# Introduction

Bursting with captivating scenery, fascinating culture, a relaxed pace of life and warm welcome, Romania and Bulgaria are fantastic destinations for a walking holiday in the heart of the Balkans. Here you'll find beautiful panoramas, fabulous folklore and delicious cuisine, plus that rare feeling of taking a step back in time. In Bulgaria we start by exploring the lively capital of Sofia, home to a gold-domed cathedral and eclectic mix of architecture. After the capital we escape to the country to enjoy some charming walks off the beaten track. Walking in Bulgaria's undiscovered national parks ensures we'll be surrounded by colourful flora and fauna. We end our time Bulgarian adventure in Veliko Tarnova, the City of the Tsars, as we wander down Ottoman streets to a dramatic fortress. From Bulgaria we cross the Danube and enter neighbouring Romania. First stop is the fascinating capital of Bucharest, home to the incredible Palace of the Parliament, and wonderful Parisian style architecture. After Bucharest it's the exquisite castle of Peles before starting a magical walking journey through the heart of Transylvania's Carpathian Mountains. Here we'll stay in timeless mountain hamlets, discover Romania's alpine shepherds and taste a rich variety of traditional dishes. This charming walking and cultural holiday finishes perfectly in the medieval gem of Brasov.

## Is this holiday for you?

This lovely walking holiday visits a wonderful variety of alpine locations in both Bulgaria and Romania plus city highlights. The holiday includes a number of daily walks which include approximately 4 to 5 hours of walking during the day. These walks are mostly on footpaths which are good underfoot and include small lanes and mountain trails. While there is sufficient walking on each day to satisfy regular hikers, it is intended that this should be a walking and cultural holiday with a relaxed walking pace. Part of the overall holiday experience are the small rural villages you visit and the traditional food. The cultural element of this holiday is a major part, and although accommodation in Bulgaria and Romania is simpler than other parts of Europe, the warm welcome and timeless feel, more than makes up for the lack of hotel facilities in traditional guesthouses.

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

One of the highlights of this holiday is the wonderful variety of local food you'll get to sample. Whilst staying in local guesthouses and the rural areas, meals will be prepared using local ingredients which are all locally sourced. Romanian and Bulgarian food is excellent with local specialities including smoked bacon and sausages, stuffed cabbage rolls and cornmeal (similar to polenta) which is worth a try when served with sour cream. Bean soup, baked pumpkin, roasted corn on the cob and oven baked potatoes are wonderful with their crispy skins. Soups, stuffed vegetables and pies made with spinach and soft cheese, salads and a wide range of cheeses are all excellent. Desserts are something of a speciality and range from dough filled with sweet cheese to mouth-watering papanash (little doughnuts served with sweet cheese and blueberries) plus crepes served with either jam, marmalade, chocolate or a soft ricotta-style of cheese. Breakfasts usually consist of bread, butter, jam or honey, tomatoes, cheese, yogurt, fruit juice, eggs and tea or coffee. Don't leave Romania without trying Polinka, a powerful plum brandy!

## Accommodation

During this holiday the group will spend 8 nights in comfortable local hotels and 7 nights in simple pension/guesthouse accommodation. The nights we spend in simple guesthouses in Bulgaria and in Romania are a part of the holiday experience, as these places have been picked because of their wonderful locations and authentic atmosphere. On one of the night we will have use of shared bathroom facilities, but the atmosphere and warm welcome from the owners more than makes up for the lack of hotel facilities.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Group Leader & Support Staff

The group will be led by a professional Romanian leader in Romania and a Bulgarian leader in Bulgaria.

## Spending Money

The national currency of Romania is the Romanian Leu and the currency in Bulgaria is the Lev. We estimate 250-300 euro should be sufficient to cover your expenditure including tips for local staff, drinks and non-included meals. Local cash can be drawn from ATMs using credit or debit cards at Bucharest and Sofia Airports and in Sofia, Brasov, Veliki Tarnovo and Bucharest. We recommended you withdraw a small amount of local currency to cover your arrival as the leader will brief everyone on obtaining local currency during the first briefing.

## Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to you trekking leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group.

## Baggage Allowance

During this trip you'll have access to your main luggage each night. There is no baggage limit other than that imposed by the international carrier (normally 23kg) but we do ask you to restrict your baggage to one main bag and one small daypack.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Health & Vaccinations

## Currency

The unit of currency in Bulgaria is the Lev.

The unit of currency in Romania is the Romanian New Leu.

## Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a walking holiday getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. We would suggest that you adopt a weekly exercise regime leading up to your holiday. Walking, running, cycling and swimming are good for developing better stamina and before departure we suggest that you try to fit in a number of longer day walks.

## Climate

The main season for visiting Romania and Bulgaria is from June to September and the weather is generally good. We can expect daytime valley temperatures of between 20°C and 25°C and dropping to around 12°C at night. In the more mountainous areas there is always the possibility of mixed weather which may include the occasional storm.
