## Introduction

---

On this exciting 2 week trekking holiday we'll discover the south-eastern corner of Kazakhstan, through exploration of four of the region's most wild, remote and diverse national parks. This itinerary is crammed full of distinct landscapes and contrasting cultural experiences, from the icy Tien Shan Mountains to the red stone Charyn Canyon, and from the bustling café culture of old-town Almaty to the yurt dwelling nomads of the Assy plateau. We begin in the Ile-Altai National Park, south of Almaty city. Here, we'll trek across the Kok-Zhailau plateau and hike alongside the magnificent Bogdanovich Glacier, for sweeping views of the northern Tien Shan. Moving east we spend 2 days trekking on shepherd's trails across the wild Assy Plateau; we'll pass scattered yurt camps belonging to nomadic Kazakh shepherds, busy tending their sheep and horses, and may even be invited to try some kumiss (fermented mare's milk). There'll be some great wildlife spotting opportunities as we descend from the plateau through the wild flower filled meadows of the Zhenishke Valley. Next, we spend 2 days in the Kolsay Koldari National Park learning why its collection of alpine mountain lakes are known as the 'Pearls of the Tien Shan'. Crossing into the desert regions we'll explore the spectacular red rock formations of the Charyn Canyon. The grand finale of our Kazakh showcase will be a visit to the multi coloured Aktau Mountains and a chance to experience the mysterious 'singing sand-dune' of the Altyn-Emel National Park. With sightseeing in Almaty, a chance to see the magnificent 'Golden Man' and the opportunity to watch an exciting horseback display also on offer, this holiday will give you a real taste Central Asia.

### Is this holiday for you?

This holiday will take you on a circular journey through 4 of Kazakhstan's most wild and wonderful national parks, which we will explore through a mix of full trekking days, shorter walks, sightseeing and cultural experiences. On our trekking days you can expect to be hiking for on average 6-7hrs a day, with around 600-700m of ascent and descent, and we will also have a couple of days with shorter walks of 2-4hrs. This is a holiday crammed with magnificent contrasting landscapes, and as such you will need be prepared for walking on a variety of terrain, from glacial moraine and coniferous forest paths to grassy plateaus and sweeping sand dunes. Accommodation will be a mix of comfortable hotels and more simple mountain lodges and guesthouses. There will also be 3 nights full service camping. Kazakhstan has vast, sweeping, expanses of wild countryside to explore, making it the perfect adventure travel destination. Tourism is very much still in its infancy here, making this a perfect time to visit, but this does mean that the tourist infrastructure is still limited. Unexpected changes are possible and it is important that you bring along your spirit of adventure.

### Meal Plan

All meals are included in the holiday price.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

### Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

If you are looking to sample local cuisine during your holiday you can expect to eat a lot of meat (mutton and horse are the most common) and dairy products. Beshbarmak, a dish consisting of boiled horse meat or mutton, is perhaps the most popular Kazakh dish. The meat is boiled and served in a bowl with pasta and a meat broth. Soured milk is a common ingredient and 'Kumis' (fermented mare's milk), also known as 'milk champagne', is a popular beverage amongst the nomads. Do not worry if this is not for you, international drinks and dishes will also be available in local cafes and restaurants where we will dine.

The food served during the camping section will be a mixture of local and international dishes, with ingredients purchased locally and cooked for us by well-trained camp cooks. Please note that vegetarianism is not a concept widely understood in Central Asia and choices for vegetarians will be much more limited. If you are vegetarian please remember to inform us of your dietary requirements before you travel. You may also wish to bring along some snacks from home to use during the course of your walking days.

## Accommodation

We will spend 3 nights at a comfortable, centrally located hotel in Almaty, 2 nights in a hotel in the Ile-Alatau National Park, and in Saty Village and Basshiy we will stay in simple guesthouses. All rooms are en suite.

There will also be a total of 3 nights camping. Whilst camping we use roomy 2-person tents and there is also a dining tent, a toilet tent and a camp shower.

All accommodation is allocated on a twin-sharing basis. If you are travelling by yourself you will be paired up with another single client of the same sex.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning to extend your holiday additional nights are available on request.

## Group Leader & Support Staff

The group will be led by an experienced guide and supported by an assistant guide and full trek crew.

## Altitude

This holiday involves going to moderately high altitude. During the course of your trip you will reach altitudes in excess of 2500 metres. Most people will have no difficulty with this level of altitude but before coming on the holiday, we recommend you read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

## Spending Money

Approximately \$150 should be allowed for miscellaneous expenses and you should take this money in the form of US dollars. Credit cards will not be accepted outside of Almaty. You should allow \$80 for trek staff tips. Outside of Almaty, there is little opportunity to spend anything and all meals are included. If you are intending to buy expensive souvenirs, you should budget accordingly.

## Guidance on Tipping

Tipping is expected in Kazakhstan, although you should only tip for services which are well done. The total amount that you can expect to pay in tips for your local guide, trek crew and drivers is approximately \$80-100 (in local currency). Your KE leader will help to coordinate these payments and decide on an appropriate level of tipping for each crew member.

## Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft bag such as duffel bag, and a day pack. For international flights please check your baggage allowance with your airline.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (see *Health & Vaccinations below*), **and visas for your holiday**. Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

UK, USA and EU countries do not require a visa to visit Kazakhstan as a tourist for a period of up to 30 days. Other nationalities should check the requirements directly with their own government travel advice, or with the Kazakhstan embassy in their own country.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

On holidays to more remote areas you should also have a dental check-up.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates.**

Please check the [FCDO](#) and [Travel Health Pro](#). For all of your intended destinations for up-to-date advice.

### Severe Allergies:

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips.

## Currency

The unit of currency in Kazakhstan is the Kazakhstani Tenge.

## Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

You should be aerobically fit and comfortable with walking 4 to 6 hours for consecutive days, with the occasional longer day. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

## Climate

Daytime maximum temperatures will generally be between 20°C and 25°C, falling to between 10°C and 15°C at night. In the mountains we can expect to encounter cool and windy conditions and some additional clothing layers are needed. During the time we have chosen to travel you can expect warm days with clear skies and little rain or snow. However, weather in mountainous areas is notoriously difficult to predict and short-lived storms can occur at any time of the year. In short, you need to be prepared for everything!

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
