Introduction

National Geographic voted Donegal the Number 1 Coolest Place on the Planet and it's true that this a region clings to its romantic remoteness, earning itself the Irish nickname of The Forgotten County. Biking here, it doesn't feel like the modern world has had much impact - traditional Irish cuisine and language still play an intrinsic part of Donegal. The scenery has a wild, rugged beauty and you'll cycle past Slieve League - some of Europe's highest sea cliffs - through the haunting wilderness of Glenveagh National Park to the shimmering shores of fjord Lough Swilly and along the coastline to Ireland's most northernmost point, Malin Head. We think that this is possibly the coolest, most remote, wildest part of Ireland!

Is this holiday for you?

This holiday is suitable for people with a good level of bike fitness, who regularly enjoy biking and may have joined a multi-day biking trip before. • Distances each day will be between 35 - 45 miles (55 - 70 km), biking at around 12/13mph. • Each day, we will bike the rolling and hilly terrain of Donegal, with notable climbs most days. • Some climbs will be more testing and riders may opt to push or ride in the support vehicle. Often, climbs are also followed by exciting descents. • We will be on our bikes for 5 - 7 hours each day plus the odd longer day. There is also time each day for breaks and lunches, plus some visits to sites of interest in Donegal.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Evening meals will be taken either in local towns, which offer a good choice of restaurants to suit every taste, or perhaps in a different location in the countryside, depending on the day's cycle. Each morning, enjoy a homemade breakfast of your choice at your accommodation. Lunch will be taken in cafés or a Picnic along your route. Throughout the day, your guide will provide water and tasty, Irish snacks. Evening meals are included on the first and last nights only. For all other evenings, your Guide can provide expert recommendations.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

This biking trip features accommodations chosen for their excellent location, service and comfort throughout Donegal. Expect small, comfortable and characterful lodging in B&Bs, family-fun hotels or guesthouses, in small towns and villages as well as in rural communities. Accommodation is a choice of double or twin rooms, which are en-suite with a shower. Evening meals will be taken either in local towns, which offer a good choice of restaurants to suit every taste, or perhaps in a different location in the countryside, depending on the day's cycle.

Group Leader & Support Staff

The group will be led by an experienced and qualified leader.

Your Bike

A road bike or standard cycle-touring bike is recommended for this trip, fitted with a triple or compact chainset and 23/25mm touring tyres. Please call us if you are unsure about the suitability of your bike. We cannot stress enough the importance of ensuring that your bike is in perfect working condition before you start this trip. You are depending on your bike to transport you throughout your holiday. It is VITAL to ensure it is THOROUGHLY SERVICED to guarantee it is in good mechanical order before departure. If you are not mechanically minded, get your local bicycle dealer to service it for you. For home mechanics, points to note particularly are:

- a) Check rims and if they are worn, cracked or dented replace with a new rim or wheel to avoid wheel failure. It is especially important to check that your bike's rims are not worn concave by the brake blocks - replace them if they are!
- b) Check wheels are true and spoke tension is correct.
- c) Check and, if required, adjust, grease or replace ALL bearings and quick release skewers.
- d) Check and, if required, replace brake and gear cables.
- e) Check and tighten, if required, all bolts (esp. crank, bottom brackets, headset, stem/handlebars).
- f) Check chain, cassette and chain rings for wear - replace as necessary.
- g) Take the right tyres, inner tubes and BIKE SPECIFIC SPARES.

Whilst not essential, it is a good idea that you familiarise yourself with how to carry out at least some basic repairs to your bike e.g. changing an inner tube and fixing a puncture. Naturally, the bike guide will always be happy to assist with any repairs, however, due to the often remote nature of our trips being able to carry out a simple repair can save time and inconvenience waiting for assistance.

Bike hire costs:

- Road Bike - £175
- Hybrid Bike - £175

Baggage Allowance

There is no weight limit for your luggage on this holiday, however you will need to be able to lift and move your own luggage easily. There is also limited room in the transfer vehicles, and so apart from your bike, one bag to be transferred and one small day pack per person is ideal.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Health & Vaccinations

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The currency for part or all of this holiday is the Euro.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.

This helps us to gather together sufficient numbers of like-minded adventurers to get your holiday up and running quickly.
