Introduction

The lush green island of Madeira sits around 500km off the coast of Morocco and is often referred to as 'the Pearl of the Atlantic', a title justly deserved. This spectacular island really is Portugal's colourful garden, bursting with exotic plants, and is steeped in history having been a strategic port for Portuguese explorers during the Age of Discovery. On this fantastic one-week self-guided holiday you will circumnavigate the island to discover the deep roots of Madeira's heritage, witness the colourful flora, taste the delicious Madeiran delicacies, and walk in the footsteps of great explorers.

The island is a walkers' paradise thanks to the fantastic network of levadas, not to mention the miles of beautiful coastal walking and high plateaus above the steep valleys left behind by its volcanic past. Your routes will take you to the tranquil springs of Ribeiro Bonito, to the northern coast with views across to neighbouring Porto Santo, and to the centre of the island high upon the Plateau Paul de Serra. And when you have finished exploring you will retreat to pretty coastal towns to enjoy a relaxing swim or enjoy a glass of wine in our great selection of hotels.

Is this holiday for you?

If you want to experience Madeira's rich culture on foot then this is the holiday for you. The spectacular steep valleys and coastal paths provide breathtaking vistas for surefooted walkers with a head for heights. Using the island's amazing network of levadas and fantastic coastal paths, you will walk an average of 14km a day, with up to 600m of ascent each day, to lovely villages, vibrant botanical gardens, and wild coasts. You will spend 5 nights in a selection of excellent 4-star hotels, some with spa facilities, and two nights in a lovely family run 2-star hotel in Porto da Cruz. Plus, staying on a bed and breakfast basis means you can experience the island's warm hospitality as well as having the opportunity to sample traditional dishes in the many local restaurants.

We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

Your trip starts at your hotel in Porto da Cruz. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

It is not just fantastic walking this Pearl of the Atlantic has to offer. The island's fertile volcanic soils and incredible network of levadas make for a plethora of fresh and tasty produce, not to mention the fantastic seafood the local fisherman catch daily from the surrounding North Atlantic Ocean. This holiday is on a bed and breakfast basis allowing you to sample all the great tastes the island has to offer.

The island has many fantastic seafood restaurants serving delicacies such as grilled limpets fresh from the grill served with garlic butter, lemon and local bolo do caco (a typically Madeiran flat round bread). For meat eaters we recommend sharing picado with your travelling companion; made with fried chunks of beef, garlic and red peppers served in a large dish surrounded by French fries designed for everyone to grab a fork and dig in.

Food is varied and plentiful on Madeira and it's not just savoury dishes the Madeirans excel at. Across the island you will find bakeries filled with delicious treats to satisfy any sweet tooth including the traditional Portuguese tarts pastel del nata and bolo de mel, a honey cake traditionally eaten at Christmas time. And let's not forget the aperitif for which the island is famed- Madeira Wine. The fortified wine comes in many forms from a sweet dessert wine to a dry aperitif making the perfect end to an evening meal or a souvenir to remember a great holiday on the island.

Accommodation

We have hand-picked a great selection of 3-star and 4-star hotels for your trip, as well as a lovely family-run 2-star hotel in Porto da Cruz. Each accommodation has been specially chosen for its great location and warm hospitality, and each offers something different such as a wellness centre, pool, or a cosy bar - perfect for relaxing after a day out walking on the island.

Each accommodation offers a great breakfast to fuel you for the day ahead, and is in close proximity to many bars and restaurants where you can enjoy a traditional Madeiran meal.

It is also possible to arrange additional nights' accommodation if you would like to extend your time on the island. Please speak to our Sales Team for more information.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your walk. We ask that you please ensure that each piece of your luggage is under 20kg and that your luggage is ready for collection in the morning on the day of each hotel change. You will also need a daypack to carry your daily essentials with you whilst you are walking.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 3 to 5 hours for consecutive days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip and it's always a good idea to spend some time walking in the footwear you are going to use on this holiday.

Climate

Madeira has a mild sub-tropical climate, with the Gulf Stream helping to ensure pleasant temperatures all year round. The warmest months are July and August with maximum temperatures of around 26 - 27 degrees centigrade, and in February and November it is a little cooler at 18 - 20 degrees centigrade, so this makes the shoulder seasons of spring and autumn absolutely ideal for being active on the island. Madeira generally has sunshine all year round, with May through September being the driest months and seeing very little rain. October through March can be wetter, but with still just an average of 6 days of rain per month. Of course, there would be no beautiful greenery on Madeira without a little rain!

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
