# Introduction

---

Looking for an adventurous weekend filled with four days of incredible mountains, fascinating culture, a colourful city and excellent trekking? Lying south of magical Marrakech you'll find the magnificent High Atlas Mountains which is home to Mount Toubkal (4167m) and the wonderful Berber people, ensuring the perfect destination for a [Moroccan trekking holiday](#). Towering over 4000m, the Moroccan High Atlas offers a beautiful landscape dominated by the impressive peak of Toubkal. We begin in the colourful heart of Marrakech before a short drive takes us to the start of our mountain adventure. Here we pick up trails in the homeland of the Berbers and trek through towering valleys to the Neltner Refuge. From here we snake our way up to the top of Toubkal, which at 4167m is the highest point in North Africa. Standing on the summit we're rewarded with magnificent views over the High Atlas and all the way to the wonderful Sahara Desert. This Moroccan holiday is a fantastic choice for adventurous walkers who are looking to spend four days experiencing the magic of Morocco's mountains and colourful Marrakech.

## A GENUINE SMALL GROUP ADVENTURE - The Secret of Our Success on Toubkal and in Morocco

We are proud to say that this holiday in Morocco is limited to a maximum group size of 12, ensuring we leave only our footprints on the trails and enjoy a genuine small group adventure. We've been taking our clients walking, trekking and mountaineering for almost thirty years so we know the ingredients of a good guide and a successful group adventure. On our Toubkal treks, the mountain is neither particularly high nor technically demanding, but the experience and knowledge of our Moroccan leaders, teamed with a smaller group size, can make a big difference to your chances of success on summit day. Those who are new to High Atlas trekking will take particular comfort in the presence of our experienced Moroccan guides, who we believe are the best in the business.

## Is this holiday for you?

The maximum altitude on this trekking holiday is not high and we spend only one night above 3200m meaning acclimatisation is not usually a problem. Climbing Toubkal from the refuge and hiking out in a single day is challenging, however we don't feel it is necessary to split it into two shorter days. We follow

a good trail up to the refuge and a rocky mountain trail on Toubkal itself, including zig-zag trails on sections of scree. This weekend is designed for fit and active mountain walkers who are looking for a challenging long weekend of walking.

# Extensions

When booking your holiday, you will be able to 'add an extension option'. Once we have received your booking we will contact you to discuss additional services required for the extension and to take any additional deposit.

## Essaouira Riad and Atlantic Coast

Friendly Essaouira provides a beautiful base for this colourful Atlantic Coast extension which offers a fantastic start or end to our holidays in Morocco. Described as the prettiest town in the country, the UNESCO port and medina are a riot of colour and activity. To ensure a relaxing time in Essaouira we take care of private return transfers and riad accommodation for 3 nights at the comfortable Riad Maison du Sud, situated within the ramparts of the medina and just a few minutes walk from the sea. Redecorated in Moorish style, it has a snug sitting room and sunny roof terrace with views of the Mellah and the Atlantic Ocean. Essaouira has plenty of things to do so we leave your days free for you to enjoy at leisure. This extension starts and ends in Marrakech.

## Joining Arrangements & Transfers

---

Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Marrakech.

Airport transfers are provided for all clients to the group hotel.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

Included in the holiday price are 3 breakfasts, 2 lunches and 2 dinners. Dinner on arrival in Marrakech is not included.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

All food whilst on trek is purchased locally and cooked for us by our excellent trek cooks. KE groups are always surprised at what the cook team conjure up!

Breakfasts are continental style, with tea and coffee, muesli, bread, jam, honey and soft cheese. A morning snack is also provided and this usually consists of a type of Moroccan 'trail mix' with dried figs and dates, peanuts, sugar coated peanuts and other nuts.

Lunch usually starts with the Berber speciality of mint tea, followed by a buffet of rice, pasta or couscous, with a freshly prepared salad - onion, tomatoes, green peppers, grated carrot, green-beans, with tinned sweetcorn or peas added. Hard and soft cheeses, tinned fish, olives, biscuits and bread are also on the lunchtime menu.

Dinner starts off with soup and bread. The main course is usually rice, pasta, couscous, spaghetti or chips, with a vegetable stew (or tagine) consisting of some of the following - onion, potato, carrot, green pepper, zucchini, turnip, parsnip, green beans, and peas. There will be some meat (usually chicken, lamb or beef), however meat is not prominent in the menu. All dishes come with traditional sauces which are rarely (spicy) hot. To round off dinner, there is the usual range of hot drinks.

## Accommodation

During this holiday the group spends two nights at a traditional riad in Marrakech. Our centrally located riad is small and delightful in its simplicity and cosiness. We have one night in the Mouflons Refuge or the Neltner CAF Refuge. Both the refuges have simple bathrooms and mixed dormitories.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. There is no single room option for the one night at the refuge. If you are planning on extending your holiday additional nights at the group accommodation are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. The group will also have the support of a full trek crew on the walk to the Neltner Refuge including a cook, baggage animals (mules) and their handlers.

## Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

## Spending Money

Approximately £60 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks and miscellaneous expenses. Alcoholic drinks, souvenirs, any extra lunches and optional activities are additional so you may wish to budget for these.

You cannot usually purchase Moroccan Dirhams outside the country. You can withdraw money in local currency from ATM's on arrival at the airport in arrivals or in Marrakech. You can choose to take your money in pounds sterling, dollars or euros, and you will be able to exchange it at the airport. Credit cards are useful and it is a good idea to carry one in case of emergency.

## Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and porters. They do not form part of their wages and any tips they receive are seen as a personal thank you from group members. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given.

This is your 'thank-you' to the crew and the final amount should be decided by the group. We estimate that approximately £30 per group member should provide an appropriate level of tips. However, for the leader, we leave the tipping amount totally at your own discretion.

## Additional Information

Please keep your passport in your day pack - occasionally there are check points when this will be needed.

## Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft duffle bag, and a daypack. Your main baggage whilst trekking will be carried by pack animals and the packed weight of it should be no more than 12kg.

If you will have more than 12kg in your main bag:

Additional luggage can sometimes be left at the group accommodation, however space is very limited and this can not be guaranteed. You will need to speak directly with reception about leaving a bag.

There are also options in Marrakech to store a bag (such as 'MC Consigne') - if you do this, important information to note:

- The group pick up time on Day 2 is 8:30am
- At the end of the trip, you will return back to Marrakech between 4pm and 6pm (as this will be very dependant on traffic)

For international flights please check your baggage allowance with your airline.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see *Health & Vaccinations* below), and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

### Visa Morocco

UK and USA passport holders do not require a visa for short stays.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

On holidays to more remote areas you should also have a dental check-up.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates.**

**Please check the [FCDO](#) and [Travel Health Pro](#). For all of your intended destinations for up-to-date advice.**

### Severe Allergies:

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips.

## Currency

The unit of currency in Morocco is the Moroccan Dirham.

## Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience. You should be aerobically fit and comfortable with walking a 6 -7 hour day and then consecutively 10-11 hours on summit day. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

## Climate

During the main summer months temperatures in Marrakech can be very high, however in the mountains you can expect daytime temperatures above 2500m to be around 20 to 25°C. At night, the temperature, even at the Neltner Refuge, is unlikely to fall below freezing. The weather is usually good at the time of our departures. However it's good to remember that mountainous weather is difficult to predict. Occasional rain or even short-lived storms are not uncommon, so best to be prepared for all.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
