DAY 1

Arrive in Montefiascone and be captivated by its charm.

Arrive at your hotel in the enchanting hilltop town of Montefiascone, set above the beautiful Lake Bolsena. Once settled into your home for the evening you can take a stroll through the captivating cobbled streets with their pretty pastel and stone buildings. Depending on your time of arrival, we recommend paying a visit to the Basilica Santa Margherita with its imposing dome that can be seen for miles around, and the Rocca Dei Papi (Fortress of the Popes). Once the home and office of Popes it hosts a garden with the most spectacular panoramic views over the entire Tuscia and its colourful patchwork countryside. WINE FESTIVAL: The yearly wine festival celebrates the famous Est!!Est!!Est!!! wine produced in the area and the streets come alive with outdoor dining and festivities. The festival takes place every August.

DAY 2

Your first day walking the Via Francigena, taking you to Bagnaccio thermal baths before arriving in Viterbo.

Waking to the beautiful hilltop views you can enjoy a typical Italian breakfast before beginning your pilgrimage to Rome. Today's target however, is the magnificent town of Viterbo, following the ancient paving of the Via Cassia through the vast plain dividing Bolsena Lake from the Cimini Mountains, their silhouette in the distance. Along your way, you will come across old drinking fountains providing the perfect refreshment break to pause and take in your surroundings. As you near Viterbo you will encounter the welcoming waters of the Bagnaccio thermal baths; dating back to the Romans these natural springs have been refreshing the body and spirits of pilgrims since the medieval period (and before that Roman soldiers). Now it's your turn to reward yourself with a visit to the warm waters before completing the final few kilometres to Viterbo. Arriving in Viterbo you will be able to check into your accommodation and explore the beautiful town with its magnificent historic centre. We recommend taking time to visit the San Pellegrino quarter (St. Pilgrim's neighbourhood) with its central square, keep towers and thirteen-century buildings.

DAY 3

Discover the unique Etruscan Hollow Roads and explore Vetralla, perched high upon the slopes of Mount Fogliano.

Feeling refreshed, your route today will take you through the unique Etruscan hollow roads; a series of pathways carved into the walls of tufa stone creating almost narrow, almost canyon-like walkways. These fascinating pathways are found in the area north of Rome and mostly in Tuscany and date back some 2500 years, with some of them up to 30m deep! Emerging from the hollow road, you will be greeted by typical Etruscan countryside as you make your way towards your final stop of the day- Vetralla. Sitting on the slopes of Mount Fogliano, the town of Vetralla (once known as Etruria) holds a prominent location at a crossroads of three Roman roads and even has historic links with England. Its importance led to the town being passed as a trophy to various nobility over the years, including King Henry VIII who put it under British protection where it remained for hundreds of years. You will have the opportunity to explore the well-preserved town with its alleyways leading to lovely piazzas. When you have finished exploring, you arrive at your hotel for the evening where you can delight in dinner.

Re-joining your pilgrimage, you first walk along the side of a volcanic crater and Lake Vico, and follow the Pilgrim markings leading your way across the pretty countryside towards the hill top village of Capranica; yet another beautiful village filled with photogenic buildings and history. You will have time to visit the remains of Torri di Orlando abbey for a glimpse into Capranica's ancient grandeur and perhaps enjoy a coffee stop before continuing on your way. Leaving Capranica you descend a tuff gorge as you follow the stream towards Sutri providing a striking contrast to the wide open plain where your pilgrimage began. Your route today takes you across the rural Italian countryside, through Monterosi where you can enjoy a morning coffee stop, and on to the majestic Monte Gelato waterfalls. These wonderful waterfalls, nestled within dense woodlands, have been used in several film sets and are a popular place to relax in nature. A lovely spot to sit, think about your journey and enjoy a picnic with the soothing sounds of the falls, or perhaps a cooling paddle. When you are ready to continue your pilgrimage and say farewell to the falls you once again begin your journey towards Rome. Walking along a panoramic dirt road, you will be accompanied by beautiful vistas as you make your way to your final stop of the day, Campagnano de Roma. Entering the town through the ancient Porta Roma (gateway into the city) and walking down the photogenic pastel Palazzi lined main street you will arrive in the pretty Piazza where you can enjoy a refreshment in one of the welcoming cafes- and perhaps a cake too. In the evening, you will be able to soak up the atmosphere of Campagnano with fellow pilgrims and sample some of the local fare in a nearby restaurant.

Walk through the Veio Regional Park, discover sleepy villages of Formello and La Stora and sample the wines of La Giustiniana after a day on the Via Francigena.

Today's route begins with beautiful views over the Lazio countryside before entering the Veio Regional Park, an area of some 15,000 hectares of nature steeped with history of Romans, Etruscans and Pilgrims. As you make your way along the gentle country trails be sure to keep your eyes open for some of the archaeological discoveries that are scattered throughout the park, reminding us of the deep history of the region. Crossing the wonderful Valle del Sorbo River you begin your climb up towards Formello, with its lovely historic centre. You will have time to explore before continuing towards La Storta, named after the series of curves the ancient Via Cassia makes through the town. The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 6-7 hours for consecutive days with some occasionally longer days.

Climate

This area of Italy benefits from a generally mild transitional Mediterranean climate with mild winters and hot sunny summers and temperatures reaching up to 30 degrees. However, as anywhere, the area can also have rainfall throughout the year, so it is always worth packing your waterproofs and rain cover just in case.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
