Introduction

Wild, remote, stunningly beautiful and rich in culture, the Jebel Sirwa offers a rare opportunity to step back in time whilst experiencing a very remote region. Nestled between the High Atlas Mountains and the Anti-Atlas, the extinct volcanic region of the Jebel Sirwa has scenery like nowhere else in Morocco. Home to fields of saffron, flower-filled pastures, stone villages and breath-taking scenery, here you'll also find the unique Ait Ouaouzguit Berber tribe. This culturally rich walking adventure follow trails which snake through an unknown region as you gain an insight into the tribe's simple lifestyle. During the holiday you'll camp close to Azib Tagrara shepherds who's nomadic lifestyle has remained unchanged for centuries. From the south side of the Jebel Sirwa range we hike to the top of Guilliz Peak before making our way through enchanting rock formations . This remarkable region of Morocco combines beautiful landscapes, strong cultures, wonderful walking and time to explore Marrakech.

A genuine small group experience - The Secret of Our Success in Morocco

We are proud to say that this holiday in Morocco is limited to a maximum group size of 12, ensuring we leave only our footprints on the trails whilst enjoying a genuine small group adventure. We've been taking our clients walking, trekking and mountaineering for almost thirty years so we know the ingredients of a good guide and a successful group adventure. Those who are new to trekking in Morocco will take particular comfort in the presence of our experienced Moroccan guides, who we believe are the best in the business.

Is this holiday for you?

This holiday is suitable for active walkers who are looking to walk for between 5 and 7 hours per day for several consecutive days. This holiday is not only a wonderful trekking adventure but a genuine cultural experience through a lesser known area of Morocco.

It is fully supported camping holiday meaning you will only need to carry your daypack. The maximum altitude is 3235m but we'll not be camping above 2500 metres so there should be no difficulty with acclimatisation.

For most of the trek, we are following well-established routes between valleys and villages which are suitable for mules and straightforward underfoot. There is a reasonable amount of ascent and descent.

At the highest points of the trek, on Guilliz Peak and on Jebel Sirwa, we will encounter rough conditions and zig-zag trails on scree, as well as possible snow patches in spring. Our high point on Jebel Sirwa is below the final, rocky spire which is not accessible to trekking groups.

When booking your holiday, you will be able to 'add an extension option'. Once we have received your booking we will contact you to discuss additional services required for the extension and to take any additional deposit.

Essaouira Riad and Atlantic Coast

Friendly Essaouira provides a beautiful base for this colouful Atlantic Coast extension which offers a fantastic start or end to our holidays in Morocco. Described as the prettiest town in the country, the UNESCO port and medina are a riot of colour and activity. To ensure a relaxing time in Essaouira we take care of private return transfers and riad accommodation for 3 nights at the comfortable Riad Maison du Sud, situated within the ramparts of the medina and just a few minutes walk from the sea. Redecorated in Moorish style, it has a snug sitting room and sunny roof terrace with views of the Mellah and the Atlantic Ocean. Joining Arrangements & Transfers

Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive that low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Marrakech.

Airport transfers are provided for all clients on Day 1 and Day 8.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included in the holiday price from dinner on Day 1 to breakfast on Day 8.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a Water-To-Go bottle) to treat your water. We do not encourage the purchasing of single use plastic bottles.

All food whilst on trek is purchased locally and cooked for us by our excellent trek cooks. KE groups are always surprised at what the cook team conjure up!

Breakfasts are continental style, with tea and coffee, muesli, bread, jam, honey and soft cheese. A morning snack is also provided and this usually consists of a type of Moroccan 'trail mix' with dried figs and dates, peanuts, sugar coated peanuts and other nuts.

Lunch usually starts with the Berber speciality of mint tea, followed by a buffet of rice, pasta or couscous, with a freshly prepared salad - onion, tomatoes, green peppers, grated carrot, green-beans, with tinned sweetcorn or peas added. Hard and soft cheeses, tinned fish, olives, biscuits and bread are also on the lunchtime menu.

Dinner starts off with soup and bread. The main course is usually rice, pasta, couscous, spaghetti or chips, with a vegetable stew (or tagine) consisting of some of the following - onion, potato, carrot, green pepper, zucchini, turnip, parsnip, green beans, and peas. There will be some meat (usually chicken, lamb or beef), however meat is not prominent in the menu. All dishes come with traditional sauces which are rarely (spicy) hot. To round off dinner, there is the usual range of hot drinks.

Accommodation

During this trip the group will spend two nights at a tourist hotel in Marrakech on an en-suite basis. While there are a range of high-end hotels in Marrakech, we try to strike the right balance of a comfortable and conveniently located base while maintaining a really good value holiday.

Whilst trekking we have 5 nights camping. This camping is fully supported with all baggage being carried by mules, as well as tents, a mess tent and a toilet tent. You will have a team of staff to look after you including a cook. A mattresses is provided, although some people like to bring their own thermarest as well. You will need a sleeping bag. Sleeping bags are available to hire, please contact the KE office to arrange this.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel or in a range of different hotels and Riad's in Marrakech are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. The group will also have the support of a full trek crew including cook, baggage animals (mules) and their handlers.

Altitude

This holiday involves going to moderately high altitude. During the course of your trip you will reach altitudes in excess of 2500 metres. Most people will have no difficulty with this level of altitude but before coming on the holiday, we recommend you read the advice on trekking at high altitude. You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

Approximately £100 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these.

You cannot usually purchase Moroccan Dirhams outside the country. You can withdraw money in local currency from ATM's on arrival at the airport in arrivals or in Marrakech. You can choose to take your money in pounds sterling, dollars or euros, and you will be able to exchange it at the airport. Credit cards are useful and it is a good idea to carry one in case of emergency.

Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and porters. They do not form part of their wages and any tips they receive are seen as a personal thank you from group members. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given.

This is your 'thank-you' to the crew and the final amount should be decided by the group. We estimate that approximately £45 per group member should provide an appropriate level of tips. However, for the leader, we leave the tipping amount totally at your own discretion.

Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft duffle bag, and a daypack. Your main baggage whilst trekking will be carried by pack animals and the packed weight of it should be no more than 12kg.

If you will have more than 12kg in your main bag:

Additional luggage can sometimes be left at the group accommodation, however space is very limited and this can not be guaranteed. You will need to speak directly with reception about leaving a bag.

There are also options in Marrakech to store a bag (such as 'MC Consigne') - if you do this, important information to note:

- The group pick up time on Day 2 is 8:30am

- At the end of the trip, you will return back to Marrakech between 4pm and 6pm (as this will be very dependant on traffic)

For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Currency

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

You should be fit and comfortable with walking 3 to 7 hours for consecutive days. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

Climate

It is generally pleasant during the time we operate this holiday with daytime temperatures reach 20 - 25°C and dropping to 7 - 10°C at night. However there are times when the night-time temperature may fall as low as 0°C or even a few degrees below freezing. While crossing passes and trekking up peaks we can expect the temperatures to be in the range of 10 to 15°C. Evenings at the highest camps can be cool so don't forget to pack a fleece jacket. We are unlikely to experience rain in this part of Morocco but it is a mountain region so it's good to be prepared for the occasional shower.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's **'Travel Aware'** campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. All other nationalities should check their government websites for relevant information.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
