# Introduction

Come join us for a wild summertime adventure on Sweden's West Coast. From the granite faces and dusty trails you'll find whilst rock climbing and mountain biking, to the beautiful calm waters and picture perfect islets of the Bohuslän Archipelago, this place is simply serene, and a perfect adventure playground for families to explore and enjoy. Our guides will help us to develop and enhance our skills in kayaking, climbing, and mountain biking, and find the perfect island for us to pitch our tents for a truly wild camping night on an uninhabited island. Their encyclopaedic knowledge of these waters means that whatever our experience or abilities, they will be able to adapt our sea kayak adventure so that all of us can enjoy it whilst still creating a properly wild overnight adventure for the whole family.

## Is this holiday for you?

This is the perfect trip for children and adults alike to develop new outdoor skills and to experience the natural beauty of the Bohuslän Archipelago. No kayaking experience is required for this trip but all members of your family should be competent swimmers and comfortable in the water. This trip is suitable for both novice and returning paddlers. No climbing or mountain biking experience is required either, and all specialist equipment for all activities will be provided. The trip has an advisory minimum age of 8 years and over.

## Joining Arrangements & Transfers

### TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

We will meet on day 1 of the itinerary in Uddevalla where we will be collected by a transfer to our accommodation in Gustafsberg.

The nearest airport to Uddevalla is Gothenburg-Landvetter. To transfer from here, you will need to get a bus into the centre of Gothenburg (Nils Ericson Terminalen/Goteborg Centralstation), before catching a train to Uddevalla Ostra station. The train costs the equivalent of around £10 per person, takes 1hr 9mins and runs hourly throughout the day. Check prices and timings and book in advance\* at [www.omio.com](http://www.omio.com).

**\*please don't book any tickets until your trip has been guaranteed to run.**

### Meal Plan

Breakfasts and lunches provided throughout, and one evening meal on the wild camp evening where we will all participate to create a dish cooked on open fire.

### Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Food in West Sweden naturally consists of plenty of seafood, picked from the ample coastline of this region, which is usually paired with foraged herbs and berries from the interior. Try the mussels here, grown in local waters and known to be some of the best in the world. The restaurant at Gustafsberg, where we will be dining out on our arrival day, serves a great selection of meals, from meatballs and lingonberries, to burger and chips, but the highlights again are the seafood. There is always a catch of the day, and many other fresh and cured options, as well as plenty of vegetarian and vegan options too. Everyone should be catered for on this trip regardless of dietary restrictions but if you have any specific dietary requirements or concerns please speak to our sales team and they will be able to advise you further.

## Accommodation

### Early Summer Hostel / Late Summer Hotel

All nights, except our wild camping night, we will stay at either the Gustafsberg Tvaan hotel, or on our early departures the Gustafsberg Hostel. The Hotel Tvaan is one of the historic bath house buildings built in the 19th Century for the nobility of the area to visit and bathe in the sea. Sweden's first seaside resort. It now operates as a small but perfectly formed hotel. The rooms are bright and airy with period features throughout, and the facilities are minimal but functional. The rooms are twin or double and families will be placed in adjoining rooms.

For our early summer departures, we have opted for the wonderful hostel accommodation at Gustafsberg. This accommodation allows us to sell our trip to you at a lower price, but as such, the rooming options are more limited with bunk bed rooms, shared shower rooms, and toilet facilities.

### Wild Camping

On our wild camping night we will be in double tents, there will be enough tents provided for all family members, and you will only be expected to share with members of your own family.

### Group Leader & Support Staff

The group will be led by professional and qualified, English speaking guides.

### Spending Money

Approximately £500 per family (2 adults & 2 children) should cover tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Sweden is an almost completely cashless society, so an interest free international credit card will be invaluable here, although if you prefer to use cash, there will be the opportunity to change money into SEK on arrival at the airport, as well as at ATMs in Udevalla, which we pass through on arrival, as well as at several points throughout the week.

### Guidance on Tipping

We suggest you give a tip to your guide if you are satisfied with their services. This is probably best done as a group pooling something around £10 (125 SEK) per family member.

### Baggage Allowance

This is a centre based holiday, therefore your only restriction should be based on that of your airline (or other mode of transport). Please also make sure to pack a daypack or two per family, for essentials on your activity excursions. This will also be useful for your overnight wild camp where you will need a change of clothes and some snacks. Your daypack will then be 'drybagged' and stored safely by the guides within watertight containers on each kayak. Luggage with wheels is useful for this holiday too.

# General Information

## Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (see *Health & Vaccinations below*), **and visas for your holiday**. Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

On holidays to more remote areas you should also have a dental check-up.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates.**

## Currency

The currency in Sweden is the Swedish Krona (SEK).

## Climate

The weather on the west coast of Sweden is generally settled and warm similar to the fine days of an English summer. Expect 15 - 25 degrees centigrade, and predominantly settled and sunny weather, although we should also pack waterproof and warm layers just in case, as the weather in Northern Europe can never be fully guaranteed.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
