Introduction

La Palma, often referred to as the "Isla Bonita" (the beautiful island), is the greenest island in the Canary archipelago. Despite its striking beauty, it only sees a fraction of the visitors that the major islands receive. The verdant forests, dramatic cliffs, secluded black sand beaches, and extensive network of trails that crisscross the island's varied landscapes make La Palma a walker's paradise.

On this centre-based holiday, we base ourselves in the town of Santa Cruz de La Palma, surrounded by the best restaurants and facilities on the island, and head out each day to walk in the finest parts of the island. Highlights include the smoking volcano of Tajogaite, Taburiente National Park, and the ascent to La Palma's summit, Roque de los Muchachos.

Is this holiday for you?

This excellent holiday is centre-based and includes a variety of walks that follow a mix of rural tracks between villages, smaller footpaths, and forest trails. Most of the trails we use are well-maintained, but you may encounter sections of loose rock and volcanic terrain that can be muddy or slippery in wet weather. Walking days are between 4 - 6 hours with regular ascents and descents meaning this holiday is perfect for regular, active walkers. La Palma is a volcanic island and hilly so we've planned a number of the days to include more downhill than uphill. The holiday is centre-based so each day you can opt in or out of the walk and enjoy a relaxing day in Santa Cruz de la Palma if you decide to have a day off walking. Due to the high trails and occasional narrow paths, we don't feel this holiday suits those with a fear of heights.

Meal Plan

7 breakfasts, 6 lunches and 1 dinner are included on this holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Breakfast each day will be continental style, consisting of tea and coffee, bread, toast, butter, jam, honey, and fruit juice. Lunches will be picnic-style, which we'll carry with us to enjoy during the day. In the evenings, we'll dine at local eateries, where the evening meal is a social affair on La Palma. Some restaurants offer a fixed menu of two or three courses, while others provide a tapas-style menu. Tapas is a great way to sample a variety of local dishes.

La Palma produces its own wine, with an excellent selection of local varieties, the most popular being Malvasia. Originally a honey-coloured, medium to sweet wine highly praised by William Shakespeare, the grape now produces a range of quality white, red, and rosé wines, from very sweet to very dry—so there's something for everyone. Worth sampling is the "ron miel," or local honey rum, served over ice. Don't forget, summer Sangria is widely available!

Accommodation

On this centre-based holiday, we stay in a comfortable hotel in the heart of Santa Cruz de La Palma, the island's main town. We are surrounded by the best shops and restaurants in La Palma and are just a couple of minutes' walk from Santa Cruz de La Palma Beach. The rooms are well-appointed, featuring twin beds and en suite bathrooms.

Group Leader & Support Staff

The group will be accompanied throughout the holiday by a local tour leader.

Spending Money

Approximately 250-350 Euros should be sufficient for miscellaneous expenses, including meals not included and drinks. If you intend to buy souvenirs you should budget accordingly. ATMs are available at the airport and in Santa Cruz. Credit cards can be used on the island.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

This is a moderately-paced walking holiday which includes a fair amount of ascent and descent and it makes a lot of sense to spend some time before coming on any active holiday, getting some additional exercise. The fitter you are the more enjoyable you will find the holiday. While regular hiking is the best preparation, any weekly form of exercise (running, cycling and swimming) is good for developing cardiovascular fitness. Before setting off we recommend that you make time to fit in a number of 5 - 6 hour walks in the hills.

Climate

La Palma boasts a mild and varied climate that makes it an ideal destination year-round. The island's unique topography creates distinct microclimates, ranging from the lush, green north, characterised by temperate weather and frequent rainfall, to the sunnier, drier southern regions, where warm temperatures prevail. Average temperatures typically range from 15°C in winter to around 25°C in summer, making it pleasant for walking. Visitors can enjoy sunny days interspersed with cool breezes, especially at higher altitudes, where the air is fresher and cooler.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
