# Introduction

Discover Corfu, the lush green island the Greeks call Kerkyra, and complete the challenge of a long distance trail on this spectacular 10 day Self-Guided Corfu Trail hiking holiday. A trail which takes you from bustling tourist towns bursting with culture, good food and Venetian architecture, over rugged mountains to charming hilltop villages, and to dreamy secluded bays. Corfu has it all and it is as colourful as the writings of Gerald Durrell portray.

This delightfully varied trail showcases the very best of the island and it won't take long before you fall in love with it. Starting in the island's capital, Corfu Town, you will have time to enjoy a spot of sightseeing and discover why so many have fought over this strategic island through the centuries. With an insight into Corfu's rich culture your trail begins in the south of the island from where you make your way north along the coast, before heading inland to sleepy hilltop villages and over the highest mountain on the island, Mount Pantokrator (906m). From the top of the island you wind your way through olive groves and along rugged coastal paths to your final goal, Kalami, unveiling secluded coves as you go. Along the way you will stay in small, family run hotels and guesthouses where our hosts are ready to provide a warm Greek welcome. Plus in Kalami you will have your own apartment complete with a breakfast hamper of local produce to fuel your hike, the perfect space to unwind at the end of your trail, and perhaps extend your stay.

## Is this holiday for you?

This fantastic journey along the Corfu Trail is perfect for those looking for a challenge. A long distance trail off the beaten track, marked by yellow waymarks to help you on your way, leads you through farmlands, over rugged mountains and along coastlines to inviting bays with their crystal-clear waters. You should be comfortable walking on average 5-6 hours a day and around 15-20km per day on quiet farm tracks, mountain paths and byways. The day you summit Pantokrator, the peak of Corfu, is the most challenging day of your trip with over 1,000m of ascent and descent in the day. A head for heights is also recommended to ensure you can enjoy the coast to its full potential. Staying in a great selection of hotels, guesthouses and apartment, we will transport your luggage for you so all you need to do is relax, put one foot in front of the other and soak up the authentic island charm.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your trip. We have also included two evening meals when there are fewer options to dine out in local restaurants.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Greek food has a vast culinary influence throughout Europe and beyond thanks to its ancient traditions making for an excellent mix of tasty Mediterranean dishes alongside a fantastic range of fresh vegetables and salads. Greek food tends to be influenced by the seasons and geography with local menus on the islands including fresh seafood, fava beans, olives, aubergines, fresh cheeses, filled filo pastries, lamb and poultry, plus don't forget the excellent breads to dip in taramasalata and tzatziki.

For those with a sweet tooth you can look forward to the delights of buttery Baklava, a filo pastry tart layered with nuts and butter soaked in syrup after baking, or the delicious Amygdalota almond cookies - perfect with a cup of coffee.

As one of the oldest wine-producing regions in the world, the country has an excellent selection of local wines available by the glass. The light beer of Mythos, the aniseed aperitif of Ouzo, Metaxa the local brandy, Retsina (wine with an acquired taste) and the fiery Tsipouro are all popular local tipples and well worth a try.

Tap water from the mains is safe to drink, however it tastes quite different to what many people may be used to because it is produced from desalinated sea water. You might prefer to take a reusable bottle with a filter such as [Water-to-Go](#), which can also be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

## Accommodation

On this trip, you will stay in a selection of comfortable guesthouses, studio rooms, and small family run hotels. Each accommodation brings its own charm whether it is a small family run guesthouse offering beautiful gardens to relax, a simple studio with a kitchenette at your disposal, or a small hotel in the centre of town close to great local restaurants and tavernas. You will also spend your final 2 nights in your own self-contained holiday apartment in Kalami. Each apartment has a kitchenette, bathroom, balcony and Wi-Fi. Apartments can be studio, one bedroom or two bedroom apartments. Studio and one bedroom apartments are suitable for up to 2 people, while two bedroom apartments can accommodate up to 4 people. If you are travelling as part of a larger group we will arrange multiple apartments. Air conditioning is available at some locations, there may be an additional charge for this.

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (*see Health & Vaccinations below*), **and visas for your holiday**. Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips.

## Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 5 to 6 hours for consecutive days on rugged paths. Some of the routes will take you on quiet back roads, through farmlands and on high paths where surefootedness and a head for heights is required to enjoy the views.

## Climate

Corfu benefits from a mild Mediterranean climate with hot, sunny summers with temperatures averaging 27 degrees and mild rainy winters. With this in mind we offer this trip in the spring and Autumn seasons where temperatures are more comfortable. In the interior of the island where the elevation is higher rain is more frequent throughout the year.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Books

Walking and Trekking Corfu by Cicerone
