Introduction

World class wines, inviting beaches, endless sunshine and smooth cycle paths. What more could you want from a self-guided cycling holiday in southwest France? This fantastic 5 night cycling adventure follows the EuroVelo 1 long distance cycle route, the Velodysee, along the Cote d'Atlantique from Arcachon (just south of France's wine capital Bordeaux) into Basque country to the seaside town of Biarritz. Cycling an average of 50km per day you can look forward to well-marked cycle routes taking you through open farmlands and vineyards; to beautiful lakes and to the historic coastal towns. Along the way you will discover the largest sand dune in Europe, France's surfing hotspots, photogenic lighthouses, and of course chateaux. Each evening you will stay in welcoming 2* or 3* hotels close to the inviting beaches where you can enjoy a relaxing swim after a day on your bike and dine on the fantastic cuisine this region is known for. If you love good food, great wines and exploring on two wheels, you will love the Velodysee.

Is this holiday for you?

If you love exploring on two wheels, cycling to the sound of crashing waves and having plenty of time to discover new cultures and cuisine then you will love the Velodysee. Cycling an average of 50 km a day on well-marked cycle paths and quiet lanes you will have plenty of time to soak up the atmosphere of life in southwest France and enjoy the many sights along the route. Plus you will have time to enjoy a boat trip from Arcachon, join a surf lesson on the famous Hossegor beach and climb Europe's highest sand dune, Pilat. At the end of each day you can look forward to warm hospitality in hotels close to the beach and feast on delicious French cuisine.

The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your phone before you leave home and you are ready to go.

Each mobile comes with a different expected battery life so we suggest you pack a spare battery pack with you just in case you require it.

You can expect to receive your Self-Guided Pack containing your tour booklet and all your relevant holiday documents no later than 3 weeks before your holiday start date. We will send your documents using signed for courier so that you can track your package and know that they are safely on their way to you. Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

French cuisine is ingrained in French culture and is one of the country's greatest contributions to the world. It is filled with passion; a celebration of the rich natural flavours of basic ingredients, to be enjoyed with one of the country's fine wines. Meal times are leisurely, a time to be enjoyed with good company and are an experience to be savoured.

This region of France is known for its rich foods made with local ingredients such as duck, prunes, and truffles. Here you can feast on dishes such as la saute d'oie (sautéed goose), coq au vin, and confit duck. And of course all these rich foods require a good wine to wash them down such as the Bordeaux which is produced in this region of France.

Given that your route follows the coastline, it is no surprise that fish and seafood also feature heavily on menus with popular dishes including fresh Marennes- Oleron oysters.

You will find many appealing cafes along your route for lunch or you may be swayed by the delicious scents of the local 'boulangerie' to enjoy a picnic of fresh bread and delicious local cheeses- yummy. Cycling in the France is not just a journey but a treat for your taste buds!

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

This trip has been designed with the coastal towns in mind. You will stay in a selection of small 2 and 3 star hotels each chosen for their warm hospitality and fantastic locations along your route. All of the hotels offer something different such as lovely beachfront locations, or cosy communal areas, ideal for relaxing after a day on your bike.

All of the hotels offer a typically French continental breakfast of delicious fresh breads and pastries served with your morning coffee. Some hotels also offer additional hot items.

It is possible to arrange additional nights accommodation if you would like to extend your time in Arcachon or Biarritz. Please speak to one of our sales team for further information.

Bike Hire

Bikes come with 21 gears and come equipped with 2 panniers for your daily essentials plus a milometer, a bike lock, pump and repair kit. We strongly recommend you bring your own helmet with you.

We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We are also able to arrange children's bikes, children's follow-me tandems, trailers and child seats. Please ask our sales team for details.

Upgrade to an E-bike

If you are looking for a bit of extra support whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £175. Just request this upgrade option with our sales team at the time of booking.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited to one piece under 20kg per person, and that your luggage is ready for collection each morning.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling an average of 50 km a day on easy cycle paths or quiet roads and we advise you to dust off your bike and head out on a few rides before your holiday.

Climate

The climate in south west France is favourable most of the year round with the breeze from the Atlantic helping to keep the summers cool and the winters mild, ideal for cycling.

Summer temperatures reach highs of around 23 degrees with July being the hottest month. Summers can be hot although winds coming over from the Atlantic Ocean help keep hot temperatures tempered by moderate, cool breezes. This temperate summer climate provides a fantastic week of cycling in the sun. Spring and autumn offer cooler temperatures of 10-19 degrees with some rainfall, ideal for those to cycle in slightly cooler conditions.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
