Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts in Amsterdam and ends in Bruges. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you.

The nearest airport for this trip is Amsterdam with many departures from regional UK airports. It is also possible to travel flight-free from the UK to Amsterdam, making use of the Eurostar from London St Pancras, or the ferry from Newcastle to IJmuiden with bus and train connections linking the port and the city centre.

At the end of your holiday you can take the train from Bruges back to Amsterdam, or return from Bruges to the UK via the train link with Eurostar.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

On this holiday, there will be no shortage of excellent restaurants and variety of cuisines available to please any palate, though of course it's a great experience to sample the traditional delicacies and local favourites of the places you visit. The proximity to the sea brings an abundance of fresh seafood alongside the produce of the rural farmland surrounding the cities.

In Amsterdam and the Netherlands, 'Hollandse Nieuwe' or 'haring' is a traditional snack of pickled herring served with raw onions and gherkins and can be enjoyed on its own or in a sandwich, though the traditional method of consumption is by holding the fish vertically by its tail and eating upwards! Bitterballen and Kroket are also popular savoury snacks and a perfect beer accompaniment, typically of seasoned meat covered in breadcrumbs and fried.

Dutch cheeses are world famous, be sure to get your fill of delicious Gouda from its namesake town and sample the surprising array of flavours available. Did you know that stroopwafels, the sweet treat popular all over the world, also originates from Gouda? On one of your cake stops we highly recommend sampling Dutch Apple Cake and Poffertjes - mini pancake puffs dusted with icing sugar - yum!

The region of Flanders prides itself on its use of seasonal, quality ingredients. You can find flavoursome grey shrimp used in many Flemish dishes; at Oostduinkerke these shrimp are still netted traditionally and sustainably from the North Sea by fishermen on horseback.

Belgium is famous for its beers, with a long brewing tradition stretching back over centuries and traditional Belgian beers such as Duvel, Hoegaarden and Leffe have become internationally recognised brands. Quality chocolate is also synonymous with Belgium so those with a sweet tooth can really indulge in this delicious treat!

Accommodation

On this holiday you will stay in a great selection of 4* & 3* hotels, all carefully chosen for their ideal locations, atmosphere and warm welcome. The hotels all offer a great breakfast buffet to fuel you for the day ahead and rooms are on a double or twin basis, some with Austrian style twin beds (two beds within one bed frame and separate bedding).

Staying two nights in Amsterdam at the start of your holiday, you will have plenty of time to explore the city. It is also possible to arrange additional nights accommodation in either Amsterdam or Bruges if you would like to enjoy this magnificent region a little longer. Please speak to one of our sales team for further details.

We select our accommodation carefully, and during the high season the precise location of your overnight stay might differ slightly to that described in the day by day itinerary. All accommodation is of similar standard.

Bike Hire

Bikes come with 24 gears and come equipped with a pannier for your daily essentials plus lights, a bike lock, pump and repair kit. Your bike will be available to collect on Day 2 of your holiday, usually by the early evening.

The hybrid-style bikes provided for this trip come in a unisex/female frame (step through frame) or a male bike frame (high top tube). We will reserve the appropriate size of bike for you based on your height.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We can also arrange tandem bikes, children's bikes, trailers and child seats upon request. Please ask our sales team for details.

Upgrade to an E-bike

If you are looking for a bit of extra support whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £100. A minimum height of 160cm is recommended for e-bikes. Just request this upgrade option with our sales team at the time of booking.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited to one piece under 20KG per person and that your luggage is ready for collection each morning.

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 50-60 km a day on easy cycle paths and we advise to dust off your bike and head out on a few rides before your holiday.

Climate

The Netherlands and Belgium has a temperate maritime climate influenced by the North Sea and the Atlantic Ocean, with coastal regions frequently feeling windy. Generally the winters are mild and the summers are cool, with the months of May through to September being the best time for cycling. Daytime temperatures in the spring and autumn are typically around mid-teens Centigrade, while in the summer this can reach low-20s Centigrade. Precipitation can be experienced at any time of the year.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
