic side to Tuscany combined with some wonderful cuisine. Each day

we'll enjoy circular walks which involve ascents and descents of between 500m and 1000m. Daily walks are between 5 - 7 hours on well-established trails. Given that each walking day is optional we have rated this holiday as grade 5. On the free day you can relax around the pool and enjoy the garden or take the short transfer on the train to the beautiful city of Lucca. A major highlight of the holiday is evenings spent socialising whilst enjoying some excellent home-cooked food.

Joining Arrangements & Transfers

Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive that low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at our villa accommodation.

A single timed transfer from Pisa Airport to the villa will be provided on Day 1. The transfer takes approximately 1hr and will depart the airport at around 1500. If you are arriving later it is straightforward to travel from the airport to the local town of Barga-Gallicano by train. We can arrange for you to be met at the station and taken the villa.

On the last day of the holiday, there will be a single transfer back to Pisa Airport, which will depart after an early breakfast, arriving at the airport around 0900.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy.

If you have spare time in Pisa on Day 1 or Day 8, why not visit Pisa and its famous leaning tower. There are left luggage facilities in the airport and there is a regular shuttle service to Pisa Central Station, which takes just 5 or 10 minutes.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts, 5 lunches and 5 dinners are included in the holiday price.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Italian food is a highlight of any holiday to the country and in the Garfagnana you'll be spoilt for choice. Alongside wonderful Tuscan hospitality you'll be treated to an amazing variety of dishes. Picnics contain tasty treats such as fresh salads, wonderful breads and cheeses. Evenings meals are all home-cooked and freshly prepared by your hosts, who make use of produce in their garden. The region's olive oil is absolutely wonderful and most people apply it to food just before tasting. It is also delicious drizzled over vegetables, cheeses and fresh bread. Spelt is popular in Tuscan cuisine and was a favourite food of the Romans. It is still ground in old stone mills and added to local dishes and soups, not only is it delicious, but it's healthy too.

Castagnaccio is a traditional cake made from chestnut flour and eaten all year round, warm or cold. Pecorino cheese has been produced for centuries using sheep's milk. As it demands a high quality of milk, the sheep are free-ranging on the mountain pastures and it is said that the cheese has the flavour of alpine grasses. Legumes and beans are also an important part of Tuscan farming traditions and sometimes it's hard to choose between almost 23 different types! You'll find pasta served with a wide variety of sauces and of course Italian pizza. It's not only the food that Italy is famous for so make sure you try the excellent Italian wines and fiery after dinner grappas.

Accommodation

Our base for this week of walking is a beautiful villa and refurbished farmhouse overlooking the Serchio valley.

Woodland, traditional field terracing, a vineyard, olive groves and orchards surround the accommodation. The farmhouse has chestnut beams, exposed stonewalls, terracotta tiles, a covered breakfast terrace, and a vine clad dining terrace with huge rustic table and benches. The relaxing sitting room has a log burner, board games and books.

In the main building each of the five beautiful bedrooms has high ceilings. Although bedrooms are not en-suite, there are 3 spacious and luxury bathrooms, with walk in showers, to ensure comfort.

The apartment of La Stalla has a further two bedrooms, a large family size bathroom with an enormous walk-in shower and a lovely sitting room with log burner and books.

The garden has an open-air 12m x 6m swimming pool, which is purified with salt rather than chlorine, and is surrounded by wooden sun loungers and chairs. Solitude can be found in the garden alongside a hammock overlooking the vines.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

Spending Money

Most meals are included in the holiday price so In total we would expect 150 - 200 Euros to cover all miscellaneous personal expenditure and non-included meals. If you plan to visit Lucca on your free day you'll need to budget 20 - 30 Euros for the train fare.

Baggage Allowance

There is no weight allowance on this holiday other than that imposed by your airline. However, we ask you to restrict your luggage to one main bag and a small day pack.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on an active holiday, getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. The best preparation for a trip of this nature is regular walking preferably in the mountains. If regular hill-walking is not possible, a weekly exercise regime (jogging, squash or swimming) will develop cardio-vascular fitness and stamina. Regardless of your excersice regime, we suggest that before departure, you try to fit in a number of long walks in hilly country.

Climate

Tuscany's climate is part of its appeal to holidaymakers and for walking May, September and October are the best months to visit with predominantly warm days and cooler evenings. At the Garfagnana valley is mainly mountainous, it is best to be prepared for all weathers.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's **'Travel Aware'** campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. All other nationalities should check their government websites for relevant information.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
