Introduction

Walk on undulating trails through a repeating pattern of shaded pine and cedar forest punctuated with picture perfect secluded coves. Bright sandy beaches, towering hills pocked with vegetation, and the azure blue green gentle hush of the Mediterranean as it caresses the shore. This stretch of coastline constantly surprises, from the ancient ruins of civilisations gone by, to the eternal flames that ground themselves in myth and legend, and the modern yet varied beach resorts that appear seemingly out of a parting in the trees like a mirage upon reaching the end of your days walk.

This self-guided walking holiday completes the eastern section of the Lycian Way, considered one of the 'top ten long distance trails in the world' by The Sunday Times. The walks range from long and undulating stages with occasional swimming spots, to short but sharp descents from incredible lunch stops, and viewpoints. And as a final hurrah to mark the end of an excellent week exploring this varied and spectacular coastline, you climb to one of its highest points with the help of a cable car, to soak up a view of the entire peninsula. A truly magical place atop the region's so called Olympos, Mount Tahtali.

Looking to walk the complete Lycian Way?

Fancy the ultimate Lycian Way experience? For a complete two week self-guided holiday along this stunning trail, why not precede this East Lycian Way itinerary with our [Self-Guided Walking: West Lycian Way](#) holiday; starting in Dalaman and ending in Antalya. Reductions apply for using fewer transfers in this combination - contact our Sales team for further details.

Is this holiday for you?

This holiday is perfect for you if love the combination of walking and swimming, and walking and picnicking, or if you simply just can't get enough of the Lycian Way.

The walking on this trip will be on a mixture of rocky single-track path and wide forest double-track, and the walks are between 4-7 hours depending on your walking pace. There are a couple of days with ascents up to 800m in a day, plus a mountain descent for the final day's walk. However, the week is well balanced with shorter days (and an option for a rest day) to help you recoup between the longer legs.

If you want to complete the Lycian Way, this is the trip to bolt on to our [Self-Guided Walking: West Lycian](#)

[Way](#) holiday to create the ultimate Lycian experience. Both Lycian Way trips travel in the same direction and focus on showing you the absolute highlights of this spectacular long distance trail.

Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts at Antalya Airport. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. For this 8-day itinerary we have included a return transfer for you from Antalya Airport which offers many departures from UK regional airports.

When planning your travel arrangements, please consider that the journey from Antalya Airport to Karaoz on Day 1 takes approx. 2 hours. Flights that arrive in the evening of Day 1 will mean a late arrival to Karaoz when restaurant kitchens may have closed for the evening, so you should plan accordingly.

Please ensure you inform our customer sales and support team as early as possible of your flight times so that we can arrange your transfers for you.

If you are combining this trip with our West Lycian Way self-guided itinerary, you will have an included airport transfer on arrival from Dalaman Airport to Fethiye, and an included airport transfer on departure from Antalya to Antalya Airport. In this combination, a transfer will be arranged from Demre (at the end of the West Lycian Way itinerary) to Karaoz (the beginning of the East Lycian Way itinerary). Any other transfer arrangements required that are not as described would be at additional cost.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday. We have included 1 evening meal where your stay is more remote, and less choice is available.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

One of the main reasons that people love Turkey is for its colourful and mouth-watering cuisine. Breakfasts usually consist of bread, butter, jam, honey, olives, tomatoes, cucumbers, cheese, yogurt, fruit juice and occasionally eggs, all washed down with tea and coffee. Turkish breakfasts also often include savoury items like chips and veggies.

Along your walks, you will find great cafes where you can enjoy lunch in the sunshine, or alternatively pick up fresh, locally sourced ingredients from the shops and markets to enjoy a picnic with a view. A great lunchtime snack is lahmacun; a flat, crispy bread traditionally topped with minced meat, salad, and lemon juice, folded in half to eat. Mouth-watering borek is also perfect for lunch. This savoury pastry comes in many varieties with the most popular filled with minced meat or spinach and cheese. Layers of pastry are either rolled or layered like lasagne and is delicious.

We have included one evening meal at your hotel in Beycik. On the other evenings, you will have opportunity to dine in local restaurants and you will find plenty of delicious Turkish specialities to enjoy, including the firm favourite Turkish kebab. You will find an amazing variety including durum (a Turkish burrito with slow cooked chicken, lamb, or beef), iskender (long strips of lamb cooked in tomato sauce and served over rice and pita bread with yogurt) and sis kebab (typically lamb, chicken or fish served on a wooden or metal rod). Dip it in yogurt or eat it on its own, as it's always tender, savoury, and delicious.

Other local dishes include kofte, a Turkish staple and a type of meatball or patty of ground beef or lamb that are served in stews, sandwiches or salads. Manti, which look like ravioli at first sight, is unique in taste and texture. Made of bite size beef or lamb dumplings, they are boiled or fried and served with yogurt or butter and accompanied with a variety of spices. For non- meat eaters another specialty is Dolma- stuffed vegetables. You may be used to stuffed vine leaves but in Turkey you'll find lots of stuffed vegetables including peppers, courgettes, and aubergines.

Let's not forget desserts- if like us here at KE Adventure you have a sweet tooth you can look forward to some great sweet treats from the the famous baklava, which is layered filo pastry stuffed with almond paste or pistachios steeped in syrup, to Turkish delight. Yum!

Accommodation

On this trip, we have selected a wonderful collection of small and often family-run hotels grounding you firmly within the comfort of traditional Turkish hospitality, and away from the larger beach resorts. Many of the accommodations have swimming pools, bars and restaurants. While some accommodations are simple in style, each accommodation has been chosen for their great location and wonderful homely welcome. You can expect to find tranquillity in the mountains and breath-taking beach locations to dip your toes in the surf as the sun sets over the hills - just what you need at the end of a busy day exploring! For the final night of your holiday, you will stay at a hotel in the heart of the old town of Antalya, full of history and character, and a perfect spot from which to explore the buzzing city.

All accommodation is based on twin or double rooms on a bed and breakfast basis. Breakfasts are typically continental with breads, pastries, cheese, cereals and a good helping of coffee. Turkish breakfasts also often include savoury items like chips and veggies. We have also included an evening meal at your accommodation in Beycik (Day 6) as there is less option for eating out in this small hillside village.

It is possible to book additional night's accommodation before or after the holiday itinerary so that you can enjoy this beautiful area a little longer. Please ask our sales team for more information.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your hike. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection each morning. You will also need a daypack to carry your daily essentials with you.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 to 6 hours for consecutive days on rugged paths. Some of the routes are along the coastal clifftops requiring head for heights to enjoy the fantastic views.

Climate

The best walking weather in Turkey is spring and autumn when you can expect daytime temperatures to range between 20 and 25°C and dropping to around 15 °C at night. This area of Turkey enjoys one of the most favourable climates in the Mediterranean with 300 sunshine days a year. As with any mountain region, you may experience a short lived storm which generally happens in the afternoons.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
