

Bernese Oberland Haute Route - East

Trip Code: EBO

Version: EBO Bernese Oberland Haute Route - East

MOUNTAINEER

GUIDED GROUP

CHALLENGING

HIGHLIGHTS

- Complete a high-level traverse of Switzerland's Bernese Oberland from west to east
- Walk across Konkordia and the Aletsch, Europe's biggest glaciers
- See the Alpine giants of Eiger, Monch and Jungfrau and stay in mountain huts
- Led by expert IFMGA guides, this is a perfect first mountaineering adventure
- Combine with [Bernese Oberland - West](#) to complete the full traverse

- [FREE Equipment hire worth £100 is available for this holiday](#)

AT A GLANCE

- 6 days trekking and climbing
- Max altitude - 3962 metres
- Join at Kandersteg, End in Interlaken

ACCOMMODATIONS & MEALS

- 7 Breakfasts
- 6 Dinners
- 5 nights Mountain Hut / Refuge
- 2 nights Hotel

[VIEW DATES, PRICES & BOOK YOUR HOLIDAY HERE](#)

Introduction

This is a simply superb Alpine trekking holiday combining glacier walking with some easy climbing in the Bernese Oberland of Switzerland. Close to the picturesque ski town of Kandersteg in Switzerland, the Bernese Oberland is one of the most impressive mountain groups in the entire European Alps. This adventurous glacier-walking holiday makes a high-level trekking traverse of the eastern section of the range, with some easy climbing sections. During this high level traverse of the Bernese Oberland we will be trekking among a collection of dramatic Alpine peaks including the famous trilogy of Eiger (3970m), Monch (4099m) and Jungfrau (4158m). We will negotiate high and rugged terrain, including the Aletsch alpine glacial system which has at its heart, the famous junction of glaciers known as Konkordia. Trekking across several airy alpine mountain passes and spending nights in spectacularly situated Bernese Oberland refuges, we also make an ascent to the snow-capped summit of the Abeni Flue (3962m).

From this high vantage point, our climbing effort is rewarded with a magnificent alpine panorama that includes the Matterhorn, distant Mont Blanc and the stunning pyramidal peak of the Finsteraarhorn (4274m), the highest summit in the Bernese Oberland. This is an excellent walking holiday and an ideal introduction to glacier trekking and climbing technically easy Alpine peaks. This holiday can be combined with our Bernese Oberland Haute Route West to create a sensational complete traverse of the Bernese Oberland.

Is this holiday for you?

This is real mountain travel holiday, following good trails to the snowline and also involving sections of scrambling, snowslope climbing and glacier travel, where ropes, crampons and an ice-axe will be used. We average 6 to 8 hours walking each day, with some longer days and tough climbs. You should have some previous experience of walking with crampons before coming on this holiday. Previous experience of roped glacier travel is not required. The group will be led by English-speaking IFMGA guides and guiding is at a ratio of 1:6.

Please be aware that routes in the high glaciated mountain regions are subject to changing conditions and difficulties. The Alpine Guides may need to make changes to your planned route at very short notice.

Itinerary

Version: EBO Bernese Oberland Haute Route - East

DAY 1

Meet at the hotel in Kandersteg.

Meet at the hotel in Kandersteg, a pretty village situated under the the towering Bluemlisalp range of peaks. The holiday begins with the evening meal.

Our guide will meet us in the evening, for an informal chat about the week ahead. This is also a chance for our guide to check out your clothing and gear. After this, it will be time to sit down to dinner.

Meals: **D**

Accommodation
Hotel

DAY 2

Transfer to Selden (1537m), Hike up to Lotschenpass Hut (2689m).

We make a transfer to the hamlet of Selden (1537m) in Gasterntal. Crossing the suspension bridge, we start out on a steep trail leading up to Gfellalp and onto Balme. From here we cross the remains of the Lotschgletcher and ascend rocky terrain, where the footpath, in places is secured with wire ropes, leads to the Lotschenpass Hut.

Meals: **B D**

Accommodation
Mountain Hut / Refuge

Ascent
1350M

Descent
10M

Time
7 hours walking

Distance
12KM

DAY 3

Trek to Fafleralp Hideaway Resort (1784m).

Today we make the traversing descent via Sattlegi, Arbachnubel, Weritzstal and finally to Fafleralp (1784m). Generally descending all day but always with a few ups, on good trails. At Fafleralp, amongst the pine trees, are traditional houses, including the Chaplin House named after the famous guest Charlie,

and a hotel, with a splendid terrace to enjoy a beer and the view. There is a small shop where extra snack food to be purchased. Night in basic accommodation in the Langgletcher House, renovated in 2023. Showers available.

Meals: **B D**

	Accommodation Mountain Hut / Refuge		Ascent 340M		Descent 1235M		Time 7 - 8 hours walking
	Distance 15KM						

DAY 4

Trek to Hollandia Hut (3235m) via Langgletcher.

Today we leave the trees and green pastures behind as we walk into the heart of the Bernese Oberland. Our ascent up to the Anen Hut (2358m) is by a good path and takes around 2 hours. After a short break, we trek via Langgletcher to Hollandia Hut. Thus continuing our journey up the Lotschental to the head of the valley, where the Hollandia Hut is situated. We need to access the Langgletcher by a short descent, once there, we put on harness and crampons and find our way through a complex maze of ice. Finally reaching the snow-covered glacier we ascend to the Hollandia Hut (3235m).

Meals: **B D**

	Accommodation Mountain Hut / Refuge		Ascent 1450M		Time 6 - 7 hours walking		Distance 11KM
---	---	---	------------------------	---	------------------------------------	---	-------------------------

DAY 5

Climb the Abeni Flue (3962m) and trek across Konkordia Platz to the Konkordia Hut (2850m).

Our objective today, is to climb the Abeni Flue (3962m), which marks the high point of the trek and also provides us with fantastic views of the Western Alps, including Mont Blanc, the Matterhorn, the Jungfrau, the Monch and the Finsteraarhorn. The climb of the Abeni Flue requires a very early start and is dependent on good weather and good snow conditions and will take approximately 6 hours. After returning to the hut, we continue via the Grosse Aletschfirn Glacier and across Konkordia Platz (the largest glacial expanse in the Alps). The day's finale is the impressive iron stairway to the Konkordia Hut (2850m). We will have earned a drink on the terrace.

Meals: **B D**

	Accommodation Mountain Hut / Refuge		Ascent 1580M		Descent 1100M		Time 9 - 10 hours walking / climbing
	Distance 22KM						

DAY 6

Trek across the Grunhornlucke Pass (3280m) to the Oberaarjoch Hut (3258m).

Descending the stairway in the morning is even more exciting! We have a lot of glaciers to cross today, first to the Grunhornlucke (3280m). Crossing this pass we descend to the Fischergletcher and continue down the glacier, passing below the Rotloch (2843m). Often quite complex route finding is required to get onto the next glacier, the Galmigletscher. From here we ascend to the Studergletscher and a final section of uphill takes us to our overnight stop at the Oberaarjoch Hut (3258m). A series of cables and ladders gives access to this hut where we can relax and enjoy the fantastic views down to the barrage of the Oberaarsee and across to the Finsteraarhorn (4273m).

Meals: **B D**

	Accommodation Mountain Hut / Refuge		Ascent 1100M		Descent 600M		Time 8 - 9 hours walking
	Distance 15KM						

DAY 7

Trek via the Oberaargletsche & Oberaarsee Lake to the Grimsel Pass (2165m). Transfer to Interlaken.

A long and easy descent of the Oberaargletscher leads us to a good trail beside the reservoir of the Oberaarsee, where we find soil, grass and an amazing array of flowers. At the end of the lake, we cross the dam and head for a well earned refreshment at the hotel before making the final easy walk (approximately 1.5 hours) down to the Grimsel Pass. Here we catch the post bus to Meringen and then a train to the town of Interlaken, magnificently situated between two lakes in the shadow of the Eiger, Mönch and Jungfrau. Arriving here we check into our comfortable hotel. Dinner is not included in the holiday price for this night to enable the group a free choice of venue for a celebratory meal.

Meals: **B**

	Accommodation Hotel		Ascent 200M		Descent 1300M		Time 4 - 5 hours walking		Distance 15KM
---	-------------------------------	---	-----------------------	---	-------------------------	---	------------------------------------	---	-------------------------

DAY 8**Departure day**

The holiday ends after breakfast.

Meals: **B**

Holiday Information

What's Included

- Professional IFMGA qualified guide(s) on a 1:6 ratio
- All accommodation as described in the trip dossier
- Meals as detailed in the Meal Plan
- Transfers required by the itinerary (except airport transfers)

What's not Included

- Travel insurance
- Airport transfers
- Some meals as detailed in the Meal Plan
- Miscellaneous expenses - souvenirs etc.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

Day 1

Meet at the hotel in Kandersteg.

For clients arriving by air, the easiest way to get to Kandersteg is to fly to either Geneva Airport or Zurich Airport and travel by train from there. There are railway stations at Geneva Airport and at Zurich Airport and there are regular trains to Kandersteg. From Geneva the journey is approximately 3 hours 30 minutes and from Zurich, approximately 2 hours 30 minutes.

Day 8

The holiday ends in Interlaken. There are regular trains to Geneva airport (approximately 3 hours) and Zurich Airport (approximately 2 hours). To book tickets for individual journeys within Switzerland go to www.sbb.ch/en

We will provide hotel contact details and an emergency number for all clients, as well as directions for those travelling by car.

Meal Plan

All breakfasts and 6 dinners are included in the trip price. Packed lunches and snacks can be bought in the huts. On some days there will also be the possibility of having a hot lunch either at a hut encountered on route or a late lunch taken at our overnight halt. You should allow around CHF15 for a packed lunch from the hut or CHF 20 -30 for a hot lunch. Most groups prefer to choose a restaurant for the final evening meal in Interlaken and we have therefore not included this meal in the price of your holiday. We suggest 30 - 40 Swiss Francs should be sufficient to cover this meal.

Food & Water

When in the towns and villages all tap water is drinkable. In mountain huts there is usually not a sustainable drinking water supply. Water in plastic bottles is brought in to the hut. All huts have a recycling point. If you have to purchase water in plastic bottles please buy the largest bottle you can so as to use less plastic. Please take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water if you can fill from a local stream. Bottled water is not provided. We do not encourage the purchasing of single use plastic bottles. Local authorities are working to find solutions to using plastic water bottles in huts. We monitor the situation carefully for updates.

As you might expect, the food available in restaurants, hotels and even in mountain huts in this part of Switzerland is excellent. Continental breakfasts and full 3-course evening meals are included everyday. Lunches and/or hill snacks can be purchased in Kandersteg for the first day's trek and from the mountain huts on subsequent days. Note that the water from taps in the huts is not drinkable. It is possible to fill water bottles with a refreshing weak tea available after breakfast or bottled mineral water can be purchased (approximately CHF15 for a one and a half litre bottle).

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During this trip the group will have a total of 2 nights in simple hotel accommodation in Kandersteg and Interlaken. Whilst in the mountains, there are 5 nights spent in mountain huts or similar accommodation. Accommodation throughout the trip is on a non-segregated, dormitory-style basis. In some high mountain huts, washing facilities are limited. Single rooms are not available.

Group Leader & Support Staff

The group will be led by an English-speaking IFMGA guide. Guiding is at a ratio of 1:6

Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

Please note that this is Switzerland and you should take your money in the form of Swiss Francs. A total of CHF [350](#) - 500 should be sufficient to cover all personal expenses, including hill food snacks or lunches, drinks, bottled water in the huts (none of the huts have drinkable water and so this does need be purchased, which can add up to about CHF [180 - 270](#)) and other incidental expenditure. There are cashpoint facilities at Geneva Airport, Kandersteg and Interlaken. If you are intending to hire or purchase items of equipment, you should budget accordingly.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack (of around 30 - 40 litres). For international flights please check your baggage allowance with your airline. Since group members will carry all personal equipment during the trek, it is important to keep the overall weight of this equipment to a minimum. Neither a sleeping bag nor a camping mattress is needed and it should be possible to keep the weight of your pack to under 10 kg.

Whilst in the mountains you will leave your main bag and travel clothes in the group's hotel in Kandersteg and these will be transported to your final hotel in Interlaken. Luggage with wheels can be useful for this holiday.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a trekking or climbing trip getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. We would suggest that you adopt a weekly exercise regime leading up to your trip. Jogging, squash and swimming are good for developing better stamina. Before departure, we suggest that you try to fit in a number of long walks in hilly country.

Climate

The temperatures that we can expect to encounter during the day will be reasonably warm, ranging from 10°C / 50°F to 25°C / 77°F. It can be cool in the evenings at our highest overnight stopping places, falling close to freezing point at night. The weather is usually stable during July and August, but mountainous areas do generate their own weather systems and occasional rain and even stormy weather cannot be ruled out. You should be prepared for all eventualities!

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](https://www.gov.uk/travelaware)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Private Groups Information

Make this KE Adventure holiday your own!

- Do our normal group departure dates not fit?
- Would you prefer to travel with just friends and/or family?
- Are you looking to organise a trip for your local walking, biking or mountaineering club?

It's really easy to make a trip your own. Simply select from our full range of adventure holidays and choose the dates that work for you and your group.

We are experts in creating holidays for groups of friends, families, charities and clubs. Our personal service means you'll be fully involved as we make the arrangements for your perfect adventure holiday.

Independence with Security

Travelling as a KE Private Group allows you more flexibility and choice, but still with the peace of mind that everything is pre-planned and arranged for your group by a reputable adventure travel company.

To take your first step to an amazing adventure with your friends and family complete the private group enquiry form, or call our **Sales Experts on: 017687 73966**

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.

Equipment Information

Equipment List

The following checklist should help you with your packing. As a general rule, you should always try to keep the weight of your pack to a minimum.

You must bring the following items:

- Mountain Boots (see notes below)
- Crampons - MUST be fitted with anti-balling plates*
- Crampon bag* (when hiring crampons a bag is automatically included / can not be hired separately)
- Ice Axe*
- Helmet*
- Mountaineering harness*
- Screw gate karabiner x 1*
- Gaiters
- Socks - walking socks are best (2/3 pairs)
- Trekking Trousers (i.e. not cotton)
- Waterproof overtrousers - with long leg zip designed to put on whilst wearing boots
- Underwear
- Thermal Base Layer x 2 (one long sleeved for glacier travel)
- Fleece jacket
- Waterproof jacket (with hood)
- Extra warm layer - (primaloft or lightweight down)
- Sunhat

- Warm hat
- Sunglasses - category 3 or 4.
- Thin gloves - thermal or leather
- Very warm winter type gloves or mittens
- Sleeping bag liner/sheet sleeping bag (silk is lightest)
- Rucksack (30 - 40 litres should be sufficient)
- Head torch with new batteries
- Sun Protection (high factor for skin)
- Lip salve - with sunscreen
- Water bottles - 1 litre x2 (we encourage re-filling water bottles rather than single use plastic)
- Water purification tablets
- Small, lightweight wash kit and pack towel
- Dry bags(s) for daypack/kitbag contents (to ensure they keep dry)
- Small hand sanitizer gel
- Basic First Aid Kit including: Antiseptic cream, throat lozenges, diarrhoea treatment (Imodium), painkillers, plasters, blister treatment (zinc oxide tape and 'Compeed'), and re-hydration salts (Dioralite).

The following items are optional:

- Trekking poles x 2 with baskets (highly recommended)
- Long johns

- Shorts (for non-glacial travel)
- Rain cover for Rucksack
- Earplugs (particularly if you are not the one snoring!)
- Repair kit – (eg. Pen-knife, needle, thread, duct tape etc.)
- Camera
- Travel Clothes (can be left at your hotel)
- Travel Shoes (can be left at your hotel)
- Reusable cloth bag for shopping (to avoid plastic bags)

Notes

Mountaineering Boots: Recommended boots for this trip are comfortable, warm and sufficiently stiff to take a crampon securely (a sturdy B1 or a 'worn in' B2 boot is ideal). Rigid B3 boots are NOT suitable for this trek.

Crampons: Modern strap on crampons are perfectly acceptable for this trek and will fit any boot. All crampons MUST be fitted with anti-balling plates. Grivel Crampons - G10 or G12 with a strap system are excellent and they come fitted with anti-balling plates. We do not recommend semi-automatic crampons for use with softer boots since with this system, the pull on the heel can lead to blisters. Aluminium crampons are not suitable for this trip (they are not strong enough over mixed terrain).

Equipment hire: Equipment marked with a *can be hired from KE. This can be reserved when you book your trip or closer to your departure but we advise booking hire equipment as soon as possible to ensure availability - equipment hire must be booked through the KE office prior to your departure. Any hired equipment will be collected on arrival from your guide, we do not hire mountaineering boots, but there are several shops in Chamonix renting boots that are suitable for this trip.

Sleeping bags are NOT required as bedding and hut shoes/slippers are provided at mountain refuges. However, you should bring a sheet sleeping bag.

Needle Sports (specialist mountaineering equipment shop)

Needle Sports is the English Lake District's foremost specialist climbing shop supplying mountaineering, rock, ice, alpine and expedition equipment worldwide. Internationally recognised as among the very best of the UK's top technical climbing gear retailers. They have a good range of equipment appropriate for

this trip and offer knowledgeable advice both on their website and in store. View

>><http://www.needlesports.com/>

Land Only Information

Please refer to the 'Joining Arrangements & Transfers' within Holiday Information for further details.

Flights and other transport to your destination should not be booked until you have received your booking confirmation and the departure is showing 'Guaranteed to Run' or 'Limited'.

Land Only Information

We sell this holiday on a Land Only basis and recommend that you book your flights to either Geneva Airport or Zurich Airport. There are regular trains from each of these airports to Kandersteg and from Innertkirchen.

Why Choose KE

Why KE

We were the first to offer this fantastic and little-known route. Be led by our expert IFMGA guide and enjoy a genuine small group adventure, with a max group size of 6. This holiday can be combined with our Bernese Oberland Haute Route West to create a sensational complete traverse of the Bernese Oberland. FREE equipment hire worth £100 is available for this holiday

Please Note This document was downloaded on 14/07/2025 and the trip is subject to change
