Introduction

This week-long walking holiday on Portugal's south-west coast is an ideal way to step away from the bustle of everyday life. Over the course of the week, we explore remote Atlantic trails and the 'inner' Algarve's rolling hills and whitewashed villages. Staying in one welcoming lodge, just 10km from Portugal's most westerly point, we enjoy five hand-picked walks designed to highlight the variety of this region: from dramatic cliffs, sand dunes, hidden coves and sweeping beaches, to the green interior with farmland, meadows and forests of chestnut, eucalyptus and cork.

The Algarve's climate makes it perfect for walking—over 300 days of sunshine a year—but we especially recommend spring and early summer, when rock roses and almond blossom brighten the hillsides, and autumn, when fresh figs and almonds are in season.

We've included a free day for you to visit nearby Lagos or try an optional activity, such as kayaking or a surf lesson. A highlight of the holiday is our accommodation: a sustainably-run lodge set in 150 acres of farmland near Aldeia da Pedralva, within the Cape St Vincent National Park. Our hosts, Jon and Vio, are known for their warmth and hospitality, and for the home-cooked dinners they create using produce from their own garden. Evenings are sociable, with meals shared around the dining table or time spent by the fire pit under the stars—when conditions allow. For quieter moments, the lodge's lounge offers a cosy place to relax with a book by the fireplace.

This combination of inspiring walks, comfortable accommodation and genuine hospitality makes this holiday a special experience that we guarantee you won't want to leave!

Is this holiday for you?

This holiday is centre-based making it ideal for anyone who likes a walking holiday with the option to opt in and out of the walks, a highlight of the holiday are the evenings spent relaxing and socialising alongside enjoying some excellent home-cooked food! We will enjoy 5 varied day walks during our week, each designed to show off the best of the region. We will be walking for between 4 - 6 hours on these days, with daily accumulative ascent and descents varying from 200 - 600m and covering distances of 10 -15 km. We will be walking on a mix of quiet rural paths, well defined coastal trails, over some rougher trails and rocky sections and along beaches. There will be no more than 600m of accumulative ascent on any one day, but as we will be walking from the cliff tops, down to bays/beaches

and vice versa on several occasions there will be a few short and sharp inclines! While there is sufficient walking on each day to satisfy regular hikers, it is intended that this should be a relaxing holiday with a gentle pace.

DAY 2

Walk from our lodge to the golden beach of Praia da Amado on the rugged west coast.

Today's walk is the perfect introduction to the varied terrain and landscapes of this beautiful region. We begin on the peaceful trails of the inner Algarve and end at the sea cliffs of the rugged west coast, finishing at the stunning golden beach of Praia da Amado. After a relaxed breakfast, we set off straight from our doorstep with a short climb out of the valley, where we can enjoy emerging views of the surrounding hills. In spring, the hillside is painted in shades of white and pink, with the air sweetly scented by the flowering rock roses (Cistus), for which the Algarve is famous. It won't be long before we reach our highest point of the day and are rewarded with our first distant glimpse of the Atlantic Ocean. Leaving the rolling hills and valleys behind, our path gently winds down toward the west coast, passing through pine forests and cow meadows. The valley then opens up before us, revealing the stunning, long stretch of white sand at Praia da Amado—an ideal spot to relax, enjoy a picnic lunch, and take a refreshing dip in the wild Atlantic, in an area popular with surfers and bodyboarders.

After lunch, we climb from the beach up onto the sea cliffs, where breathtaking coastal views unfold in all directions. We continue on to Carrapateira, a small fishing village, where we can stop at a traditional café for a coffee and a delicious Pastel de Nata. There will be time to wander around the charming streets of Carrapateira before taking a short 10-minute drive back to the lodge. Back at the lodge, we can relax in a hammock with a book, enjoy a coffee in the lounge, or sip a chilled glass of Vinho Verde on the deck. Alternatively, we can refresh ourselves with the wonderful outdoor African shower before sitting

down to a home-cooked evening meal. After dinner, those who wish can take a stroll into the village of Pedralva to explore and enjoy a drink before returning to the lodge. Otherwise, you may prefer to simply relax in the peaceful surroundings of the eco farm.

DAY 3

Explore the south coast trails on a circular walk from Figueira.

Today, we set off on a scenic coastal walk along the south coast, beginning in Figueira, a sleepy Portuguese village just a 25-minute drive from the lodge. The south coast is far less rugged than the west, offering calm turquoise seas, prolific colorful flora, and charming white fishing villages.

Leaving Figueira, we follow a small village road through authentic Portuguese farmland, gradually making our way toward Zavial Beach, a well-known hotspot for surfers. Our route then climbs from the beach onto the sea cliffs, where we're rewarded with fantastic views of the surfers below.

Our coastal path winds along the eroded cliffs, descending onto sandy white beaches scattered with impressive rock formations. With the inviting waters of the south coast along our route, it's advisable to bring swimwear, as there will be opportunities for one or two refreshing dips in the sea. Walking poles are also recommended for added support on the mixed terrain.

We will pause for lunch on Praia das Furnas, a beautiful, secluded beach where a gentle offshore breeze offers a welcome respite from the midday sun. There may also be a chance for a swim before we continue our journey.

After lunch, the walk continues along the cliffs, offering breathtaking ocean views, and if we're lucky, we might spot dolphins playing in the waves below. The route then turns inland toward the small town of Figueira, where we take a short break before transferring back to our accommodation.

Back at the lodge, we can unwind before dinner, whether by relaxing in a hammock, enjoying a refreshing African shower, or simply kicking back with a chilled drink on the deck. We round off the day with a delicious home-cooked dinner, savoring the flavors of the region in the peaceful surroundings of our accommodation.

DAY 4

Follow the beaches and cliffs of the South coast from Praia da Ingrina towards Sagres and Cabo St Vincent.

Our walk today begins just a 15-minute drive from the lodge at Praia da Ingrina, a small south coast hamlet with a beautiful beach. Our trail follows the stunning windswept cliffs and stretches of long white beaches, leading all the way to Sagres. This barren yet breathtaking landscape marks the southwesternmost point of mainland Europe. The route takes us along easy coastal trails, passing through scrubland, beaches, and cliffs with ever-changing views.

We pass Martinhal Beach, an idyllic, protected bay—a great spot for a swim if time allows.

The town of Sagres has a rich nautical history. Famous explorers, including Christopher Columbus, once knew this place as "the end of the world", as it was from here that many great expeditions were launched. The name Sagres comes from the Portuguese word for "sacred," and the area has deep Celtic roots. Along our path today, we will encounter one of the largest concentrations of menhirs (standing stones) in the Algarve, dating back to around 3000 BC. These Neolithic monuments are evidence of human presence in the region for over 5,000–6,000 years.

We will stop for lunch at an authentic Portuguese bistro/café, where we can enjoy delicious local dishes in the cool shade, away from the midday sun.

As we wander through Sagres town, its more recent cultural history is also evident, with abandoned cliff-top fortresses and an ancient monastery offering glimpses into the past.

Our walk ends on a sweet note at Alice's, the best gelateria in the Algarve, renowned for its incredible homemade ice cream, made with only natural ingredients.

Before returning to our accommodation in the late afternoon, we take a short drive to Cabo Sao Vicente, the most southwestern point of Europe, to explore its dramatic landscape and take in the spectacular views.

DAY 5

Free day for independent sightseeing in Lagos or optional outdoor activities.

Today is a free day to relax at the lodge, take part in some optional outdoor activities, or enjoy a cultural day trip to Lagos. Lagos is one of the Algarve's most scenic and historic towns. Surrounded by 16th-century walls, the old town is a maze of cobbled streets, churches, and charming piazzas. Within walking distance, you'll find some of the Algarve's best beaches and beautiful rocky coves, perfect for a day of

relaxation or exploration.

For those wishing to visit Lagos, our hosts will provide a complimentary transfer after breakfast, with a return pick-up in the late afternoon to bring you back to the accommodation.

For those looking for something more energetic, there are several optional outdoor activities available. You may want to try your hand at kayaking on the estuary, enjoy a surf lesson with a local expert, or join an optional yoga class before breakfast for a small fee of €10.

Our hosts will be available throughout the week to discuss the options and assist in arranging your activities for the day.

This evening, we'll wander into nearby Pedralva to enjoy dinner at an authentic Portuguese restaurant. Tonight's dinner is not included, giving you the freedom to choose your own menu and budget.

DAY 6

River and nature walk through the Cabo St Vicente Nature Reserve.

Today's walk is designed to showcase the unspoiled beauty of this wild region. Our route runs parallel to the river, winding through forests of cork oak where the tree tops are alive with birdlife. The path is flanked by impressive hills, part of the pristine Cabo Sao Vicente Nature Reserve.

The trail passes through Villarinha, a hamlet seemingly frozen in time, surrounded by countryside shaped by generations of Portuguese farmers who still live in quaint white houses, encircled by rolling meadows filled with cattle.

At this point, our trail departs from the river, heading up toward the hilltops. From here, we'll enjoy stunning views of the valley behind and the west coast and ocean ahead. The zigzagging path takes us through a wild and remote landscape, offering a different perspective of the Algarve. As we walk, we are surrounded by undulating terrain, open bush, and scrubland, but the track remains wide and accessible, also part of the Via Algarviana walking route (GR13).

After descending the hill, we'll reach the village of Carrapateira, where we'll stop for lunch and a drink at an authentic Portuguese café.

Following lunch, you'll have the option to either return to the lodge or continue walking. The route then takes us through large sand dunes, eventually leading to the long beach of Praia da Bordeira. We'll end the walk just off the beach at a local café, offering a variety of exotic freshly made juices for us to enjoy.

From here, it's just a short 5-minute drive back to the lodge for another delicious home-cooked dinner.

DAY 7

Walking the wild and dramatic west coast from Castellejo beach to Amado beach.

On our final walking day, we will take a 20-minute drive to explore the coastal trails of the wild west coast, home to some of the most impressive scenery on the Portuguese coastline. We will pass through hidden white coves, following meandering fishermen's trails along the unspoiled coastline. Below us, we can watch the crashing Atlantic swells against the imposing black sea cliffs.

We begin in the nearby village of Vila do Bispo, at the beach of Castellejo. From here, our path follows the sea cliffs and beaches for several kilometres before turning inland briefly until we stop for lunch, which will be taken on a completely hidden beach accessible only by foot. Here, we can sit in the shadow of the cliffs and enjoy the stunning views.

After lunch, our week of walking culminates in some of the most spectacular scenery in the Algarve. We will cross a series of four unspoiled coastal valleys, requiring a reasonable amount of ascent and descent. Our efforts will be rewarded with the most impressive views of the week, along with the satisfaction of completing this challenging route through breathtaking landscapes.

We finish at Amado beach, where we'll have the chance to swim, watch the surfers, or relax in a café and reminisce about the week gone by.

In the evening, back at the lodge, we will celebrate with a delicious seafood dinner freshly prepared by our hosts, accompanied by good wine and even better company.

Joining Arrangements & Transfers

Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at our eco-lodge accommodation near Sagres.

A single transfer (1hr 30mins) is provided from Faro Airport to the accommodation at 12 midday of Day 1 the Land Only itinerary.

On the last day of the Land Only Itinerary there will be a single transfer back to Faro Airport in the morning. This will connect with flights leaving at 1100 at the earliest. Those with later departures can take this transfer and have lunch in Faro (5mins in a taxi), or take a trip to one of the islands. There is baggage storage at the airport.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy.

Accommodation contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included except for 2 lunches and 1 evening meal. This allows you to experience the local cafes/restaurants/bistros.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

On the 6 nights where we eat in at the lodge in the evening, meals will be 3-course feasts, with local wine, juice and water (drinks are chargeable separately). We will generally return to the lodge after our walk each day to find it filled with the comforting smells of freshly baked bread, grilling vegetables or meats, or the smoky aromas of pizza baking in the oven or notes of sugar and spice and chocolate - hints of what might be that night's tasty dessert treat.

A note from your hosts: We love food; good food is one of our greatest pleasures in life. We believe that the better, the fresher, the more naturally produced the original products are, the higher the quality of the meals we serve. We strive to produce foods here on the farm that are in harmony with the environment; no pesticides or non-organic fertilisers. Planting our veggie garden is a labour of love, and the crunchy salad straight from the garden is a credit to this. We believe local is great, and it's this greatness we search for when we visit shops and markets and our own pantry to produce meals for our guests. Herbs, spices and fresh food are our inspiration! We cook delicately spiced meat dishes, exotic vegetarian meals, tasty vegan and gluten-free feasts - Violeta can make you something special, whatever your needs and desires, but please inform us of any dietary requirements on booking. A tasty surprise this winter was the discovery that our farm produces an array of the most incredible edible mushrooms!

We will take breakfast at the lodge each day, which will include fresh bread, porridge, eggs, bacon, fruit and croissants. On most of our walking days, we will carry with us a freshly prepared packed lunch, usually including a couple of rolls, fruit and a snack bar.

There are 2 lunches and 1 dinner, which are not included, leaving you free to sample the delicious treats offered by some of the traditional Portuguese bistros/restaurants or pick up a simple lunch from a café or bakery.

Accommodation

A unique holiday highlight is our charming eco-lodge accommodation, where we will be made to feel very welcome by our friendly hosts, Jon and Violeta.

Nestled amongst 150 acres of farmland close to the village of Aldeia Da Pedralva in the Cape St Vincent National Park, our lodge is a beautiful, tranquil place. The buildings have been tastefully renovated and designed to integrate into the natural splendour of the landscape. The accommodation is 'off grid' and the electricity comes from solar power. The rooms only have 12V, enough for the lights. The main room has 220V for charging equipment.

We will be accommodated in individual cottages set among the Cork oak forest and surrounded by unspoilt nature. Each room/cottage is a unique space, individually designed and offering its own cosy areas. There are 5 twin/triple/double bedrooms, 3 with ensuite bathrooms and 2 with a shared bathroom. If you are travelling by yourself, you will be paired up with another single client(s) of the same sex. A limited number of single rooms (may still have shared bathroom) are available for a supplementary cost. Please contact the KE office if you have specific rooming requirements. We try to ensure that everyone is happy with the rooming.

All rooms/cottages are their own bathroom or shared bathroom, but should you wish to get back to nature, you can try the outside 'bush showers' overlooking the river. Hidden among the trees you are secluded from the outside world and can shower surrounded by nature.

There is much to explore in the grounds, including a fruit orchard and a vegetable garden, hammocks hanging in the shade, a sun deck for breakfasting in the morning sun, a traditional pizza oven, and an outdoor fire pit (an outdoor fire will often be available, weather and local conditions permitting).

Our evenings will be sociable as we gather around the dining table for a feast of excellent home-cooked Portuguese cuisine, often created from ingredients grown in the garden, or sit around the fire pit under the stars, telling stories and chatting over a glass of local wine. Those seeking a little solitude might want to curl up in the lounge by the corner fireplace to read, write, drink tea or play board games.

You will be incredibly well taken care of, fed and wined in the evenings. It's a winning formula and we guarantee you won't want to leave!

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

Spending Money

Approximately £100 (or equivalent in US dollars or Euros) should cover you for non-included meals, miscellaneous expenses, tips, drinks, snacks etc... This figure does not take into account optional activities or alcoholic beverages. Some wine is included with dinners and other drinks can be paid for directly at the end of the week. Euros can be withdrawn from ATMs at Faro Airport and locally. If you are intending to buy expensive souvenirs, you should budget accordingly (credit cards can be useful in this respect).

OPTIONAL ACTIVITIES:

Please note that these prices are correct at time of writing, but are subject to change without warning. All prices are in Euro's. Optional activities taken outside the KE holiday are at your own risk.

Surf Lesson/Kayaking - €45pp

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We recommend that you decide levels of tipping and give any tips as a group rather than from individual group members.

Optional Activities

On our free day we have the option of taking part in some optional half day activities arranged by our host, these include surf lessons or kayaking. Each activity will be led by a qualified guide and costs approx. €45 per person, this includes transfer, guide and any specialist equipment required. Activities can be arranged over the course of the week with our hosts and paid for directly.

There is also the option to visit Lagos on our free day. Our hosts will provide a complimentary transfer after breakfast and picking up in the late afternoon for those wishing to take this option.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

You should be aerobically fit and comfortable with walking 4 to 5 hours for consecutive days. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina

Climate

The Algarve enjoys a sunny microclimate with usually over 300 days of sunshine a year. Summers are dry and hot, but the south-western tip of the continent enjoys a mild climate all year round thanks to the influence of the ocean.

Spring (April to June) and autumn (September and early October) are delightful, but a little rain is possible. We can expect day time temperatures between 16-22 degree Celsius, with matching sea temperatures. Temperatures will be a little warmer in the Autumn than in the Spring.

Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.
