Introduction

This is THE adventure holiday for families who want to explore some of the incredible palaces and sites of Rajasthan whilst ensuring there is time for relaxing by the pool, enjoying cycle rickshaw rides, making curries, watching a Bollywood movie; a real immersion into the bustle of Indian life.

We will explore the sights of Old Delhi and take a rickshaw ride down its charming backstreets before boarding the train to Agra and the Taj Mahal. Here, we will experience the magic of sunset falling upon this most beautiful of buildings. We have a cycle rickshaw cycle around the wetlands at Bharatpur, with a bewildering array of birdlife.

At the world-renowned Ranthambore National Park, we have a real chance to spot a tiger in the wild with two included game drives. We may even find time for a cricket match with the local children. We visit the must-see sights in the 'Pink City' of Jaipur, and also got to cinema to catch a Bollywood movie and, for the budding chefs amongst us, a cookery lesson to create a tasty curry! Nearby, we will explore the magnificent and imposing Amber Fort, where we can imagine life as the maharaja, before visiting the ancient, mystical town of Pushkar. This incredible value holiday truly maximises our time in Northern India and offers the perfect blend of history, wildlife and stunning landscapes to delight the entire family!

Is this holiday for you?

Suitable for children from 6yrs old

This is a family adventure holiday to some of the greatest attractions of Northern India. Our longer journeys are by train which makes travelling easier and more interesting. Any road transfers are in air-conditioned private vehicles. We use a high standard of accommodation, with the majority of hotels outside Delhi having swimming pools. Our guides are well versed in keeping the children entertained and will ensure a steady stream of activities such as quizzes and cricket matches arranged with local children.

On the last day of the Land Only itinerary, there will be a single timed transfer back to Delhi Airport for the morning flight.

Anyone may join the group transfers by prior arrangement. Travelling as a group saves energy. If this is not practical, we can provide private transfers at an additional cost.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts and dinners are included in the holiday price. You can choose your own lunch and the guide will suggest a suitable establishment, or they will be taken at the hotel. The food in India is delicious and there will always be plenty of choice.

Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

Part of the experience of a family holiday to India is the truly amazing food on offer. Most of us are familiar with Indian cuisine but the real thing can be quite different to the dishes we know from Indian restaurants. In all the places that we stay it will also be possible to order western-style dishes.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

In Delhi we have 2 nights in a centrally located hotel. In Agra, Bharatpur, Ranthambore, Jaipur and Pushkar we stay in hotels with swimming pools. All hotels are simple and chosen to be family friendly, well located and with reasonably facilities where possible.

Children under the age of 12yrs will usually share rooms with their grownups. This might be a twin, triple or quad room, a double with an extra bed, or multiple rooms depending on the number of family members. The extra beds in the rooms are usually mattresses on the floor with proper bedding - this is standard in India. If you are travelling with children over the age of 12yrs, you will be in separate rooms or sharing twin/multi-bed rooms. Please talk to us about your requirements and we will do everything to ensure that you are happy with your rooming allocation.

Additional hotel nights are available pre and post the holiday. All hotels are subject to availability and prices may vary.

Group Leader & Support Staff

The group will be accompanied throughout the tour by a professional, English-speaking local tour leader. During the holiday the group will also have the services of English speaking local guides for the city tours and of expert naturalist guides for the safari tours.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

We recommend the average family (mum, dad and 2 kids) will need approximately £400 for lunches, miscellaneous expenses, including tips to local staff, beer, soft drinks, etc. It is not necessary to purchase local currency (Indian Rupees) before you travel. We recommend taking your spending money in the form of cash. Sterling and US dollars are readily exchanged in Delhi or it is possible to withdraw your money from ATM's in all major towns and cities. Credit cards can be used to purchase some goods and are particularly useful for more expensive souvenirs.

Guidance on Tipping

For your tour guide we recommend that you give a tip if you feel that their services have met your satisfaction. As a rough guide we suggest a tip to your tour leader the equivalent of £15 - 20 per family member (with perhaps a little more for small groups of five or less). You may also wish to tip your driver(s) but we would suggest this should not be greater than half the amount you give to your tour guide. In hotels you should give a tip of around 30 - 60 rupees to hotel porters.

Additional Information

The Archaeological Survey of India (ASI) are responsible for the conservation of many monuments in India (including the Taj Mahal). This organisation will occasionally undertake work to restore the various monuments, but often without notice, so it is difficult to forewarn our customers of this work. It is possible that, at any time, monuments on this holiday could be having work done on them.

Beat the Jet Lag

Our holidays are normally designed with minimal 'down time' at the start of the trip, but having a day or two at the beginning will have the additional benefit of allowing you time to get over the stress of a long journey or travelling across time zones, leaving you refreshed and ready for your holiday. We can easily arrange for you to have additional nights and airport transfers.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

The currency of India is the Indian Rupee.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
