# Introduction

Glistening waters, colourful villages and manicured vineyards, all wrapped up in a dramatic mountain backdrop. Lake Como is a gem you are sure to fall in love with. Lake Como has been the holiday destination of choice for the rich and famous since Roman times, when aristocrats were seduced by the lavish villas and magnificent gardens. Today it remains a holiday favourite of George Clooney and Richard Branson, who are drawn to its beautiful scenery and exquisite location.

Nestled in the Italian Lakes just a couple of hours from Milan, the region offers a fantastic network of trails and ancient mule tracks, leading you from pretty villages to spectacular villas and gardens. We have specially designed this trip with flexibility in mind, providing you with a selection of walks and visits to villas and gardens, such as at Carlotta and Balbaniello, which can be undertaken in any order to allow you to make the most of your time in the area. Your walks will take you cruising across the lake, to panoramic views, and meandering through orchards and olive groves all at your own pace. Each night you'll stay in a beautiful lakeshore village on the south west shore of the lake with views you will never want to leave. Life on Lake Como really is 'la dolce vita'.

## Is this holiday for you?

We have specially designed this short break for those who want to make the most of their holiday time and sample all that this spectacular region has to offer. You will explore the small villages along the shores and take the ferry across this famous lake to really be immersed in the culture of the area. There are opportunities to visit some of the many historic villas and gardens that are dotted along the lake shore including visits to Villas Carlotta and Melzi incorporated into the walks. Your walks are approximately 3 to 4 hours long on well-marked paths to allow an easy-pace and allow you the flexibility to pick and choose when and where to explore on each day. This is your holiday your way!

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 3 to 4 hours for consecutive days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip and it's always a good idea to spend some time walking in the footwear you are going to use on this holiday.

## Climate

Lake Como and the surrounding area have a semi-continental climate with cold winters and hot summers. The lake however also helps create a milder climate here, with temperatures in spring and autumn averaging 9 - 20 degrees, and in the summer up to 35 degrees. This combination of climates can bring with it rain and thunderstorms in the hot afternoons, so be sure to pack your waterproofs as well as your suntan lotion just in case.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas.
