## Introduction

---

Take an adventure in Gothenburg's neighbouring natural playground on this one-week self-guided walking holiday as you island-hop your way around the Bohuslan Archipelago. A series of 8,000 rugged granite islands make up this magnificent region, and provide a charming backdrop as you walk along stunning coastlines discovering hidden inlets and the traditional fishing villages with their colourful timber houses. This is a place that gives you the feeling of being remote, yet has the convenience of being just a couple hours away from Sweden's second city.

Walking up to 4-5 hours a day, you will discover the island of Marstrand, the imposing Dyron Ravine on the island of the same name, and the colourful seafront of Smogenbryggan on Smogen. Staying on the islands in hand-picked small 3-star and 4-star hotels means you can really get under the skin of island life, as you are there when the fishing boats have come back into harbour and the day visitors have headed away. We have balanced the exploration of this remote-feeling region with three nights in Gothenburg, so you can really get into the Swedish way of life. Strolling through the city's Haga Quarter, stopping for fika at one of the many trendy cafes, hopping on the tram to the tranquillity of the botanical gardens, and of course enjoying the fresh seafood and delicious cinnamon buns as big as your head - yum!

### Is this holiday for you?

If you can't choose between getting away from it all on a far flung island or enjoying the hustle and bustle of city life, then this is the self-guided holiday for you as you can do both! You will spend five days exploring the weather-beaten beauty of the Bohuslan Archipelago, walking up to 4-5 hours a day along rugged coastlines taking you to idyllic swimming spots and quaint fishing harbours. It's everything you picture when you think of Sweden. You will also spend two days in Gothenburg with its diverse culture and eclectic mix of neighbourhoods, taking in the immaculate botanical gardens and the Anggardsbergen Nature Reserve before absorbing the mood of the chilled out city centre with its various quarters. Staying in small 3-star and 4-star hotels you can be sure of warm hospitality at the end of each day.

We even include some tips for the best places to stop for lunch.

Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

The trip starts and ends at Gothenburg. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Gothenburg with many departures from regional UK airports.

If you are flying to Gothenburg you can travel via an airport shuttle bus to Gothenburg city centre. The bus stop is directly outside the arrivals hall. Buses runs approximately every 15 minutes and the journey takes around 35 minutes. For more information visit <https://www.flygbussarna.se/en>.

We can also arrange additional nights' accommodation before or after your self-guided trip, or you may even wish to make this trip part of a bigger trip of your own, or pair it with one of our other holidays - just ask our Sales Team for details.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the opportunity to enjoy dining in one of the local restaurants. We have also included one picnic lunch when options along your route are more limited.

Many restaurants in Sweden offer a daily lunch special that makes lunchtime eating out excellent value. Typically, a set menu would include salad, bread, water, a main course of meat/fish/vegetarian, and coffee. Look out for signs that say "dagens ratt" or "dagens lunch" (dish of the day).

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

No dish screams Sweden more than Swedish meatballs, a staple on any menu usually served with creamy mash potato and a generous helping of lingonberry jam. However, there is a lot more to Swedish cuisine than just meatballs. The country has been striving to rebrand itself as a food destination over recent years with high quality restaurants, bistros and cafes popping up throughout the country. Moreover, with the right to roam written into Sweden's constitution, foraging is not only encouraged, but dishes featuring foraged ingredients appear in many restaurants too, illustrating the Swedish love of nature. Along the coast it will come as no surprise that seafood is the star on most menus with the big 5 (fresh oysters, shrimp, mussels, crayfish and lobsters) a plenty. You may be surprised to hear that sushi is a huge food culture in Sweden too and certainly worth a try for sushi lovers. It makes sense when you think about it- they have an abundance of fresh fish!

Meanwhile, in Gothenburg the 'whole and half special' is a popular street food. Created in the 1940's in the Vagmastarplatsen square on Hisingen when two local footballers ordered the dish. It consists of a hotdog topped with mash potato. It isn't a dish for everyone, but it is certainly worth a try.

A food culture which is much more to everyone's liking is the Swedish Fika culture, roughly translated to coffee break. Fika is a serious business to Swedes with businesses taking a break twice a day to enjoy a coffee and a sweet treat. If you want to travel like a local, you need to ensure you allow time for your fika breaks along your walk. Cinnamon buns and cardamom buns are a popular choice and delicious too!

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

We have hand-picked a great selection of 3-star and 4-star hotels for this trip, some with wellness centres for you to enjoy after a busy day exploring. All of the hotels offer comfortable bedrooms, and great communal areas such as restaurants and bar areas. Plus, staying in each location for 2 nights means that you can really make the most of the hotel facilities. In Smogen you will stay in an aparthotel, allowing you extra space to relax with a seating area and kitchenette in your room.

It is possible to arrange additional nights' accommodation in Gothenburg before or after your trip if you would like to explore the city a little more - please ask our Sales Team for details.

## **Baggage Allowance**

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. We ask that you please ensure your main luggage is limited to one piece under 20kg per person and that your luggage is ready for collection on the morning of the luggage transfer. You will also need a daypack to carry your daily essentials with you whilst you are walking.

## Passport & Visas

### Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

## Currency

The unit of currency in Sweden is the Swedish Krona.

## Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace. However, getting some additional exercise before coming on an active holiday makes a lot of sense and the fitter you are, after all, the more enjoyable your walks will be. The walks take you along the fantastic coastal paths, which can be rugged under foot but provide fantastic wild panoramas. You should be comfortable with walking 3 to 4 hours for consecutive days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip and it's always a good idea to spend some time walking in the footwear you are going to use on this holiday.

## Climate

Thanks to the Gulf Stream, Sweden benefits from a mild climate for its longitude and has distinct seasons much like the UK. Just like the Brits, the Swedish love to talk about the weather.

The south-western area where this trip takes place experiences shorter, milder winter months than the north of the country and has warm summers with temperatures ranging from 15-25 degrees Celsius, making it ideal for walking.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Books

- Lonely Planet Sweden
- The Rough Guide to Sweden

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
