# Introduction

The mighty Danube, the greatest river in Western Europe, flows through ten countries from its source in Germany on its way to the Black Sea. On this one-week self-guided cycling holiday, you will pedal at your own pace through three countries - Austria, Slovakia and Hungary - following the popular EuroVelo 6 long-distance Danube cycle route.

Starting in UNESCO-listed Vienna, delve into the cultural capital of Austria with its plethora of museums, art galleries, stunning architecture and emotive music scene. Travel through rural landscapes of peaceful plains and idyllic nature reserves on your way to Bratislava, the picturesque capital city of Slovakia. This city has much more to offer than its famous bar culture and beer - learn about its noble history, with international influences over the centuries including the Romans and Hungarian nobles among many others. Crossing the Hungarian border, you will have time to immerse yourself in the beautiful old town of Esztergom before your journey culminates in Budapest, the vibrant capital city of Hungary. This UNESCO-listed city is a treasure trove of magnificent architecture, numerous thermal spas and cultural gems in addition to its sparkling nightlife.

Peddalling at a leisurely pace, you will have plenty of time to explore as you wish. Along the way you will stay in carefully selected 3-star and 4-star hotels on a bed and breakfast basis, chosen for their warm hospitality and ideal locations. With bike hire included and luggage transfers taken care of, you can simply relax and enjoy your ride. We can even assist you in extending your time in Vienna or Budapest to really get under the skin of these fabulous cities.

Looking to extend your holiday?

Fancy the ultimate Danube cycling experience? Why not combine this trip with our self-guided [Cycling The Danube - Passau to Vienna](#) holiday for a two-week, four-country bike adventure.

## Is this holiday for you?

If you love to journey on two wheels, immerse yourself in history and discover new cultures, this holiday offers a great opportunity to do just that, all at your own pace. Over 6 days of cycling you will cycle an average of 50km a day, on purpose-built bike trails and quiet country roads. Some short sections in the

cities will be on roads shared with motor traffic. The majority of the route is asphalted; there are some short distances on unsurfaced track. On the whole, the route is well signed and waymarked, and is predominantly flat. You also have the option to upgrade to an e-bike if you prefer an extra boost to your pedal power. Staying in 3-star and 4-star hotels, some with wellness facilities, you can relax at the end of the day knowing that everything has been taken care of for you.

We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

The trip starts at Vienna and ends in Budapest. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for this trip is Vienna Airport, served by many departures from UK regional airports.

If you are flying to Vienna Airport you can take the train directly from the airport to the city, which takes around 15-30 minutes depending on which train you take. At the end of the trip you can take the direct train or bus from Budapest Kelenföld back to Vienna Airport - the journey takes around 2.5 hours to 3 hours.

It is also possible to fly to Budapest Airport. From the airport, you can take the bus to the city and then the train from Budapest Kelenföld to Vienna. The total journey takes around 3 to 3.5 hours. Alternatively you can take a direct bus from Budapest Airport to Vienna Central Station - the journey takes around 3.5 to 4 hours.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Food in this region blends influences from all around Central Europe, offering up hearty and delicious fare made with seasonal ingredients hailing from the countryside. Meat features strongly in many of the dishes of the region. Expect many varieties of comforting goulash, stews, soups and dumplings of potato or flour, as well as savoury pancakes and gnocchi. You can find many sweet treats too, including the famous Austrian Apfelstrudel and yummy chocolate Sachertorte, and the lesser known Hungarian chimney cake (Kürtőskalács), or Slovakian poppy seed pastry roll (Makovník). Perhaps you might also like to sample some of the wines for which the Danube region is renowned, such as Grüner Veltliner or Riesling.

## Accommodation

On this trip you will stay in carefully selected 3-star and 4-star hotels, guesthouses, and country inns, each chosen for their warm hospitality and ideal locations as you cycle along the Danube. All the hotels have Wi-Fi, and offer continental breakfasts to fuel you on your way. Some hotels also offer spa or sauna facilities to help you relax after a day in the saddle. Accommodation is on a bed and breakfast basis in a twin or double room, some with Austrian style twin beds as is traditional in this area (two beds within one bed frame, with separate bedding).

## Bike Hire

Upgraded bike hire is included in the cost of this holiday.

Upgraded bikes are lighter than standard hybrid bikes and have a crossbar for improved stiffness and stability, offering a sportier ride. Utilising higher-grade bike components such as 27 gears and hydraulic brakes, you can enjoy more precise handling and smoother gear changes. High quality front suspension forks and a more athletic saddle offer increased comfort over a variety of surfaces and distances.

All bikes come equipped with a pannier and handlebar bag for your daily essentials, plus lights, a bike lock, pump, repair kit, and spare inner tube. Hire bikes do not come fitted with bottle cages as these impede with securing the bikes during transportation.

We strongly recommend that you bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts as whilst the cycling is leisurely and there are plenty of opportunities to stop and explore, it is always nice to have some padding for a more comfortable ride.

We can arrange tandem bikes, children's bikes, trailers and child seats upon request. Please ask our Sales Team for details.

In Slovakia and Hungary, it is a requirement for pedestrians and cyclists to be equipped with reflective strips. It is recommended that you carry a high-visibility waistcoat with you on your rides.

## Upgrade to an E-bike

If you are looking for a bit of an extra boost whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £110 - just request this upgrade option from our Sales Team at the time of booking.

## Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is under 20kg and that your luggage is ready for collection each morning.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 40-60 km a day on easy cycle paths and it is advisable to dust off your bike and head out on a few rides before your holiday.

## Climate

This part of the Danube basin has a continental climate. Temperatures vary through the season, with typical average daytime temperatures of around 15-20 degrees Centigrade in May, 20-25 degrees Centigrade in August, and 11-15 degrees Centigrade in early October. You can expect some occasional showers at any time of the year, so it is always worth remembering to pack your waterproofs just in case.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
