DAY 1

Arrive in Bergen and explore the Gateway to the Fjords.

Arrive in Bergen, check into your hotel, and explore the Gateway to the Fjords. Take a stroll through the back streets of Bryggen for a glimpse into Bergen in the middle ages thanks to the wonderfully preserved wooden architecture. Take a ride on the Floibanen Funicular to the summit of Flyen (320m) for fantastic views over the city and stretch your legs with a meander back to the city through peaceful mountainside. Alternatively, visit the fish market, which has been providing locals with freshly caught delights since 1276, and of course, sample it in one of the nearby restaurants- it is as fresh as it gets!

Your day begins by taking the bus up the wild and narrow Jostedal valley. Your walk will take you along the river as you make your way up to the icy waters with the glacier and mountains dominating it providing an impressive sight to be had. Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday plus we have included 2 evening meals when options for dining out are fewer.

Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

If you were to sum up Norwegian cuisine in a few words it would be; wholesome, local, seasonal, traditional and sometimes a little unusual. Few places in the world can offer meat and fish with such freshness and whilst the nation may have been built on its dried fish export (Torrfish) there is much more to its cuisine. You can look forward to game with moose, reindeer reared by the indigenous Sami people, deer and grouse featuring on menus, accompanied by seasonal vegetables and Raspeball (potato dumplings). Fish of course remains a staple, thanks to the regions deep-sea fishing and dramatic rivers and lakes, with fresh King crab, arctic cod and cured salmon- perfect with fresh grovbrod (whole wheat bread) or griddlecake and pickled vegetables.

For those looking to be a little more adventurous you can also look forward to some of the regions more unusual dishes such as Rommegrot (sour cream porridge) served with sugar and cinnamon. And, if that's not out there enough for you perhaps you would like to sample Smalahove (sheep's head). This is certainly not a dish for everyone but the dish originating from Voss is a traditional Christmas dish, served with mashed swede and potatoes. The most flavoursome parts are said to be the tongue and eye.

Here at KE we prefer Norway's sweeter treats, with delicious warm waffles served with fresh berries and jams from fruits slowly ripened in the Hardanger, or tasty Trollkren desert (lingonberry Cream) named after the Norwegian Trolls washed down with a locally produced cider. Yum!

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your diet with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

For this trip we have hand selected a great range of traditional Norwegian 3* hotels and guest houses, each offering a fantastic breakfast buffet to fuel your hikes, a warm welcome and lots of charming features. Staying in locations for 2 nights means that you can really relax and enjoy the tranquillity of the fjords and make the most of the hotels facilities. All of the properties offer great facilities and communal areas to relax after a busy day exploring, and some offer outdoor seasonal pools.

It is possible to arrange additional nights accommodation in Bergen before or after your trip if you would prefer to explore this fabulous city a little further. Please refer to the dates and prices tab for further details or speak to one of our sales team.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your hike. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection in the morning of each hotel change. You will also need a daypack to carry your daily essentials with you.

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The unit of currency in Norway is the Norwegian Krone.

Preparing for your Holiday

The advantage of a self-guided holiday is that you decide the pace. However, getting some additional exercise before coming on an active holiday makes a lot of sense, after all, the fitter you are the more enjoyable your holiday will be. You should be comfortable walking up to 6 hours a day for consecutive days with some steep ascents on some days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip, and it is always a good idea to spend some time in the footwear you intend on using on your walks.

Climate

Temperatures average between 8-15 degrees in May, and summer months are warmer with August temperatures between 13-18 degrees. Temperatures around the Sognefjord are dictated by the ever changing landscape; with wetter weather at the mouth of the fjord, mild climates along the shores (perfect for the many orchards which are grown to make delicious jams and ciders), and cooler, windier conditions above the fjord and glacier- so be sure to pack your layers and waterproofs to cover all eventualities.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
