DAY 1

Take your private transfer to Porto and explore the city.

Arrive in Porto, home of port wine, merchant history and stately bridges joining the city over the River Douro. Your driver will be waiting to transfer you from Porto Airport to your hotel for the evening.

Depending on your arrival time you may wish to explore this beautiful coastal city, we recommend paying a visit to Igreja de Sao Francisco for views over the river and walking through the Ribeira district where the medieval streets house many welcoming cafes and picturesque backstreets.

DAY 2

Enjoy a scenic rail journey to Peso da Regua.

Waking up to the fantastic Portuguese hospitality, you can enjoy a relaxed breakfast before being collected by your driver and taken to the train station. Here, you will take a scenic rail journey through the northern countryside to Peso da Regua on the banks of the River Douro, watching the landscape change along the way and relaxing into the rural way of life which will shape the rest of your trip. Peso da Regua is a pioneer in the world of wine, and is the founding town of the Royal Company of Vine Growers. Douro now proudly possess a formal demarcation (D.O.C), protecting the heritage of Port wine since 1756. It is from this bustling rural town that the barrels of port were transported down the river to Vila Nova de Gaia for aging in the wine lodge.

You will have time to settle into your hotel, and relax into the Douro way of life. Pay a visit to the Douro Museum, or take a stroll through the town and perhaps enjoy a taste of the region's famed wine at one of the nearby wineries.

DAY 3**Say farewell to Peso da Regua and enter into a world of vineyards, birdsong and rural villages as you make your way to Aldeia de Baixo.**

Your first walk of the week will take you through this magnificent landscape to Aldeia de Baixo. You'll notice here the contrast of rugged untouched hillside against perfectly cultivated vineyards, olive groves, and orchards of cherry and apple trees.

Crossing the river you will leave Peso da Regua behind you and enter into a world of vineyards, birdsong and welcoming villages. This is 'real' Portugal, away from the tourist hotspots, a place where you can experience authentic rural life and enjoy the simple things; beautiful countryside, great walking and deliciously fresh produce. Along your way you will encounter several sleepy villages where you can stop for coffee and perhaps enjoy a slice of Borrachao, a local speciality cake made with port from the surrounding area.

Arriving at your home for the next two nights, your hosts will be ready to welcome you. You will have time to relax in the gardens and perhaps take a dip in the pool (seasonal) before venturing out to one of the nearby restaurants where you will find hearty stews and home grown vegetables featuring on the menu.

Dating back to the mid-12th century it was once one of the richest monasteries in Portugal, you will have time to visit and explore the peaceful village, and perhaps enjoy a coffee, before starting your walk. Today's route is particularly beautiful in spring as the apple and cherry orchards you will walk through are in blossom and the wild flowers are in abundance. As you make your way north towards Aldeia de Baixo you can enjoy the mountain views of the Alto Douro and majestic Alvao Natural Park.

Arriving back at your welcoming guest house you can enjoy cooling off in the pool or perhaps relaxing in the garden with a good book before dinner.

Today begins with a short transfer to the nearby town of Armamar. You will have time to explore the town before setting off through the rural landscape towards today's delight; the UNESCO World Heritage Landscape of the Douro Valley itself. Heading north of Armamar, towards the sleepy village of Vacar, you will acquire your first taste of the dramatic landscape of the Douro Valley with its endless terraced slopes leading down to the mighty River Douro from which the region has gained its name. You will meander your way through this verdant landscape towards your final goal of the day- Quinta do Tedo. Here, we have arranged a wine tasting for you, after all, part of embracing the culture is sampling the local produce!

When you have finished sampling the fantastic local wines and learning of the wonderful production methods, you will be transferred to the nearby town of Tabuaco where you will be welcomed by your hosts for the next two nights.

DAY 6**Hike through a contrasting landscape on a circular walk from Tabuaco.**

Your route today is one of contrasting landscapes as you make your way through boulder-strewn hillsides above Tabuaco, along the undulating slopes of the Douro Valley and along plateaus providing far reaching views. Leaving Tabuaco you will ascend to Barcos, one of the Douros's six official wine producing villages. You will have time to enjoy a morning coffee before heading on your way towards the Douro River, seeing the landscape change from small independent farms to large, perfectly manicured vineyards. Reaching the half way point of your walk you will be greeted by far reaching views over the UNESCO landscape as the Douro snakes its way through the hillside. A view worthy of a picnic stop!

Passing through the lovely village of Adorigo you return towards Tabuaco accompanied by birdsong and beautiful scent of the wild flowers. Arriving back at your hotel you will have time to unwind and freshen up before enjoying the local delights in one of the nearby restaurants. Roast lamb is a specialty of this area.

You will have time to explore the village and its unique little castle perched on the hill above it, before setting off on your hike. Your walk will take you through the heart of the village to traverse the slopes of this magnificent hillside. The landscape here really is a tapestry of vineyards with each local producer having their own plantation pattern. Arriving in the village of Sarzedinho you can enjoy a morning coffee before continuing to snake your way around the hillside towards the banks of the River Douro. Crossing this meandering river you will arrive into Pinhao and your final hotel of the week where you can enjoy a cooling dip in the pool before exploring this laidback town and appreciate the local produce in a nearby restaurant.

For those who are not rushing back for a flight, we recommend taking time to enjoy a boat ride along the River Douro. There are many options to choose from but the 2 hour excursion offered by the boat companies is usually the best option. Taking you from Pinhao winding through the terraced vineyards of the UNESCO World Heritage Site with an audio guide and a glass of Port included you can enjoy a relaxed insight into the beautiful landscape you have been exploring throughout the week. Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

The Portuguese are passionate about food. It is a reason for celebration, time with family and socialising with friends, and as is typical in much of Southern Europe, evening meals are enjoyed late into the evenings with a glass of wine. Portugal's national obsession is Bacalhau, a dried salted cod which will feature heavily on menus alongside other delicious seafood. After all Portugal has almost 1800km of coastline. But it is not all just seafood. Porto and the Douro valley are known for their good wines and simple, but delicious, local cuisine. Local specialities include the caldo verde, or 'green soup', a cabbage soup containing chorizo. There are also a variety of sausages and slow cooked casseroles commonly offered- perfect after a day in the vineyards.

Whilst in Porto, you must be sure to sample 'francesinha'. Calorie heavy, but extremely delicious, this glorified sandwich is made from bread, wet-cured ham, sausage, steak and egg, all drowning in melted cheese and served with a spicy tomato and beer sauce! Note that vegetarian options, though available in northern Portugal, will be less varied. When it comes to drink, wine lovers will be in their element. Port wines are of course a must when visiting this region. Ports can be ruby, tawny, white and rosé and during the holiday there will be plenty of opportunity to sample the different varieties of this rich and delicious fortified wine.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your diet with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

On this trip you will stay in a selection of comfortable guesthouses and 3* or 4* hotels each offering warm hospitality and beautiful locations. Each hotel brings its own charm whether it's a small family run guesthouse offering beautiful gardens to relax or a hotel with a swimming pool to cool down after a day on the go on your feet.

All our accommodations are booked on bed and breakfast basis in a twin or double room and have Wi-Fi available too. Many accommodations have restaurants, perfect for those days when you just want to relax in your hotel after a busy day exploring.

It is possible to arrange additional nights accommodation if you wish to extend your time in Porto and enjoy all the buzz of the fabulous port city. Please speak to our sales team for more information.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your ride. We ask that you please ensure your luggage is under 20kg and that your luggage is ready for collection each morning. You will also need a daypack to carry your daily essentials with you.

The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking approximately 15 km per day with up to 700m of ascent for consecutive days.

Climate

The climate in this part of Portugal is mild with wet winter months and warm pleasant summers for walking with the cooling breeze of the Atlantic. The hottest months are July and August with temperatures reaching up to 25-30 degrees. From April onwards the green vines will be starting to transform the hillsides in the Douro once again. Mid to late September the grape harvest will be well underway and by early October the hills will be starting to take on a warm autumnal hue.
