Introduction

Positioned in the middle of the Mediterranean, just 93km south of Sicily, the island nation of Malta sits at the crossroads of European, African and Asian continents, with varied civilisations leaving their mark over the millennia. As a result, these small islands have a rich and intriguing history - dotted about are the remains of megalithic temples, Roman baths and spas, Christian catacombs, grand medieval palaces and Baroque churches, Victorian buildings and red English mailboxes and phone boxes.

On this one-week self-guided walking holiday, you will get to discover this melting pot of a destination with its unique contrast of vibrant city culture, holiday beach vibes and laid back rural pace of life. Your journey takes in the spectacular cliffs of southern Malta, the shimmering turquoise coves of the north, and charming island of Gozo. What's more, you will also have the chance to immerse yourself into the UNESCO-listed castle city of Valletta.

You will be based for 3 nights in the resort town of Mellieha in the north of Malta; 3 nights in the quaint and historic village of Xaghra on Gozo; and spend the final night of your trip in chic Sliema, just a short and scenic ferry ride from the capital, Valletta.

Is this holiday for you?

This delightful holiday blends beautiful coastal walking with the opportunity to delve into the history of this destination. Perfect for those who love to explore on foot, and experience the islands' culture through your taste buds with delicious cuisine. You will hike on average 5 hours each day, on undulating terrain with between 300m-500m ascent/descent in a day, walking on paths and hard packed trails. This holiday utilises well-located 4* hotels throughout, ideal for those who like to enjoy more upmarket comforts on their walking holidays.

Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

The trip starts and ends at Malta Airport. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. For this trip, we have included a return transfer for you from Malta Airport which offers many departures from regional UK airports.

It is also possible to travel to Malta by ferry from Sicily. The included arrival and departure transfer can be arranged to pick up and drop off at the ferry port.

Please ensure you inform our customer sales and support team as early as possible of your flight times / ferry details, so that we can arrange your transfers for you.

Meal Plan

This holiday is arranged on a bed & breakfast basis to allow you the most flexibility during your trip. Where there are fewer options to dine out in local restaurants on Gozo, your evening meals are also included at the hotel.

Food & Water

Tap water from the mains is safe to drink, however it tastes quite different to what many people may be used to because it is produced from desalinated sea water. You might prefer to take a reusable bottle with a filter such as [Water-to-Go](#), which can also be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Maltese food has been influenced over the centuries not only by its close proximity to Italy, but also by its position in the middle of the Mediterranean as a crossroads of international trade routes. This has resulted in a delicious melding of food cultures, with something to appeal to all palates. Here you can discover small cafes and street vendors, to high-end restaurants lauded with Michelin stars, and everything in between.

Traditional Maltese dishes are mostly meat or fish. Being an island nation, you will be sure to find the freshest catch on offer. You might like to sample the national dish called *fenkata*, a flavoursome rabbit stew prepared with vegetables, herbs and spices; *bragioli*, also called beef olives, which is a hearty dish of beef steak rolled and filled with ground meat and cooked in a rich ragu; or the traditional sausage called *zalzett Malti* with a spice profile that indicates the historic North African influence on the island. Other local specialties to try, particularly on Gozo, include *aljotta*, a fish soup; and *ġbejniet* – sheep's milk cheeselets that can be served fresh, dried, or crusted in fragrant herbs.

A favourite snack typical of Malta is *pastizzi*, a delicious flaky pastry filled with all manner of savoury ingredients such as ricotta cheese or peas. You will find small-fronted 'hole in the wall'-style *pastizzeria* shops ubiquitously available across the island.

While the traditional dishes may seem very meat-heavy, vegetarians need not fret. You will be able to enjoy meat- and dairy-free options on your holiday, with fresh vegetables, pulses, salads, meze-style dishes, pasta and pizza available.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

On this holiday you will stay in a hand-picked selection of 4* hotels throughout. You will have a base for three nights each in Mellieha situated in the north of Malta, and on neighbouring Gozo. Both of these make for comfortable and convenient locations for your explorations on these beautiful islands. You will also spend the final night of your holiday in upmarket Sliema, close to the scenic bay of Valletta.

All hotels are well-equipped with amenities including bars, restaurants, communal lounge or terrace areas as well as swimming pools, ideal for cooling off and relaxing after a day on your feet.

On Gozo, you will notice a change of pace from the larger main island to a more laid back, rural way of life. The traditional limestone villages embody the character of this unspoilt island and the accommodations here, typically converted farmhouses with pleasant gardens, reflect this rustic charm.

It is possible to arrange additional nights accommodation before or after your trip if you would like to enjoy the charms of Malta a little longer. Please speak to one of our sales team for further details.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace. However, getting some additional exercise before coming on an active holiday makes a lot of sense and the fitter you are the more enjoyable your walks will be. You should be comfortable walking for approximately 5 hours a day for consecutive days, covering a distance of up to 18km on undulating terrain.

Climate

Malta enjoys a Mediterranean climate, with hot, dry summers and mild winters. It is a great year-round destination but with little shade on many of the routes, the summer months can be too hot for walking; as such, this trip is not offered in July and August. Malta is a great destination for escaping the winter cold, with daytime temperatures typically reaching around 15C - 17C from December to February. The spring and the autumn months offer the best conditions for walking, with pleasant temperatures and limited chances of rain. Average daytime highs during these months are between 20C - 25C. Early in the year, the sea temperature will still feel fresh (around 16C), but will warm up by May to be comfortable enough to take a dip.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
