Introduction

Spanning Western Europe from the Atlantic Coast to the Adriatic Sea, the full length of the epic E5 long-distance hiking trail begins at Pointe du Raz in France and ends in Venice; along the way crossing the magnificent Alps of Switzerland, Germany, Austria and Italy. On this one week self-guided holiday, you will hike the most spectacular (and indeed the most challenging) section of this classic route through three countries: starting in Oberstdorf in the southernmost tip of Germany, you will traverse majestic mountain ranges across Austria, and hike over the Tyrolean Alps to reach Merano in Italy.

This is a route that will immerse you into breath taking and changeable landscapes of dramatic valleys, high passes, roaring waterfalls and idyllic pastures. Surrounded by jagged peaks and snow-capped summits, you will truly feel at the heart of the Alpine landscape. Over the week you will be embraced by warm Alpine hospitality in family-run 3* & 4* hotels, and with daily luggage transfers taken care of, you can undertake this fantastic long-distance trek carrying just your day pack, and enjoy the trans-Alpine journey at your own pace.

WHY NOT TREAT YOURSELF TO A HOTEL UPGRADE?

On this trip we are pleased to offer you the opportunity to upgrade your accommodation to 4* hotels with spa facilities. Perfect if you are looking to treat yourself for a special occasion, or simply prefer to travel with a little more luxury and comfort.

Is this holiday for you?

This classic Alpine trekking holiday is ideal for active and experienced hikers who are looking for their next long-distance challenge on foot. This is a sustained trek in an Alpine environment, covering an average of 14km each day and with up to 1,490m ascent/descent in a day. You will be hiking for around 6 hours each day on average. You must have a high level of fitness, surefootedness and a good head for heights. The terrain is varied, including forest trails, steep paths across meadows, rough rocky tracks, and loose scree slopes. There are sections on narrow paths with chain or cable handrails for additional

support, which can be difficult for those suffering from vertigo. Experience of hiking in mountainous terrain is a must for this trip. The route is well-signposted but a good knowledge of map reading would stand you in good stead, particularly in changeable conditions. Occasionally in the early season you may come across patches of late snow which will need careful navigation. For safety in the high mountains, this trip is suitable for groups of 2 or more travellers.

Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts in Oberstdorf, Germany and ends in Merano, Italy. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for the start of this trip is Munich Airport with many departures from UK regional airports.

From Munich Airport, it typically takes around 3 hours to reach Oberstdorf by train, with one change at Munich Central Station.

At the end of the trip, you can return from Merano to Munich Airport with Flixbus via Innsbruck (journey time approx. 7 hours 15 minutes).

Alternatively, the closest airports to Merano are Verona or Venice Marco Polo. If you are flying out of Verona, you can take the train from Merano via Bolzano to Verona Porto Nuova station, from where you can take the shuttle bus to the airport. To reach Venice Marco Polo, continue on the train to Venezia Mestre railway station from where you can pick up the shuttle bus to the airport.

If you wish to return to Oberstdorf from Merano, the train journey takes approximately 8 hours, with 3 changes. We can also arrange a shared transfer from a central location in Merano to Oberstdorf, please contact our sales team for a quote. A minimum of 2 passengers is required for this transfer.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Your lunch supplies can be purchased before you set off on your hike, or it may also be possible to have lunch at one of the mountain huts along the way. You should carry some cash if you plan to take your lunch at mountain huts, as they are not able to take card payments at huts. Evening meals can be taken at your hotel restaurant or at a local restaurant in town.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

One of the great things about this trip is being able to delve into the subtle cultural influences in the local cuisine as you travel through the three countries of Germany, Austria and Italy. The abundance of Alpine pastures lends itself to dairy farming and cheese production – on this holiday we have even included a sample of the organic Lechweg cheese for you to enjoy. Utilising regional produce, you can expect the menu to contain plenty of meat and dairy, with hearty and filling fare involving tender roasted or braised meats served with dumplings, potatoes or noodles. There is also plenty of variety, from the German inspired delicacies of South Tyrol such as Speckknödel, Gröstl and Apfelstrudel, to typically Italian pasta dishes.

Accommodation

On this holiday you will stay in carefully selected 3* & 4* hotels, each chosen to showcase the wonderful traditional Alpine hospitality of the three countries you will walk through in just one week. All hotels offer comfortable double or twin rooms, typically with Austrian style twin beds (two beds within one bed frame and separate bedding), varied breakfast buffets to fuel you each morning, and WiFi connectivity for sharing those stunning holiday snaps. Nestled in picturesque valleys and surrounded by idyllic mountain landscapes, each family-run establishment makes for a lovely space for you to rest and relax at the end of each day. Many also offer pool or wellness facilities - just the ticket to soothe your muscles after a good day of trekking.

It is possible to arrange additional nights accommodation if you would like to extend your stay in Oberstdorf or Merano. Please speak to one of our sales team for further details.

WHY NOT TREAT YOURSELF TO A HOTEL UPGRADE?

On this trip we are pleased to offer you the opportunity to upgrade your accommodation to charming Alpine-style hotels of 4* standard, all with spa and wellness facilities. Rooms at these hotels are also typically on a double or "Austrian twin" basis, with complimentary WiFi available throughout.

Please speak to one of our sales team to find out more. Please note that hotels are subject to availability and an alternative of a similar standard may be offered.
