Introduction

Sitting at the heart of Central Asia, the republic of Uzbekistan has a richness of history matched by few places on earth. A succession of conquering forces, from Alexander the Great to Ghengis Khan and his descendants, have left their unique mark on the region's culture and architecture. We start out exploring Khiva, before following the Oxus River to the magical Silk Road oasis of Bukhara, which flourished in the 9th and 10th centuries. We'll also travel to Samarkand, one of the undoubted wonders of the world, with its mosaic-clad and turquoise-tiled monuments. Here we'll stay in a well located guesthouse, close to the Bibi-khanym Mosque, one of the largest and most magnificent mosques in the Islamic world and commissioned by Tamerlane himself. As well as visiting Uzbekistan's most famous cities, to allow us a better understanding of Uzbekistan and it's people, we will also enjoy some easy paced mountain walks, and ride camels across the steppe, in the high valleys of Zarafshan and Nurafan mountains, where we have the opportunity to meet the Uzbek shepherds and farmers who make their livelihood in this rarely-visited part of the greater Pamir range. During this part of the holiday we stay as welcomed guests at village homestays and experience nomadic shepherd life sleeping in a traditional yurt. With a unique blend of sightseeing and straightforward mountain walks, this is a superb adventure holiday situated at the crossroads of Asia.

Is this holiday for you?

This holiday is a mix between sightseeing, cultural discover and easy-paced mountain walks, which will allow us to gain a fuller understanding of this fascinating part of the world. Three of our walking days are relatively short (days 7, 8 and 11). There are 2 options for the walk on day 9 - either a short walk around the foothills of the Zarafshan foothills near Tepakoul or a longer walk traversing the range of around 8 - 9 hours. This extended day-hike is entirely optional. All of our walking is on good trails and walking times will vary between 4 - 6 hours. Please note that the sightseeing tours in Khiva and Bukhara will be primarily on foot which allows for a more personal experience of life in these ancient cities. There will also be some reasonably long drives on roads of variable condition. There are 3 nights where we will use basic but charming village homestay accommodation, which will be a real highlight of the holiday, and 2 nights in a traditional yurt.

Holiday Itinerary

Day 1: Meet at the group hotel in Tashkent. A single transfer from Tashkent Airport is provided. Fly to Khiva.

Arrive at Tashkent Airport in the early hours of the morning. After meeting your guide or a representative of the local agent, KE Land Only package services begin with the group transfer to a hotel in the city where hotel rooms are provided for a brief rest and the opportunity to wash and change. After breakfast, there is time for sightseeing with our guide in the Uzbek capital, including the Tchorsu Bazaar and the Koukeldash Madrasah. After lunch in the city, later in the afternoon we return to the airport and fly to Urgench, from where we take a short transfer to our hotel accommodation in the town of Khiva, which is close to the border with Turkmenistan.

Day 2: Guided tour of the Silk Road city of Khiva including the Ichkan Kala with its blue-domed madrasahs.
Khiva is an ancient settlement, with a long and turbulent history. There may have been a city on this spot for more than 1500 years. More recently, Khiva was the capital of an important Khanate in the 17th century and was a major Silk Road trading centre. The Ichan Kala (historic centre) has more than 50 important monuments, including palaces, mosques, mausoleums and madrasahs (schools of Koranic learning). On our sightseeing tour we will visit Tosh-Houli Palace and Juma (Friday) Mosque. Later in the day there will be some free time for independent exploration. The ancient city looks particularly magical in the late afternoon as the sun begins to set. This is best viewed from the minaret of the Juma Mosque. We spend a second night at the hotel in Khiva.

Day 3: Drive along the Oxus River to Bukhara, following in the footsteps of Alexander the Great.

Today, we make a reasonably early departure for the drive back east. After the first hour, our road runs alongside the Oxus River, locally known as the Amu Darya. Here we are following in the traces of Alexander the Great, whose army passed this way in 329BC. Turning away from the river, we cut through the striking landscape of the Kizilkum Desert, stopping off for lunch at a roadside restaurant and reaching our guesthouse in Bukhara in the late afternoon. Journey-time will be around 6 - 7 hours.

Day 4: Exploration of Bukhara `Pearl of the Desert`, a UNESCO World Heritage Site.

Bukhara is another important Silk Road city. It is the most complete example of a medieval city in Central Asia, with a structure that has remained largely intact. Bukhara was one of the largest cities of Central Asia, owing its prosperity due to its location on a rich oasis at the crossroads of ancient trade routes. It became a major cultural centre of the Caliphate of Baghdad in 709, and in 892 the capital of the independent Samanid Kingdom. It was destroyed in 1220 by the Mongol horde of Genghis Khan. Every stage of the city's history can be glimpsed today. The earliest monuments include the 10th century Ismail Samani Tomb, the decorated brick minaret of Poi-Kalyan from the 11th century, along with the Magok-i-Attari Mosque and the Chasma Ayub Shrine. The Timurid period is represented only by the Ulugbek Madrasah. The most celebrated buildings date from the Shebibanid period - the Poi-Kalyan group, the Lyabi-Khauz ensemble, the Kosh Madrasah, and the Gaukushon Madrasah. The historic part of the city is, in effect, an open-air museum and we will have a full guided tour today, the first of our 2 days in this city known as the 'Pearl of the Desert'. Of particular interest is the Ark Fortress, former home of the Bukhara Khans, where, in the 19th century the Emir of Bukhara had the English officers Stoddart and Connolly imprisoned and killed. Much of the "The Great Game", the battle between Imperial Britain and Tsarist Russia for control of the Central Asian states was played out in this part of the world. During the course of the day we will also visit the Tim Abdullah Khan (covered market), where we find beautiful hand woven silk Ikat, the ancient Zoroastrian temple, the Kukeldash Madrasa, the Nodir-Devon Begui and we will also take a walk in an old Jewish quarter and visit the synagogue. After a full day of sightseeing we return to our guesthouse for a second night.

Day 5: A second day in Bukhara, with time for further exploration of this amazing Silk Road city.

After yesterday's guided sightseeing, we will have the opportunity today to do some exploring on our own. As well as its famous monuments, Bukhara has excellent bazaars and tranquil squares, such as Lyabi-Hauz, shaded by mulberry trees and a great place to take it easy. Watch the world go by as you sip a cup of green tea in one of the Chaikhanas (tea shops) or visit one of the city's hammomi (baths) for a hammam steam bath and massage. The hammomi in Bukhara are housed in ancient buildings and are amongst the most atmospheric in the country.
Bukhara is an excellent place to shop for souvenirs, with a wide range of goods available from street vendors and the shops in the ancient bazaars. Overnight at our Bukhara guesthouse.

**Day 6: Drive to Nurata, a desert oasis. Visit to an Alexandrian Fort and then on to a desert yurt camp.**

It's back into our bus today, for the drive north and east towards the lake of Aydarkul. Our first stop is at the ancient oasis of Nur, now known as Nurata, where the sacred 'Chasma' spring rises close to 2 mosques and flows through the town in a narrow canal. The spring waters are teeming with fish, which are considered sacred and grow to a good size. There is also the ruin of an Alexandrian fort on a low hill above the mosques and visiting it will both stretch our legs and give us great views over the town. Our overnight stop tonight is in a yurt camp at Yanghigazgan, a short drive from Nurata.

**Day 7: Onward to Lake Aydarkul where we take a short walk. Transfer to Urazmat village.**

This morning, there is the opportunity to take a ride on camelback. Then, we will drive north for an hour or so to Lake Aydar. Amazingly, this 200 kilometre-long lake is a recent development, having arisen as an accidental by-product of the damming of the Syr Darya River in the late 1960's. This flooded former salt flat now appears to be a permanent feature of the landscape and has been stocked with fish, which thrive in the slightly salty water. We will go for a hike along the shore, meet the local fishermen, take a picnic lunch and maybe even have a swim. Returning to our transport, we drive to the village of Urazmat, where we spend the night in a homestay.

**Day 8: Walk across the Nurata Mountains, ascending to a 1500m pass. Drive to Tepakoul village.**

To gain a better appreciation of this culturally rich region, we go for a 6-hour walk across the Nurata Mountains, which form a 200 kilometre-long chain, rising to just over 2000 metres, on the south side of Lake Aydar. Our walk takes us through a picturesque valley, home to shepherding communities, and across a 1500 metre pass. We drop down to the village of Andak. In the late afternoon, we make the 3 hour drive south to the Uzbek village of Tepakoul (travelling via Samarkand), where we stay with the villagers in a homestay.

**Day 9: A morning's walk in the Zarafshan Mountains. Overnight in Taragay village.**

This morning we enjoy a walk into the Zarafshan Mountains, the western extension of the Pamir-Alay Range that reaches greater prominence in neighbouring Tajikistan. After lunch at the homestay, we return to Tepakoul and drive (3 hours) to the traditional village of Taragay, the birthplace of Tamerlane's father. Once again, we spend the night with the local people in a homestay in the lovely traditional village of Taragay.
Day 10: A day's excursion to Shakrisabz to visit the remains of Tamerlane's White Palace, Drive to Ayoqchi.

After breakfast, we drive to the ancient city of Shakhrsabz, formerly known as Kesh. This is a pleasant place, set within a green landscape of orchards and vineyards and was the summer home of Tamerlane. It has a number of important architectural landmarks linked to Tamerlane, including the ruins of the incredible Ak-Saray Palace, the Jahangir Mausoleum, which dates from the late 14th century and is the resting place off Tamerlane's eldest son. We'll also be able to visit the impressive Kok-Gumbaz Mosque, built by Ulugbek, Tamerlane's son and successor and the mausoleum of Sheikh Shamseddin Kulyal, spiritual guide to Tamerlane and his father. Shakhrsabz is a traditional centre of handicrafts, especially embroidery, and is a good place for souvenir hunting. After our visit, we make the drive to another Zarafshan foothills village, Ayoqchi, for our third night in a homestay.

Day 11: Walk to the head of the Zarafshan valley, transfer to Samarkand.

Today we have a half day walk to Alvastikul, a pool in the river at the head of the valley beyond Ayoqchi. This 5 hour walk takes us through foothills and mountain villages, whose principal crop is potatoes. Higher, we will find open pastureland and meet local shepherds. We return to the Uzbek family for late lunch. In the afternoon, we will meet our transport and drive for to Samarkand and our guesthouse.

Day 12: Full day guided tour of Samarkand including the Registan, the Gur Emir complex and the Shah-i-Zinda.

Today you can choose to explore independently or to join a guided city tour. Our tour of the city will include the Registan, one of the most magnificent squares in the Islamic world. The 3 Madrassahs (Islamic colleges); Ulug Beg, Tillya-Kari and Shir Dor, that border the square have been restored to their former glory. We will also visit Gur Emir, where the tomb of Tamerlane lies beneath an enormous slab of dark green jade. The interior of the mausoleum is ornately decorated with blue and gold panels. We'll also visit the astronomer King Ulugbek's observatory and the Afrosiab History museum. Other highlights will be a visit to the Bibi-Khanym Mosque, built for Tamerlane by his favourite wife, Bibi-Khanym, and the atmospheric Shah-i-Zinda mausoleum. We spend one last night at the guesthouse in Samarkand.

Day 13: Departure day. A single transfer to Samarkand Airport is provided.

We make an early morning transfer to Samarkand Airport, where KE Land Only package services end.

Meal Plan

All meals are included in the holiday price.

Food & Water

Meals are either taken at our overnight accommodation or in local restaurants. Breakfasts consist of yoghurt or eggs, fruit juices, bread, tea and coffee. Lunch will be mostly taken in in restaurants, although packed lunches will be provided on some occasions. Dinner is a three-course meal and will usually include a selection of salads and bread, sometimes soup, a main course that could be a "pot au feu" style stew or the local plov (rice pilau) speciality followed by cake or fresh fruit for dessert. All meals in Uzbekistan are served with copious amounts of delicious green tea. Please note that vegetarianism is not a concept widely understood in Central Asia and choices for vegetarians will be much more limited. You may also wish to bring along some snacks from home. If you are vegetarian please remember to inform us of your dietary requirements before you travel.

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a Water-To-Go bottle) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

Special Diets
Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot provide special diets. Due to the nature of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your diet with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During this holiday the group will spend 2 nights in guesthouse accommodation in Khiva and 3 nights in guesthouse accommodation in Bukhara. We will then 1 night at a traditional yurt camp, followed by 4 homestay nights at different villages in the Nurata and Zarafshan mountains. We finish the holiday with 2 nights at a Samarkand guesthouse.

Please note that the sleeping arrangements in the yurts and homestays are communal, with 3 to 6 people sharing a room. Toilet and shower facilities are basic, but available in both yurts and homestays. Mattresses and bedding are also provided although we suggest everyone brings a light sleeping bag to supplement the bedding. The simplicity of arrangements is more than made up for by the warmth of the welcome from the local people.

The hotel and guesthouse accommodation is allocated on a twin-sharing basis. If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. It is not possible to pre-book single rooms at the guesthouses, yurts or homestays. Single rooms can be arranged in Samarkand and at our Tashkent hotel. You may be able to arrange a single room on arrival at the guesthouses in Khiva and Bukhara, depending on availability, and pay the difference to the tour leader.

If you are planning on extending your holiday additional nights at the group hotel are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

Spending Money

Approximately $200 should be allowed for miscellaneous expenses. This will allow you to pay tips of approximately $50 to the local staff. We recommend that you take your travel money in the form of US dollars cash. Money can be changed at a reasonable rate at the airport or at the hotel in Tashkent. Please note that whilst better rates of exchange can be obtained on the black market in the bazaars, unofficial exchange is illegal and can result in imprisonment. For this reason we advise you change money only at accredited bureaux. Credit cards are of limited use in Tashkent and Samarkand. On arrival in Uzbekistan Airport you will need to complete 2 copies of the Customs Declaration Form (ask for copies of the form in English if none are available). The forms asks for a declaration of the amount of currency you are bringing in to the country - please be careful to state correctly exactly how much money you have with you in different currencies. One form will be retained by Uzbek Customs, you will retain the other copy until departure. On departure you will need to complete another form showing how much currency you are taking out of the country. Once again, please be careful to state the exact amounts and note that it is illegal to take more money out of the country than the sum you arrived with.

Guidance On Tipping
In Central Asia, it is usual to tip the members of your trek crew, including your local guide, if you are happy with the services provided. As mentioned above, we estimate that $50 will cover this aspect of your trip expenditure. The guide will help the group to determine an appropriate level of tipping for drivers and other local staff.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from ‘Available’ to ‘Guaranteed to run’. You can check the trip status for each departure in ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status and so you are free to proceed with your international flight booking and other travel arrangements.

Recommended Outdoor Retailers

Many of the Equipment items listed above are available from Cotswold Outdoor - our 'Official Recommended Outdoor Retailer'. When you book a holiday with KE you will receive 15% discount voucher from Cotswold Outdoor and other retailers.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our Travel Insurance page for further information and to get a quote.

General Information

Passport & Visas

A passport with 6 months remaining validity at the end of your stay is generally required for visits to countries outside the EU. The information that we provide is for UK passport holders. Please check the relevant embassy or consulate for other nationalities. It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Visa requirements and charges are subject to change without notice. If you are travelling outside the EU you should have at least 2 blank pages in your passport for each country that you visit.

Visa information is changing all the time. Please ensure that you check for the latest advice before travel.

Visa Uzbekistan

'British Citizen' passport holders and Australian, New Zealand, Irish and Canadian passport holders do not currently require a visa for Uzbekistan for stays of up to 30 days. If you hold any other type of UK passport you will need to check with the Uzbekistan Embassy whether an e-visa is required.
US nationals will require a Single Entry Uzbekistan e-visa, which can be applied for here: [www.e-visa.gov.uz](http://www.e-visa.gov.uz). The e-visa costs $20 (Oct 2018) and is valid for a period of up to 30 days with a single entry. You must visit Uzbekistan within 90 days from the date of issue. Processing may take 2-3 days.

**Health & Vaccinations**

**Severe Allergies**

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

**VACCINATIONS**

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](http://www.travelhealthpro.org.uk).

**Electricity Supply & Plug**

We recommend you check if you require an adaptor for your electrical items at: [http://www.worldstandards.eu/electricity/plugs-and-sockets/](http://www.worldstandards.eu/electricity/plugs-and-sockets/)

**Preparing For Your Holiday**

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

**Climate**

In Tashkent and Samarkand, the daytime temperature in April and May will be around 20 to 30 degrees centigrade. In the mountains it will be cooler, 15 degrees during the day and 10 degrees at night. In September and October, daytime temperatures range from 20 to 35 degrees centigrade in the cities. The temperature can drop to single figures overnight at the desert camp at Yanghi-Gazgan and it can feel chilly in the evenings whilst staying at the mountain villages so you are advised to take a warm fleece jacket. The weather is usually good throughout the summer, with clear skies and little rain or snow.

**Travel Aware**

As a reputable tour operator, KE supports the British Foreign & Commonwealth Offices' [Travel Aware](http://www.travelaware.campaign.gov.uk) campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCO and
are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use. We have pledged to AITO's Project Protect that 70% of our agents stop using single use plastic bottles.

Flight Information

Flight Inclusive Or Land Only?

On our website we display a UK Flight Inclusive package price and Land Only package price for the majority of our holidays.

Flight Inclusive Notes

The FLIGHT INCLUSIVE dates and prices are based on UK flights from London to Tashkent International Airport (and back from Samarkand) with Turkish Airlines. Outbound flights will depart from the UK in the morning, arriving in the early hours of the following day (Day 1 of the Land Only itinerary). Return flights will depart from Samarkand in the early morning of the last day of the itinerary, arriving in the UK in the afternoon on the same day. Regional departures and/or alternative carriers are available on request.

Please be aware that there are often only a limited number of seats available at the advertised price. To avoid paying flight supplements, we recommend that you book as early as possible, especially during peak times. If we are unable to secure seats at the price shown, or you have requested regional departures, we will contact you with an alternative quote. Please note that you may be asked to pay for your flights in advance of your final holiday balance. Note that if you book a package including flights with KE you will benefit from full financial protection.

Land Only Notes

The LAND ONLY dates and prices are for the itinerary joining in Tashkent, Uzbekistan, and departing from Samarkand, Uzbekistan. For clients making their own flight arrangements, Tashkent International Airport is the most convenient for transfers to the group hotel. Please refer to 'Joining Arrangements and Transfers' for further details.
Flights SHOULD NOT be booked until you have received your booking confirmation and the departure is showing 'Guaranteed to Run' or 'Limited'.

Why Choose KE Adventure Travel?

Operating since 1984, KE Adventure Travel has some of the most experienced staff in the business, with the proven ability to set up and operate a worldwide programme of adventures. Everyone has adventure travel at heart and joins at least one trip a year. It is this depth of experience that makes KE stand out from other adventure travel operators. When you contact KE, by phone or e-mail, or visit our office, you will find the help and advice you need, from someone who has actually done the trip and can give you the benefit of their first-hand experience.

KE can guarantee the very best in trip support, excellent food, a good standard of hotel and other accommodation, plus the back up of one of the most respected companies in the business. Client satisfaction is at the top of our agenda and almost 50% of our bookings each year come from repeat business. If you are looking for adventure then look no further than KE.

Group Tour Leaders

All of our holidays are accompanied by an experienced leader, some of whom have worked with KE groups for many years. Many are professional guides and instructors with an unrivalled knowledge of the areas in which they work. In many parts of the world, we recruit local guides with appropriate training and experience. In addition to having the technical skills to ensure your safety, KE expects its leaders to be active members of the group. A leader should be fun to travel with and ready to share with you their enthusiasm for adventure travel and their knowledge of the area. Alongside the group leader, there will be a local support crew, which could be just a driver, or a complete team of guides, drivers, porters, mule-herders and cooks. The hard work of our support crews, along with the fascinating insight they can offer into their local culture, is integral to providing you with the very best adventure travel experience.

Sustainable Tourism

Since we ran our first trip in 1984, we have been committed keeping the world's most beautiful places pristine by minimising our environmental impact. Recognising the fragility of the world's wilderness environments, we keep our groups small and operate according to a 'Mountain Code', which is provided to all groups, trek leaders, agents and staff. We make sure that our local staff are well treated and well paid, we respect indigenous cultures, take care to protect the environment of the places we visit and take every opportunity to make a positive contribution wherever we travel. Our philosophy of 'leaving nothing but footprints' has been integral to KE's approach right from the start over 30 years ago. In recognition of our efforts we are proud to have achieved the highest award of 5 Stars for Sustainable Tourism by AITO.

We continue to travel responsibly, and more information on our policy, practice, and specific projects can be found at www.keadventure.com, and on the website of our partner charity the Juniper Trust: www.junipertrust.co.uk. KE's Mountain Code is issued to our staff, trek leaders and overseas agents, and we recommend it to our clients, too!

Booking Your Holiday

The easiest way to make your booking is online. You will need to pay a deposit at the time of booking. This is normally £200 but for some holidays with special permit fees or internal flights, this may be more. The amount of
deposit required for an individual holiday is given on the dates and prices page of the holiday. Late bookings will require full payment. We cannot confirm any booking until we receive your fully completed booking form.

**Adventure Travel Insurance**

It is a condition of joining any of our trips that you are insured against medical and personal accident risks (to include repatriation costs, air ambulance and helicopter rescue services). We also strongly recommend that you take out holiday cancellation insurance, as all deposits paid are non-refundable. Please ensure that your insurer is aware of your KE Adventure itinerary and can agree to cover the activities being undertaken. You will then need to advise us of your policy details and complete an Insurance Declaration Form.

CAMPBELL IRVINE DIRECT travel insurance is available to EU residents and will cover the majority of KE Adventure holidays. It has been designed to provide cover for activities normally excluded by other insurers such as trekking, mountain biking and climbing. Please note that certain activities may attract a higher premium. In addition 'Campbell Irvine Direct' cannot provide cover for KE climbing trips above 6000m. Cover for these can be obtained through either the British Mountaineering Council (BMC) or Snowcard.

TRAVELEX is a USA based insurer offering travel insurance, which can be used by US citizens and US residents only. KE recommends the "Travelex Select" package for our holidays. If your holiday involves using mountaineering equipment (ropes, harness or crampons), for climbing or glacial travel, you should consider the "Adventure Plus Pak" optional upgrade on the Travelex Select Plan. Please refer to the 'Description of Coverage' for a summary of the terms, conditions, exclusions and limitations of the applicable Protection Plan. This policy will also cover KE climbing trips above 6000m.
