Introduction

This one week cycling trip around the Normandy coast is an immersion into the history of one of the most crucial battles of the Second World War: the D-Day landings. Your journey will take you along the length of the Allied Landing Beaches including Omaha, Gold, Juno and Sword Beach. Along the way you will be able to pay your respects at the American Cemetery and Memorial and take a step back into history at Arromanches. Cycling all the way to the beautiful sandy beaches and seaside resorts of the Cote Fleurie, you will discover the multi-layered history of this region over the centuries and soak in its charm.

Pedalling with the added assistance of your e-bike, you will cycle on average 45km each day, along quiet lanes through tree-lined fields, and emerge at cliff top vantage points. This is the perfect way to take in this landscape that was transformed less than a hundred years ago into a fierce and unrelenting battleground, a world away from the peaceful farmland and coastal idylls you'll cycle through on this tour.

Is this holiday for you?

If you enjoy the history of the Second World War and the Norman Conquest, then this trip visiting the beaches of the Normandy Landings as well as the ancient cities of Bayeux and Honfleur, is the one for you. This leisurely self-guided cycling holiday is perfect for anyone that enjoys exploring on two wheels. With the additional boost provided by your e-bikes, you can enjoy a cycling holiday with reduced effort. E-bikes are a great leveller for those with a mix of cycling fitness and speeds. Pedalling with ease over an average of 45km a day through rolling tree lined country lanes, you will have plenty of opportunity for sightseeing and delving into the chequered history of this fascinating corner of northern France. You will pass through seaside towns and bustling fishing villages with the luxury to stop and explore the museums and memorials, as well as sample some of the tasty seafood caught just off this coast. Staying in 3* & 4* hotels, you can relax in comfort at the end of a day in the saddle.

The minimum age for e-bikes is 12 years, and a minimum height of 150cm is recommended for the

smallest e-bike frame available.

This includes the GPS-led routes for you to follow on your self-guided cycling and walking tours, as well as attractions, coffee stops and points of interest in the towns and cities along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your phone before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

You can expect to receive your Self-Guided Pack containing your relevant holiday documents no later than 3 weeks before your holiday start date. We will send your documents using signed for courier so that you can track your package and know that they are safely on their way to you. Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start date, please do inform our sales team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

French cuisine is ingrained in French culture and is one of the country's greatest contributions to the world. It is filled with passion; a celebration of the rich natural flavours of basic ingredients, to be enjoyed with one of the countries fine wines. Meal times are leisurely, a time to be enjoyed with good company and are an experience to be savoured.

The flavours of Normandy are dictated by the 600km of coastline which supply an abundance of seafood, and by the lush green pastures perfect for dairy herds and cattle, not to mention the delicious apple orchards which produce the local specialty, Calvados.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We have ensured that your accommodation is centrally located for the sights along your way. You will stay in a selection of 3* & 4* hotels each chosen for their warm hospitality and fantastic locations along your route. All of the hotels offer something different such as lovely beachfront locations, historic properties which escaped the war undamaged, or cosy communal areas ideal for relaxing after a day on your bike. Some even offer pool and spa facilities so you can really indulge yourself on this leisurely holiday.

All of the hotels offer a typically French continental breakfast of delicious fresh breads and pastries served with your morning coffee.

It is possible to arrange additional nights accommodation if you would like to extend your time in Bayeux or Deauville-Trouville. Please speak to one of our sales team for further information.

Bike Hire

E-bike hire is included in the cost of this holiday. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

Bikes come equipped with a pannier and a handlebar bag for your daily essentials plus lights, a bike lock, pump and repair kit. It would be a good idea to bring a handlebar mount which is compatible with your smartphone.

The minimum age for riding e-bikes in France is 12 years. A minimum height of 150cm is recommended for e-bikes. We will reserve the appropriate size of bike for you based on your height.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We can also arrange children's follow-me tandems, trailers and child seats if you wish to travel with a younger family. Please note that cycling helmets are mandatory for children under 12 years old.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited to one piece under 20kg per person, and that your luggage is ready for collection each morning.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling around 45km a day on cycle paths and quiet roads. We advise to dust off your bike and head out on a few rides before your holiday.

Climate

Normandy has a maritime-oceanic climate making a humid and varied climate with heavy rain over the winter period. Normandy's proximity to the Atlantic Ocean mean that temperatures remain mild with temperatures reaching 20 degrees in the summer months.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
