Introduction

It is said that there is the Camino you walk and the Camino you live. This one week walking holiday allows you to live the final stage of the Portuguese Way from Tui to Santiago de Compostela. You will follow in the footsteps of ancient pilgrims through vineyards and valleys, and historic villages full of charm where you can embrace Galician culture. You will even spend the night in Pontevedra, where great explorer Columbus's flagship, the Santa Maria, was crafted.

Along the way you will stay in a welcoming selection of hotels and guesthouses, close to the Camino on a bed and breakfast basis, giving you opportunity to dine on the fantastic seafood dishes the locals love so much. The jewel in the crown is your arrival at the cathedral of Santiago de Compostela, an emotional moment for many walkers as you realise your achievements over the past week, the memories you have made and the Camino you have lived!

Is this holiday for you?

This one week Camino is perfect for those looking to take on a spiritual challenge, your first long distance route or those who simply want to discover Galicia and all its splendid traditions. Guided by the traditional scallop shells and your route notes, you should be comfortable walking for 5-6 hours a day and an average of 15-20km on quiet paths, byways and cobbled tracks. The Portuguese Way from Tui is relatively quiet in comparison to the final section of other routes making it the perfect option for those looking to complete a Camino on the route less travelled. Staying in a great selection of hotels and guesthouses, we will transport your luggage for you so all you need to do is relax and enjoy the journey.

Itinerary

Version: SGTS Self-Guided Camino: The Portuguese Way - 1 week

DAY 1

Arrive in Tui and explore the town.

Arrive in the historic town of Tui nestled on the banks of the river Mino below Monte Aloia. Depending on your arrival time you may wish to explore this once walled town and discover its heritage as a key strategic location on the border with Portugal. Dating back to the 12th century the town has provided a longstanding safe crossing for pilgrims who wear the scallop shell of St James despite many battles with neighbouring Portugal. Steeped in history, we recommend taking time to stroll around the historic centre, visit the Romanesque and Gothic cathedral and enjoy a coffee on the bustling plaza.

DAY 2

Walk through the picturesque valley of the River Louro to reach O Porrino.

Feeling rested your day begins by winding your way through the medieval streets. You will have time to stop and admire this famous cathedral before continuing on your way, crossing the Veiga Bridge to walk along the Valley of the River Louro, perhaps one of the most beautiful stretches of the route, before entering O Porrino, your final goal of the day.

DAY 3

Discover Galician delicacies in Redonela and enjoy views of the Ria de Virgo on your way to Arcade.

Leaving O Porrino behind your walk today takes you further north passing through the hilltop village of Santiaguino das Antas with its pretty park, which houses the Chapel from which the town derived its name. There is time to take a welcome rest in the park before descending to the town of Redonela. This is a great spot to stop for a well-earned lunch and enjoy a typical Galician delicacy such as Caldo

Gallego (a hearty stew with chorizo) to fuel you on your way. Continuing you will soon reach Outeiro de Penas for excellent views over the Ria de Vigo estuary, one of the most sublime natural harbours in the world. Your final goal is your hotel in Arcade at the head of the estuary, renowned for having the best oysters in Galicia.

DAY 4

Walk through medieval architecture and Spanish vineyards to reach Pontevedra.

This section of the Camino will take you out of Arcade passing fishing boats on the banks to cross the photogenic medieval bridge over the Verdugo River which feeds the Ria de Vigo. Reaching the opposite side you make your way through the pretty narrow streets, guiding you to the beautiful byways up to the rolling hills to Cacheiro. Crossing the hillside your route soon opens up to display colourful fields, vineyards and orchards. Winding your way across the fruitful landscape you soon reach the beautiful largely traffic free city of Pontevedra, your home for the evening. Once Galicia's largest city, Pontevedra has a fantastic old town to discover. It was here where Columbus' flagship, the Santa Maria, was constructed. Local legend says that Columbus was in fact a Pontevedra nobleman named Pedro Madruga who took on a new identity. We recommend taking time to explore San Francisco Convent, an impressive convent which is said to have been founded by Saint Francis himself back in the 13 century.

Before heading on your way this morning we recommend paying a visit to Pontevedra food market, Mercado de abastos. Split over 2 floors the market is bustling with locals, tourists and pilgrims in search of the fantastic fresh produce of Rias Baixas; seafood, Albarino wine and fantastic cheeses. The perfect place to pick up snacks for your journey. Leaving the city via the millennial bridge, O Burgo, you once again commence your journey to Santiago. Your way, today, will take you along the beautiful valley of the Gandra River as it winds its way to San Mauro. Continuing your path widens and you will begin to spot the first of the crosses of Saint James, some magnificently carved and making a serene and peaceful atmosphere. You will soon pass the curious church of Santa Maria where the Templar, a type of monk responsible for protecting pilgrims, were stationed. Your home for the evening is just beyond the church

in the thermal town of Caldas de Reis.

From here you follow the pretty scenery of the Valga River for some time before heading on to Pontecesures and perhaps a coffee stop before the final section of your route today. Feeling refreshed you cross the Ulla River to reach your accommodation in Padron, an important stop along the way for pilgrims. You continue passing quaint Galician villages to reach the magnificent sanctuary of Nossa Senhora da Escravitudes before making your way through the streets to finally begin to see your ultimate goal, Santiago de Compostela. Making your way further into the city you will soon arrive at the Faxeira gate, the entrance of the Portuguese Way to join fellow pilgrims from around the world in reaching the resting place of Saint James in the spectacular cathedral. This is a proud moment and you will have time to absorb it before making your way to your final hotel for a well-earned rest.

Obtaining the Compostela: To cope with large numbers of pilgrims during the busiest part of the summer months, the pilgrim office has installed a numbered ticketing system for processing your pilgrims' passport.
