Introduction

The dramatic and beautifully wild Atlantic coast of Morocco is wonderfully remote and still undiscovered. This very special walking and cultural holiday includes sweeping sea views from cliff-top trails and hidden footpaths which snake through timeless villages and sleepy hamlets. Days are filled with spectacular cliffs, long sandy beaches and rural landscapes whilst nights will have you falling asleep to the sound of the Atlantic Ocean beneath star-filled Moroccan skies. During the holiday you'll also stay in a charming traditional riad in the heart of Essaouira's ancient white-washed medina. This UNESCO gem of a town is home to towering walls, picture-postcard architecture, a bustling harbour, thriving fishing fleet and labyrinth of cobbled streets which are perfect for wandering down. The holiday ends in the bustling city of Marrakech complete with exotic souks, beautiful palaces and colourful squares. This unique [Moroccan walking holiday](#) offers the perfect combination of stunning coastal landscapes and a rich diversity of cultures.

A Genuine Small Group Experience - The Secret of Our Success in morocco

We are proud to say this holiday in Morocco is limited to a maximum group size of 12, ensuring we leave only our footprints on the trails whilst enjoying a small group adventure. We've been taking our clients walking, trekking and mountaineering for almost thirty years so we know the ingredients of a good guide. Those who are new to trekking in Morocco will take particular comfort in the presence of our experienced Moroccan guides, who we believe are the best in the business.

Is this holiday for you?

Each day you'll walk around 4 to 5 hours with frequent breaks for dipping your feet in the sea and exploring beaches. The trails include mule tracks, rural footpaths, cliff top paths, and sandy beaches. You only need to carry a small day pack as the holiday is fully supported with a camping crew, therefore all equipment and main bags are carried by pack camels. During July and August the Moroccan sun feels stronger in Marrakech, however the Atlantic Coast has a cooling breeze which makes it pleasant for walking, even during the summer months.

Extensions

When booking your holiday, you will be able to 'add an extension option'. Once we have received your booking we will contact you to discuss additional services required for the extension and to take any additional deposit.

Into the Sahara Desert

For a real taste of the Sahara this adventure is hard to beat! After journeying across the Atlas Mountains we arrive in the oasis town of Agdz for a night in a traditional Moroccan house. Next we head to our comfortable fixed Berber camp at Erg Chegaga and take in a spectacular desert sunset before settling down under star-filled Saharan skies! In the morning we'll watch sunrise over the dunes before exploring this magical landscapes by 4WD. After a night in Ouarzazate, we make our way back to Marrakech via the magnificent UNESCO Kasbah of Ait Ben Haddou. (Please note this extension includes a local driver but not a KE leader. This gives you more freedom to explore at leisure pre/post KE group trip).

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Marrakech.

Airport transfers are provided for all clients on Day 1 and Day 8.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included in the holiday price from dinner on Day 1 to breakfast on Day 8.

Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

All food whilst on trek is purchased locally and cooked for us by our excellent trek cooks. KE groups are always surprised at what the cook team conjure up!

Breakfasts are continental style, with tea and coffee, muesli, bread, jam, honey and soft cheese. A morning snack is also provided and this usually consists of a type of Moroccan 'trail mix' with dried figs and dates, peanuts, sugar coated peanuts and other nuts.

Lunch usually starts with the Berber speciality of mint tea, followed by a buffet of rice, pasta or couscous, with a freshly prepared salad - onion, tomatoes, green peppers, grated carrot, green-beans, with tinned sweetcorn or peas added. Hard and soft cheeses, tinned fish, olives, biscuits and bread are also on the lunchtime menu.

Dinner starts off with soup and bread. The main course is usually rice, pasta, couscous, spaghetti or chips, with a vegetable stew (or tagine) consisting of some of the following - onion, potato, carrot, green pepper, zucchini, turnip, parsnip, green beans, and peas. There will be some meat (usually chicken, lamb or beef), however meat is not prominent in the menu. All dishes come with traditional sauces which are rarely (spicy) hot. To round off dinner, there is the usual range of hot drinks.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During this trip the group will spend two nights at a tourist hotel in Marrakech on an en-suite basis. While there are a range of high-end hotels in Marrakech, we try to strike the right balance of a comfortable and conveniently located base while maintaining a really good value holiday. In Essaouria we spend 1 night in a traditional riad-style hotel. This lovely building is located within the ancient medina and has a wonderful roof-top terrace for relaxing and a traditional inner courtyard filled with plants.

Whilst trekking we have 4 nights camping on beaches or on superb cliff top locations. This camping is fully supported with all baggage being carried by mules, as well as tents, a mess tent and a toilet tent. You will have a team of staff to look after you including a cook. One of the highlights of this holiday is the true remoteness of the camping locations and the excellent service provided by the local team. A mattresses is provided, although some people like to bring their own thermarest as well. You will need a sleeping bag. Sleeping bags are available to hire, please contact the KE office to arrange this.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel or in a range of different hotels and Riad's in Marrakech are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. The group will also have the support of a full trek crew including cook, baggage animals (camels) and their handlers.

Spending Money

Approximately £100-150 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these.

You cannot usually purchase Moroccan Dirhams outside the country. You can withdraw money in local currency from ATM's on arrival at the airport in arrivals or in Marrakech. You can choose to take your money in pounds sterling, dollars or euros, and you will be able to exchange it at the airport. Credit cards are useful and it is a good idea to carry one in case of emergency.

Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and porters. They do not form part of their wages and any tips they receive are seen as a personal thank you from group members. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given.

This is your 'thank-you' to the crew and the final amount should be decided by the group. We estimate that approximately £45 per group member should provide an appropriate level of tips. However, for the leader, we leave the tipping amount totally at your own discretion.

Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft duffle bag, and a daypack. Your main baggage whilst trekking will be carried by pack animals and the packed weight of it should be no more than 15kg.

Luggage can usually be left at the group accommodation, however space is very limited so please keep this bag as small as possible. You will need to speak directly with reception about leaving a bag.

For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see *Health & Vaccinations below*), **and visas for your holiday**. Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Visa Morocco

UK and USA passport holders do not require a visa for short stays.

For this holiday we require a scanned copy of the main pages of your passport. Please email this to the office when your holiday is guaranteed to run.

Health & Vaccinations

VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The unit of currency in Morocco is the Moroccan Dirham.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

You should be aerobically fit and comfortable with walking 3 to 5 hours for consecutive days. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

Climate

Average daytime temperatures in Marrakech range from 20°C to 30°C during main summer months however temperatures on the coast are considerably cooler than in Marrakech. During April and October average daytime temperatures in Marrakech are a comfortable 20 to 22°C whilst on the coast around 18 to 20°C. During the year night time temperatures on the coast can drop to 5°C. During all our departures you are unlikely to experience rain but it's best to be prepared for all weathers.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
