Introduction

Step into the heart of Mexico on an unforgettable journey through its most iconic cities, ancient ruins, lush landscapes, and vibrant cultures. From the bustling energy of Mexico City to the mystical ruins of Chichén Itzá, this curated itinerary offers a seamless blend of history, nature, and authentic local experiences.

Explore the architectural wonders of colonial towns like Puebla and Oaxaca, experience the festivities and traditions of the 'Día de los Muertos' in Mexico City and Oaxaca, hike through Zapotec highlands and jungle waterfalls, stand in awe before the mighty pyramids of Teotihuacán and Palenque, all whilst immersing in the colourful traditions of indigenous communities. Along the way, savour traditional flavours at historic restaurants, witness sacred rituals, and walk in the footsteps of ancient civilizations.

Whether you're gazing up at volcanic peaks, wandering centuries-old streets, or cooling off in hidden cenotes, every moment of this trip reveals a different layer of Mexico's extraordinary heritage. Our extraordinary journey ends on the Caribbean coast in Cancún, with the option to extend your stay and unwind by the sea.

Culture, cuisine, and natural beauty—this is Mexico like you've never experienced it before.

Also see our standard 17 day itinerary - Mexico Mayan Explorer. On this trip you have an additional day and night in Oaxaca to experience an authentic Mexican Cookery Class and hike to the waterfalls at Hierve el Agua, one of Oaxaca's geological wonders.

Is this holiday for you?

Whilst this holiday is not overly demanding from a hiking or trekking perspective it is a fast-paced and adventure packed itinerary, making the most of our time in Mexico. Inevitably when covering this distance there will be some longer driving days as we move from one region to another, these are undertaken in a comfortable, air-conditioned modern vehicle. The accommodation level on this holiday is of a good standard, all in close proximity to the sites we are visiting and many of the hotels also having

swimming pools.

There are 3 specific walking days, undertaken at moderate and high altitudes of up to 3,300m which requires a good level of fitness. The focus of these days are the sights, views and communities we travel through . The design of the itinerary allows these walks to be opted out of if required. We also have guided walking tours of the many sites and cities visited on this itinerary, so expect plenty of time on your feet! Many of the archeological sites have uneven terrain, steep stairs and unpaved pathways.

On the last day of the Land Only itinerary, there will be a single timed group transfer to Cancun Airport.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost. Taxis are also available.

The full meeting arrangements, hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts and 2 dinners are included in the holiday price. For meals not included you will have opportunity to select from local restaurants or eat in your hotel. You should budget US$10 - $30 per meal for these non-included meals.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a Water-To-Go bottle) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

Mexican food is a cuisine that is beloved worldwide for its bold and complex flavours, vibrant colours, and diverse range of dishes. Some of the most popular Mexican dishes include tacos, burritos, enchiladas, and tamales, which are all made with a variety of fresh and spicy ingredients such as chilies, tomatoes, coriander, and cumin. Mexican food also heavily features staples like rice, beans, and tortillas, which are often used as a base for many of the dishes. Whether you're looking for something savoury, spicy, or sweet, Mexican Cuisine has something to offer for every palate.

Such an important part of Mexican Culture, our itinerary explores the history and tastes of Mexican food with included meals in hand-picked traditional restaurants in Mexico City, Puebla and Merida. As well as this, there are numerous other opportunities to immerse yourself in the cuisine as we travel through regions famed for local delicacies and fresh, local produce.

Accommodation

All nights on this holiday are in good quality hotels, 6 of which have swimming pools. The hotels have been selected for their central locations when in cities - usually situated in the historic centres. When visiting the archeological sites such as Palenque, Uxmal and Chichen Itza we stay in selected hotels in close proximity to the sites, often allowing early access to the sites before most visitors arrive from the larger cities and touristic areas.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

Group Leader & Support Staff

The group will be accompanied by a professional and qualified tour leader.

Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on trekking at high altitude. You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

In addition to your budget allowance for non-included meals, we estimate that US$150-300 will be sufficient to cover your requirements including incidental expenses such as tips for drivers, local guides and helpers. There is no need to purchase local currency (Pesos) prior to travelling. It is possible to withdraw your money in local currency from ATMs in Mexico City and all major towns and most restaurants in Mexico City will accept credit cards. If you are bringing your travel money with you we recommend you bring it in the form of US dollars in cash as this provides for the easiest exchange.

Guidance on Tipping

Tipping is the accepted way of saying ‘thank you’ to your tour leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group. For full groups we advise around $40-50 per person total and have a available some smaller denomination pesos to tip for meals and other services.

Beat the Jet Lag

Our holidays are normally designed with minimal 'down time' at the start of the trip, but having a day or two at the beginning will have the additional benefit of allowing you time to get over the stress of a long journey or travelling across time zones, leaving you refreshed and ready for your holiday. We can easily arrange for you to have additional nights and airport transfers.

Baggage Allowance

There is no restriction on the weight of your luggage other than that imposed by your airline. A soft bag with wheels or a trek bag is ideal for this holiday, in additional to a small day pack for the walks where you will need to carry personal items such as clothing, food and water.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on an adventure holiday by getting some additional exercise. The fitter you are, the more enjoyable you will find the experience. Regular hiking in hill country is the best preparation but running, cycling and swimming are also good.

Climate

The climate in southern Mexico and the Yucatan Peninsula is predominantly tropical, with high temperatures and humidity year-round. Mexico City, Puebla, and Oaxaca experience a subtropical highland climate, which means they have mild temperatures with dry and sunny winters, and rainy summers. Chiapas, on the other hand, has a tropical climate with high humidity and frequent rain, particularly from May to October. The Yucatan Peninsula has a hot and humid tropical climate, with high temperatures all year round and a distinct rainy season from June to October.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's **'Travel Aware'** campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. All other nationalities should check their government websites for relevant information.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
