# Introduction

Step back in time and soak up the rich culture of Sicily and the Aeolian Islands, where the relaxed pace of life will leave you wanting to turn your visit into a permanent holiday. We have specially designed this trip to showcase the very best of the island's history, geology, warm hospitality and, of course, exquisite walking.

Arriving in Taormina, steeped in medieval charm, you will soon see why Sicily was an integral stop on the Grand Tour. Enjoy a guided hike on mighty Mount Etna to bring this active landscape to life, and relax over lunch at a local winery before setting sail to the neighbouring Aeolian Islands. Basing yourself on the perfectly-located island of Lipari for 3 nights, you will have plenty of time to immerse yourself in the town's colourful streets, as well as visiting the neighbouring islands of Vulcano, Salina, and Panarea, where you will have a selection of walks from which to choose. Your final walk of the week is on the magnificent Stromboli, where you will spend an evening on a guided walk so you can get up close and enjoy the theatrical lava eruptions as they light up the night sky - this is a walk not to be missed. You end your week in the ancient port city of Catania where you can soak up its vibrant atmosphere and get lost in the hullabaloo of the La Pescheria fish market for a truly Sicilian experience.

## Is this holiday for you?

This trip is ideal if you have an interest in geology, love great food, and delight in walking through history. We have specially designed this trip to provide the perfect balance of culture, coastal walking and exploring the dramatic volcanic landscapes on foot so you can really get the most out of your experience of Sicily and the Aeolian Islands. With a choice of walks of varying distances and grades from leisurely to more strenuous, you can tailor this trip to best suit you. Walking options are up to 14km with up to 600m ascent in a day, and guided walks on Etna and Stromboli provide an insight into the formation of the mighty volcanoes.

We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

Your trip starts at Taormina and ends at Catania. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Catania with many departures from UK regional airports.

If you are flying into Catania Airport you can travel via public transport to Taormina. The journey takes around 1 hour 20 minutes using a direct bus. Alternatively you can take the train from the airport to Taormina (around 50 minutes direct, or 1 hour 15 minutes with a change at Catania Centrale). Another option is a private transfer - please ask our Sales Team for more details.

Your trip ends in Catania from where you can take the train to Catania Airport (around 10 minutes), or take a taxi for a cost of around €10 - €15.

We can also arrange additional nights' accommodation before or after your self-guided trip, or you may even wish to make this trip part of a bigger trip of your own, or pair it with one of our other holidays - just ask our Sales Team for details.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday. We have also included one lunch on day 2 to allow you the opportunity to enjoy the local produce of Etna.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Sharing a meal together is at the heart of Sicilian culture so, as you can imagine, you might want to sample everything! Sicilian cuisine is completely different from your usual Italian cuisine. It is a culinary melting pot thanks to historic invasions by the Spanish, Normans, Vikings, and Arabs. Each has influenced the island's cuisine to create a foodie heaven. Here you can expect to find a plentiful menu of vegetables and seafood, with dishes such as caponata (aubergine with pine nuts) and gambero rosso (red prawns freshly caught by local fishermen). Whether you are grabbing a quick snack of arancini (delicious balls of creamy risotto which are breaded and deep fried) whilst exploring, or sitting down to a 3-course feast, the Sicilians will have poured a lot of passion into it.

Breakfasts are generally a continental affair but a firm breakfast favourite in local cafes is a warm brioche bun served with a bowl of frozen granita - crushed ice flavoured with fruit or coffee. It may not be your usual breakfast but certainly worth a try, particularly on a hot day.

Insalata Eoliana is a deliciously hearty salad and a specialty on the Aeolian Islands, perfect for fuelling your walks. Made with the island's famous capers, potatoes, tomatoes, olives, and topped with olive oil, lemon, and oregano, it is fresh and tasty. Alternatively, you may opt for a quick bite of sfincione, a variation on a pizza slice consisting of a square dough base topped with tomato sauce and possibly grated caciocavallo cheese or anchovies.

In the evenings you will find menus filled with seafood options and lots of tasty pasta dishes often featuring aubergines, a popular vegetable in the region. With an abundance of fresh fish on offer, meat doesn't have a starring role in Sicilian food, though you can expect to find veal dishes.

If like us you have a sweet tooth, then you can look forward to sampling lots of cannoli and gelato - the locals like to enjoy theirs in a brioche bun like an ice cream sandwich. Yum!

## Accommodation

For this trip we have hand-picked a selection of wonderful 3-star and 4-star hotels, each with their own personal style in keeping with the region. All hotels offer fantastic hospitality, a lovely breakfast, and have sociable communal areas perfect for unwinding after a busy day exploring, with bars, terraces, and one with an outdoor swimming pool - perfect for relaxing after a busy day exploring.

It is possible to arrange additional nights' accommodation in Taormina before your trip, or in Catania at the end of your trip, if you would like to extend your time living 'la dolce vita' - please contact our Sales Team for details.

## Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday.

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

## Currency

The currency for part or all of this holiday is the Euro.

## Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace. However, getting some additional exercise before coming on an active holiday makes a lot of sense and the fitter you are the more enjoyable your walks will be. You should be comfortable walking on rugged terrain for approximately 3-4 hours a day, covering a distance of up to 10km and ascending up to 500m.

## Climate

Sicily and the Aeolian Islands have a typically Mediterranean climate with hot, dry summers and cool winters. April to July, and September to October, are when temperatures are the most pleasant. At these times of year, daytime temperatures will vary between 20 and 30 degrees centigrade, falling to between 10 and 20 degrees centigrade at night.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Books

Lonely Planet Sicily

The Rough Guide to Sicily

A House in Sicily - Daphne Phelps

Sweet Honey and Bitter Lemons - Travels in Sicily on a Vespa - Matthew Fort

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.
